Please note your child’s schedule Period 4 - Tutorial. Tutorial is the block of time that includes lunch, academic assistance and interventions in classrooms, as well as lunch recess. Please note the times for Period 4. If you need to pick up your child during these times, allow additional time for us to get your child to the main office as they can be in multiple locations. If you can assist us by avoiding appointments, etc. during this time, it would be appreciated.

With the state wide focus on increasing instruction in the classrooms and increasing student performance, we ask that you assist us with your child being on time for the beginning of classes at 9:00 a.m. and avoiding picking up students less than 20 minutes prior to the 4:00 p.m. dismissal (2:30 on Wednesdays). We know everyone will have special occurrences with appointments, etc., but we appreciate your help as we continue to increase the effectiveness of Palo Verde Middle School.
