

WESD On-Site Support Services

Pursuant to the Governor's Executive Order 2020-51, the Washington Elementary School District will be hosting on-site support services for students in need beginning on August 17. The on-site support services allows students in need of a safe place to go during the day to conduct their online learning.

Please be aware that the on-site support services will not include direct, in-person instruction by a teacher in a classroom setting. Rather, the students attending the on-site support services will conduct their online learning while being supervised by support staff members.

At this time, site locations to host the on-site support services have not been determined. However, safety and health protocols will be in place to meet federal, state and local health officials' guidelines (see Mitigation Plan).

Below are some of the expectations if you choose the on-site support services for your child(ren):

Student Expectations:

- Tell your parent/guardian if you feel ill before coming to the on-site support services location or tell staff immediately if you feel ill at the on-site support services location
- Allow temperature checks upon arrival at the on-site support services location
- Answer screening questions upon arrival at the on-site support services location
- Do not share supplies or food
- Maintain a six-foot distance from other students and staff
- Wash your hands or use hand sanitizer regularly
- Wear a face covering as directed
- Avoid touching your face
- Follow code of conduct expected during normal school days

Parent/Guardian Expectations:

- Parent/Guardian must ensure their children have up to date immunization records with their on-site support services location
- Parent/Guardian must ensure their children are symptom-free before sending them to the on-site support services location
- Parent/Guardian must immediately come to the on-site support services location to pick up their children when/if they are ill or showing signs/symptoms of COVID-19
- Parent/Guardian must transport their children at the on-site support services location
- Parent/Guardian must pick up their children before the scheduled close time each day and may not drop them off prior to the scheduled opening time
- Parent/Guardian must sign in and sign out their children each day
- Parent/Guardian will wear face coverings and provide face coverings for their children to enter the on-site support services location
- Parent/Guardian must pick up your son/daughter if he/she violates the code of conduct
- Parent/Guardian must notify the on-site support services staff if someone in your household has tested positive for COVID-19 (then follow County/State/CDC guidelines for student return to campus)
- Parent/Guardian must cooperate with contact tracing when/if needed with COVID-19 exposures
- Campus/classroom visitors will not be allowed
- Parent/Guardian must have signed COVID-19 Parental Acknowledgement form
