Dear Parents and Guardians,

This update includes information about:

- An end-of-the-year survey,
- Contact information; and
- Final opportunities to return Chromebooks, library books and pick up personal belongings.

End-of-year Survey

Today was the last day of the 2019-2020 school year. We want to thank you for your support and patience as we navigated the fourth quarter with online educational resources and socially distant delivery of meals, packets and Chromebooks. The last nine weeks were a new experience for all of us. We would appreciate it if you would take a few moments of your time to sit with your child(ren) and complete an online survey. Your feedback will let us know how we can continue to support your child(ren) and your family this summer and in the 2020-2021 school year.

FAMILY SURVEY

Contact Information

To stay connected, it is important that we have current phone numbers, email addresses and mailing addresses. If your information has changed, please be sure to contact your child's school to share any changes to your contact information before schools close for the summer on Tuesday, June 2.

Chromebook and Library Book Return, Personal Belongings Pickup – Contact Your School

Chromebooks and library books were to be returned yesterday, Monday, May 18. Additionally, student belongings were available for pickup that day. If you were unable to make it yesterday, please call the school directly or check your school Web site or Facebook page for additional opportunities to return Chromebooks and library books and pick up personal belongings.

Once again, thank you! We wish you a safe and healthy summer. We will be sending periodic updates this summer. Please do not hesitate to reach out to wesdcommserv@wesdschools.org if you have any questions or concerns.

Sincerely,
