### Session #1 8:00 -10:00 a.m.

### Session #2 10:00 a.m. - Noon

#### Reading Adventures!

Grades K-3; Mrs. Kistner

Do you want to have fun and learn new ways to improve your reading skills? Join this summer adventure and focus on your reading fluency and comprehension skills through fun centers that meet your individual needs!

#### Shake, Rattle & Roll!

Grades K-8; Mrs. Lee

Join this active class and have a great time as you explore various types of exercise! Do some cardio dance, rhythm sticks, yoga, and other forms of movement. At the end of each workout day, learn about nutrition while making a healthy snack! \*Bring a yoga mat.

#### PC Publishers!

Grades 1-6; Ms. Luther

Have you always wanted to write and illustrate your very own original book? Learn about the writing process and techniques as you create your personalized story in this fun class! You will take home your 'published' work on the last day of class.

#### Stop! Motion! Animate!

Grades 1-8; Mrs. Kohl

Direct your own films! Claymation, Stop-photography Lego Animation, Storyboards with *HUE Animation Studio* software. Premier your blockbuster movies at our Film Festival on the last day of class!

More info: [www.youtube.com/watch?v=EDAM6aKdvQs](http://www.youtube.com/watch?v=EDAM6aKdvQs)

#### A Student's Guide to World Domination!

Grades 2-8; Mr. Kennell

Can a *Hot Wheel* car travel down stairs without going off the track? How do you safely drop an egg? In this class, you will examine the scientific methods while you problem-solve your way through the tasks at hand! \* Students will need to supply their own rocket.

#### Clay Masters!

Grades 3-8; Mrs. Lancaster

Explore your creative side! Learn a variety of clay techniques as you make your own one-of-a-kind pottery and painted clay art in this class. Keep your art pieces for yourself or give them as gifts!

#### Fairytales STEAM!

Grades K-3; Mrs. Kistner

Could you build a stronger house than the 3 Little Pigs? In this fun science class, you will use problem-solving skills to construct and recreate parts of favorite fairytales and save the day!

#### Cooking Around The World

Grades K-8; Mrs. Lancaster

Learn the traditions and how to cook recipes from all around the world! We will make tasty foods and learn about Italy, Mexico, China, Egypt, Costa Rica and Ireland. Lets get cooking!

#### Arrr-ithmetic!

Grades 1-4; Ms. Luther

Ahoy, ye pirates! Join the treasure hunt for math facts! You will earn gold coins as you learn about measurements and money, as well as basic math facts. Learn Aarr-ithmetic as you have summer fun sailing the seas!

#### Stop! Motion! Animate!

Grades 1-8; Mrs. Kohl

Direct your own films! Claymation, Stop-photography Lego Animation, Storyboards with *HUE Animation Studio* software. Premier your blockbuster movies at our Film Festival on the last day of class! More info: [www.youtube.com/watch?v=EDAM6aKdvQs](http://www.youtube.com/watch?v=EDAM6aKdvQs)

#### My Mexican Vacation!

Grades 2-6; Mrs. Alvarez

Would you like to learn to speak Spanish this summer? Build your vocabulary as you 'travel' through Mexico, with stops to learn about the music, cook and eat the food, and explore the Mexican heritage from a WESD teacher that was born in Mexico!

#### A Student's Guide to World Domination!

Grades 2-8; Mr. Kennell

Can a *Hot Wheel* car travel down stairs without going off the track? How do you safely drop an egg? In this class, you will examine the scientific methods while you problem-solve your way through the tasks at hand! \* Students will need to supply their own rocket.

#### Makey Makey

Grades: 3-6; Mrs. Lee

Ever played Mario with Play-Doh or Piano with Fruit? Turn everyday objects into touchpads. Connect the world around you to your computer and invent the future! See to believe @[www.makeymakey.com/](http://www.makeymakey.com/)

### Noon - 12:30 p.m.

#### Lunch Bunch

Join "Lunch Bunch," and eat in the cafeteria noon - 12:30 p.m. Bring lunch from home or eat the free school lunch! Mrs. Swoveland will supervise the transition to your afternoon summer class. Remember: All K-8 students must be enrolled in Lunch Bunch or supervised by a parent during lunch.

### Session #3 12:30 - 2:30 p.m.

### Session #4 2:30 - 4:30 p.m.

#### Off-Off Broadway~ Take 1!

Grades K-8; Mrs. Fuerte

ACT NOW... and join this creative summer class! You will learn what it means to be part of a cast and actually put on a real play! Improv, mime, character development, blocking a scene, reciting lines and story creation will be part of the fun!

