Proud Heritage • Promising Future

The Washington Elementary School District is committed to achieving excellence for every child; every day; every opportunity.

Dear Parent/Guardian:

Thank you for being a valued customer in the MOST Before- and After-school Program this school year. It is always our pleasure to provide high-quality child care and enrichment activities for your child.

The MOST program staff has been working hard all school year to create a new name and brand for the program. The decision making process included students, staff and parents across the District to decide on a new name that reflects the child-centered, professional and enriching before- and after-school programs that our Washington Elementary School District staff has worked hard to create for more than 20 years. Beginning with the 2010/2011 school year, the MOST Program will change our name to:

The KidSpace Program will include all of the same staff your students have known for many years. The KidSpace staff will also continue to offer the same high-quality before- and after-school activities at each of our 22 programs across the District as they have for many years.

If you have not done so already, please register your child for the KidSpace Program for next school year! Any staff member at your school will be able to help you reserve your child's spot in our program. The KidSpace Program also offers summer programming from May 26 – July 30. Call one of our summer locations to take advantage of our summer child care opportunities!

KidSpace Summer Locations

Orangewood School: 602-347-2978

Sunburst Elementary: 602-896-6415

Washington Elementary: 602-347-3415

Thank you for your continued support of the KidSpace Program and we look forward to working with your children next school year or in our summer programs.
