Arizona Chapter of the American Academy of Pediatrics

MEDICAL SERVICES PROJECT

- Access to medical, dental, and vision for uninsured and underinsured school-aged children
- Little out-of-pocket cost for families
- MSP works with a talented network of providers to ensure children receive adequate medical care and prompt attention

\$500 in covered services per child per school year

Through a network of providers across the state, Medical Services Project (MSP) covers a wide array of services to meet the needs of Arizona children. *All services are available for only a \$5-\$10 service fee.* Telehealth appointments may be available.
