ABRAHAM LINCOLN TRADITIONAL SCHOOL

Drawing Classes for kids

Spring has sprung, and that means it's time for **SPRINGTIME FUN WITH YOUNG REMBRANDTS!** If your little artist is captivated by the magic of the movies, they will love bringing our movie theater still life to life. Ready for an adventure? Drawing Aladdin's Lamp will be a wish come true! We're also riding the waves with our super cool Surfer & Wave Illustration - it's totally rad! For those with a love for fantasy, our baby dragons lesson will fire up their imagination and teach them to master color and composition. And to top it all off, we'll explore the world of art legends with a stunning portrait of Frida Kahlo to spark their creativity. Don't let this artistic adventure pass by - sign up today and let the creativity bloom!

These classes are offered in partnership with the WESD Enrichment Program.
