BREAKFAST @7:30AM

Join us for **FREE Breakfast** in the LOM Cafeteria- starting at 7:30am each day of summer programs.

NOTE: All children, ages 1-18 must be accompanied by an adult.

Ready, Set, Invent!

Grades K-6; Ms. Sargent

Ready, Set, Invent! Join us this summer for an exciting adventure where science, technology, engineering, arts, and math come together to spark creativity and curiosity! This class encourages teamwork, critical thinking, and creativity in a fun, safe, and inspiring environment. Come ready to think, make, and learn with friends!

Kid's Kitchen!

Grades K-6; Ms. Lujan

Crunch! Slurp. YUM! Have you ever wanted to learn how to make healthy snacks and treats for yourself and your family? Then this class is for you! We will make (AND EAT!) new things, discuss our foodie favorites, and have all kinds of fun! Sign up now!

PE Camp!

Grades K-6; Coach Shaul

Join PE Camp to keep your body healthy and active this summer! Play fun games as you work on motor skills, listening skills, teamwork and practice good sportsmanship in the school gym. Don't miss the healthy fun!

Travel by Reading!

Grades K-1; Ms. McClanahan

Each week we will read and learn about a new country! Students in this academic summer class will focus on sounds, blending, hand-writing and writing a complete paragraph. Join the fun today!

Astro Adventures!

Grades K-6; Ms. Oilund

Get ready for an out-of-this-world adventure! Young explorers will journey through space, learning about planets, stars, astronauts, and more. Don't miss the hands-on projects, exciting activities, and creative art projects. Design planets, build rocket models, create glow-in-the-dark constellations, while learning fascinating space facts. Join the adventure!

Lions Acting Out!

Grades 2-6; Ms. Vann

Foster a love of theatre and drama! This class will offer students a chance to express creativity and perform in front of others! Learn acting, scene work, improvisation, dancing, and creative drama. This interactive class will help improve public speaking!

Wonderful World of Games!

Grades 2-6; Ms. McSwain

Join us for Indoor and Outdoor games! Everything from capture the flag and kickball, to parachute and monopoly! Enjoy competitive games of all kinds and have a water day on the last day of the summer classes!

Summer Spotlight Squad!

Grades K-6; Ms. Lujan

START SPREADING THE NEWS! There's a new *musical theater* class coming to Lookout Mountain this summer! In this class, we will act, dance, sing, learn, and then **PERFORM!** Let's all learn to defy gravity together!

Summer Sparkles!

Grades K-6 Ms. Sargent

Get ready to create your own dazzling designs in this fun jewelry making class! This summer, young artists will have the chance to dive into the world of jewelry creation by making their own necklaces, bracelets, and keychains using colorful beads, shiny charms, and cool strings. Students will learn how to use simple tools and materials to bring their creative ideas to life!

Yoga & Snack Café!

Grades K-6; Coach Shaul

Snack your way through this summer as you prepare some healthy new recipes, learn about posture, balance, breathing, and beginning yoga poses in the Healthy Yoga & Snack Cafe!

Fly into Reading

Grades 1-2; Ms. McClanahan

Join this academic summer reading class to build your reading skills while learning about the world. We will read about each country, learning about animals, music, and more. Through research, students will present a country of their choosing for the final report.

LUNCH @NOON

Join us for **FREE Lunch** in the LOM Cafeteria- starting at NOON each day of summer programs.

NOTE: All children, ages 1-18 must be accompanied by an adult.

LEGO Creators!

Grades 2-6; Ms. Vann

Calling all LEGO enthusiasts! Join our team of LEGO Creators as we transform the summer classroom into an awesome LEGO Tinker Lab. Learn to build and complete various building challenges! Don't miss out on the fun- join today!

Minecraft Makers!

Grades 2-6; Ms. Oilund

Calling all young builders and crafters! In this exciting class, kids will explore the world of Minecraft both on-screen and off. Through hands-on activities, creative art projects, and fun challenges, students will bring their favorite Minecraft worlds to life.

A Hero's Quest!

Grades 2-6; Ms. McSwain

Join the quest this summer! Explore the mysterious world of mythology and science fiction! In this fun hands-on class, you will get to complete some exciting challenges and activities while reading Percy Jackson and Gregor the Overlander!