#### Crafty Creations

Grades K-8; Mrs. Lancaster

Join this imaginative summer class and create many NEW kinds of crafty projects for yourself or for friends and family! Make a tie-dyed t-shirt or pillow case and learn to finger knit. Create yarn puppets, a glowing lantern, a cool hand painted flower pot, a variety of painting projects and so much more! Get crafty!

#### Jr. Fit Kids!

Grades 1-3; Mrs. Crutchfield

Parachutes, indoor soccer, water games and so much more! In this active class, you will have the opportunity to improve your motor skills while exercising and playing your favorite and new PE games. Don't miss the opportunity to join your friends and be a Jr. Fit Kid!

#### Camp Read-A-Lot!

Grades 1-4; Ms. Luther

Join us for summertime reading at Camp Read-A-Lot! You will have a fun summer experience while you boost your reading fluency and comprehension. Reading skills will be reinforced through one-on-one instruction and fun hands-on camp-themed activities and projects.

#### Minecraft!

Grades: 2-6; Mrs. Lee

Enter the awesome world of Minecraft... with NEW programming software added! You will even learn how to write code in this class. So come explore the amazing world of Minecraft and have a great time this summer!

#### Bristle Bots!

Grades 3-6; Mrs. Kistner

Students in this class will get to engineer small robots and then create environments and challenges for them. Participate in a variety of activities with the Bots, such as Bristle Bot Races to see who is the fastest. Don't miss all of the fun!

#### Super Spectacular Science!

Grades: K-6; Ms. Luther

Learn cool science and technology facts in this class as you participate in a variety of spectacular hands-on experiments! Make an egg float, completely disintegrate a cup and test your sense of taste!

#### LEGO Universe!

Grades K-8; Mrs. Lee

Think outside the LEGO box with a new challenge each day! Explore the world of engineering, construction, storytelling, robots, and self-image as you discover the many ways to use and build with LEGOs!

#### Off-Off Broadway~ Take 2!

Grades K-8; Mrs. Fuerte

ACT NOW... and join this creative summer class! You will learn what it means to be part of a cast and actually put on a real play! Improv, mime, character development, blocking a scene, reciting lines and story creation will be part of the fun!

#### 'Sew' Fun!

Grades 1-8; Mrs. Lancaster

NEW projects! In this awesome class, you will learn the basics of hand sewing and create one-of-a-kind art pieces like pillow cases, handbags and stuffed animals to take home at the end of the session. 'Sew' fun!

#### Time Travels to France!

Grades 1-8; Miss Dunou

Bon jour! Take this class and learn to speak conversational French from a WESD teacher who was born in France! Create a travel journal on your virtual journey through history as you learn about historical French events, poetry, art and food. Develop a deeper knowledge of the French culture and the language!

#### Keep It Cool & Code!

Grades: 2-7; Miss Medley

Ready to build the coolest roller coaster or the creepiest cave? Sign up to explore the ever-changing world of coding! Learn to code new actions, build new blocks, and create recipes to personalize digital worlds. Coding and problem solving skills will stick with you after summer ends!

#### Fit Kids!

Grades 3-7; Mrs. Crutchfield

Get some exercise this summer and stay cool in the school gym! You will participate in a wide variety of strength, speed and agility drills in order to improve overall fitness and performance. Sports will include basketball, soccer and volleyball!

REGISTRATION FORM ON REVERSE

-This program is offered in partnership with WESD Enrichment Programs-

# 2017 Summer Academy @ Lookout Mountain School

## IMPORTANT INFORMATION

- Please send water and a small snack with your child each day if he or she is attending two or more sessions.
- If your child plans to eat lunch in the cafeteria at noon and you will not be available to supervise, please sign your child up for the **Lunch Bunch** for only \$20. Bring lunch from home or eat the free school lunch!
- **STUDENTS MAY NOT REMAIN ON CAMPUS UNATTENDED BETWEEN PROGRAM SESSIONS!**
- Students are assigned to classes upon receipt of a completed registration form and full payment.
- All registrations **require a self-addressed, stamped envelope**. This will be used to send you a confirmation letter **by May 23, 2017**, as well as other important information including a summer school map and drop-off/pickup procedures. Please pay registration fees Online or by Check or Money Order– No Cash, please.
- If your class/es are not available, you will be contacted about other class options. Classes are closed when full or if there are not enough registrations by May 12, 2017. Ask about the WESD refund policies.
- If your child will be absent from summer classes, please call the **Summer Attendance Line at 602-896-5922** before 8 a.m. each day. Please note: A school nurse will NOT be on duty during these summer classes.
- **“Grades” refers to the grade students are entering for 2017-18 SY. Cut and retain this top portion for your records.**
- **Questions?** Contact Monique Harpe at 602-896-5968, 602-896-5922 or monique.harpe@wesdschools.org

View information online at: [www.wesdschools.org](http://www.wesdschools.org)
