

# AFTER-SCHOOL ACADEMY

## at Lookout Mountain School!

15 W. Coral Gables Dr.  
Phoenix, AZ 85023

Classes fill quickly!  
Register before  
Feb. 3, 2025!

**Spring Session Begins**  
**February 25 or 27, 2025**

**Class Days: Tuesdays and/or Thursdays**

**3:30 p.m. to 4:45 p.m.**

**Questions?**

Contact the Lookout Mtn. ASA Coordinator at [Amber.Kohl@wesdschools.org](mailto:Amber.Kohl@wesdschools.org)

\*This program is designed for students who spend the majority of their day in a general education setting and fully accesses grade-level curriculum.

### **Tuesday Classes\***

**February 25 - April 22, 2025**

#### **LOOKOUT LEGO MASTERS**

**Grades K- 3 with Mrs. Giniivan**

Use your creative juices to design, build and present works of art using Lego. Compete individually or with a team to build a Lego sculpture within a given amount of time. Some challenges will include mazes, creatures and castles. Put your Lego skills to the test with Lookout Lego Masters! Space is limited, sign up today!

#### **LOM K-3 CHEER**

**Grades K- 3 with Ms. Sargent**

ROLL CALL! Learn how to perform choreographed dance routines, craft your own specialized "cheer gear," and make new friends! Sharpen your cheer skills NOW! Sign up & show us your moves!

#### **MYSTERY CRAFTING**

**Grades K- 6 with Mrs. Lillie**

Do you love crafting....AND surprises?! Join Mystery Crafting! What we are creating each week is a mystery, but we will use these supplies: paper mâché, tie dye, beading and jewelry-making materials, string art, and crayons! Join to create something NEW each week!

#### **ERAS CLUB**

**Grades K- 6 with Ms. Lujan**

Are you ready for it?! Do you love a certain BLONDIE, her music, and amazing accomplishments?! If the answer is yes, join the club! We'll have FUN exploring a NEW ERA EACH WEEK! Make friendship bracelets, 'BEJEWEL' some crafts, learn dances, history, & more! I've got a blank space, baby, so come WRITE YOUR NAME!!

#### **STEM ENGINEERING**

**Grades K- 6 with Ms. McClanahan**

Do you enjoy building? Join us each week as we learn how to engineer and build with a new type of material. Create a bridge out of Legos, a chair out of paper that can hold a stuffed animal, and so much more! Join the fun today and help build the future!

#### **CODE EXPLORERS**

**Grades 1- 6 with Ms. Lilund**

Explore the world of coding and animation in this exciting class! Kids will learn to build a story and animations using easy-to-learn tools. Engage in critical thinking, and teamwork while having a blast with technology. Make a robot dance, create your own video game, & design a virtual world.

#### **JOYFUL PIANO**

**Grades 2- 6 with Mrs. Meyer**

Falling in love with the piano is easy with the right lessons! This class will help you connect with the piano in a way that is long-lasting. Using a kind, engaging and hands-on learning, we'll fill your home with music and your heart with happiness as you learns this life-long musical skill.

#### **GIRLS VOLLEYBALL ROCKSTARS**

**Grades 3 - 6 with Mrs. McSwain & Ms. Lumpkin**

Bump! Set! SPIKE! Get ready for the ultimate volleyball skills class. We are going to pass, set, and hit our way to victory. Perfect fit for anyone interested in the art of volleyball. Beginners welcome! Join today to save your spot on the team!

#### **STRINGS JAM SESSION**

**Grades 4- 6 with Mr. Mariscal ("Mr. M")**

Do you play a STRING instrument & want more time to practice? THIS IS YOUR CLASS! Join your friends and Mr. M for extra musical fun so you can improve your musical art skills!

### **Thursday Classes\***

**February 27 - April 24, 2025**

#### **WORLD TRAVELERS**

**Grades K- 3 with Ms. McClanahan**

"Travel" to a new country each week! Learn about the world through food, art, & fun crafts. Enjoy candy sushi in Japan, build a pyramid in Egypt, and make bruschetta in Italy. Sign up for this adventurous class and stamp that passport today!

#### **BOOK BUDDIES**

**Grades K- 3 with Ms. Sargent**

Have fun with your buddies while you read your favorite books and do fun hands-on projects based on each book. Boost your reading fluency and reinforce your comprehension through small groups and one-on-one instruction! Don't miss out on the fun!

#### **EXPLORATION STATION**

**Grades K- 4 with Mrs. Giniivan**

Exploration Station is calling all scientists! Join our fun & hands-on class to experiment, explore, build, test and learn. What happens when oil and water meet? How does soap react to milk? What can we create when we mix flour, water, and oil? Get answers to these questions and more. So many science experiments await!

#### **GIRL POWER**

**Grades K - 6 with Ms. Lujan**

Grow Confidence, Build Friendships, Have Fun. Let's "MAKE IT LAST FOREVER"... friendship bracelets and more! We will experiment with hairstyles, makeup, and more while making friendly connections and learning all about EMPOWERMENT. Join us today for all things glitter and happiness!

#### **MINECRAFT WORLD CREATORS**

**Grades 1- 6 with Ms. Lilund**

Only YOU can build a land for... always utilize your critical thinking, problem solving, teamwork and communication skills as you create and complete weekly challenges in the world of Educational Minecraft. Spaces will fill up quickly. Don't miss out... act now!

#### **BAND JAM SESSIONS**

**Grades 4- 6 with Mr. Mariscal ("Mr. M")**

Do you play a BAND instrument & want more time to practice? THIS IS YOUR CLASS! Join your friends and Mr. M for extra musical fun so you can improve your musical art skills!

#### **DRIBBLE-SHOOT-SCORE! BOYS BASKETBALL**

**Grades 4- 6 with Mrs. Meyer**

Are you ready to sharpen your skills and try out for sports teams in the future? This class can support development at any level! Boys will work on improving basketball skills: dribbling, passing, ball handling, shooting, game play and foster social interactions, promoting teamwork and building lifelong friendships. Sign up with your friends today!
