

FAQ

UPDATE on 2020 KidSpace Summer Camp:

We are still in the planning stages for the WESD KidSpace Summer Camp. We will offer the program based on when the Arizona Stay At Home Order is lifted. KidSpace staff will continue to communicate any updates or changes to enrolled families, via email. If the start of summer camp is delayed, families will not be billed for weeks that services are unavailable.

How do I enroll in 2020 KidSpace Summer Camp?

If you would like to register, please scan and email all summer registration forms to:

kidspacecontracts@wesdschools.org and pay online through Revtrak.

Forms and Fees needed to enroll for summer: Summer Contract, Summer Summary of Fees, Emergency Card, Immunization Record, Field Trip Permission Slip for your desired location, along with Payment for the Registration Fee and the Fee for the first week of 2020 KidSpace Summer Camp.

When will registrations for School Year 2020-2021 KidSpace 4-year-old Early Childhood Enrichment and KidSpace AM/PM programs be accepted?

We are looking at setting up a registration enrollment date on a Saturday in June or July. We will advertise on the District Web site and send emails to all families currently enrolled for this school year, summer, or that have been added to our interest list.

How can I use my credit on my account?

Any credits on current KidSpace accounts can be used during KidSpace Summer or School Year 20-21. If you will not be using KidSpace in the future, please contact kidspacecontracts@wesdschools.org and someone will respond to you regarding your account.

Was I charged for 2020 KidSpace Spring Break Camp?

All accounts were credited if children were scheduled to attend March 17-20 (Tuesday-Friday) of Spring Break. The credit was transferred to your home school account. If you would like it transferred to your summer camp account, please contact kidspacecontracts@wesdschools.org.
