Session #1 8:00 -10:00 a.m.

Session #2 10:00 a.m. - Noon

Kids Cook- AM!

Grades K-8; Ms. Beck

Sign up for this hands-on class and make healthy snacks while learning proper eating habits that can last a lifetime. You will also create a recipe book of your very own!

PE Squad!

Grades 1-7; Ms. Luther

Keep your body healthy and active this summer when you join the PE Squad! Play many fun indoor and outdoor games as you work on motor skills, listening skills, teamwork and practice good sportsmanship. Don't miss the healthy fun!

Drawing Academy!

Grades 1-8; Ms. Schulte

Use your artistic side and learn the many skills needed to create detailed drawings with various artistic elements! Brainstorm new ideas, learn how to shade, create texture and depth as you create your own masterpieces.

Tech Camp!

Grades 2-8; Mrs. Lee

Do you love technology? Then Tech Camp is the perfect class for you! In this future-thinking class you will explore digital photography and learn to incorporate share point collaborations, Makey Makey boards, Scratch and so much more!

Stop! Motion! Animate!

Grades 3-8; Mrs. Kohl

Direct your own films! Claymation, Stop-photography Lego Animation, Storyboards with HUE Animation Studio software. Premier your blockbuster movies at our Film Festival on the last day of class! More info: www.youtube.com/watch?v=EDAM6aKdvQs

Jewelry Pros!

Grades 3-8; Ms. Piehl

Get artistic this summer as you learn to create various types of jewelry from around the world. Learn the history and cultural backgrounds of many styles of jewelry. Each piece you create to take home will be a one-of-a-kind and professional level piece!

Spectacular Science!

Grades K-8; Ms. Luther

Join this fun hands-on class and learn how to create things like slime, elephant toothpaste, ooblek, quicksand, and even hatch real baby chickens!

Adventures in Reading!

Grades K-8; Mrs. Kistner

Have new reading adventures this summer! In this class you will learn some techniques to improve your reading skills. Focus on fluency and comprehension skills through fun centers that best meet your individual needs.

Plays-R-US!

Grades 1-8; Ms. Beck

Sign up for this class to improve your reading fluency in a fun way! Practice reading scripts using intonation, act out plays, create backgrounds and props, and then perform plays.

Math Masters!

Grades 1-8; Mrs. Kohl

Do you love math? This is the class for you! Become a math master by discovering new strategies to problem solve in various ways. Create your own and then play games based on math concepts.

World Domination!

Grades 2-8; Mr. Kennell

Can a Hot Wheel car travel down stairs without going off the track? How do you safely drop an egg? How do rockets launch? In this class, you will examine the scientific methods and problem-solve your way through the interesting tasks at hand!

** Students must supply their own rocket*

Minecraft!

Grades: 2-8; Mrs. Lee

Enter the awesome world of Minecraft... with NEW programming software added! You will even learn how to write code in this class. So come explore the amazing world of Minecraft and have a great time this summer!

Yoga Power!

Grades 3-8; Ms. Piehl

Explore the power of yoga! In this active class you will learn basic yoga poses and how your muscles are interconnected. Create a Yoga Book and continue to practice these skills in your daily life.

**Students must bring a towel or yoga mat*

Noon - 12:30 p.m.

Lunch Bunch

Join "Lunch Bunch," and eat in the cafeteria noon - 12:30 p.m. Bring lunch from home or eat the free school lunch! Ms. Martinez will supervise the transition to your afternoon summer class. Remember: All K-8 students must be enrolled in Lunch Bunch or supervised by a parent during lunch.

Session #3 12:30 - 2:30 p.m.

Session #4 2:30 - 4:30 p.m.

Kids Cook- PM!

Grades K-8; Ms. Beck

Sign up for this hands-on class and make healthy snacks while learning proper eating habits that can last a lifetime. You will also create a recipe book of your very own!

Reduce, Reuse, Create!

Grades K-8; Mrs. Kistner

Go green and reduce waste by using materials in a different and artistic way. Use multiple medias to transform items into pieces of art. Beware! Your clothes will get messy as you create!

Camp Read-A-Lot!

Grades 1-4; Ms. Luther

Join us for summertime reading at Camp Read-A-Lot! You will have a fun summer experience while you boost your reading fluency and comprehension. Reading skills will be reinforced through one-on-one instruction with fun hands-on activities.

STEAM Extreme!

Grades 1-8; Mrs. Kohl

It's time to experiment! Build, solve, and experiment by incorporating Science, Technology, Engineering, Art, and Math. Take science concepts to the extreme in your final project and presentation!

A Student's Guide!

Grades 2-8; Mr. Kennell

Can a Hot Wheel car travel down stairs without going off the track? How do you safely drop an egg? How do rockets launch? In this class, you will examine the scientific methods and problem-solve your way through the interesting tasks at hand!

** Students must supply their own rocket*

Pit Kids!

Grades 3-7; Mrs. Crutchfield

Get some exercise and stay cool in the gym! We will work on a variety of strength, speed, and agility drills to improve overall fitness and performance. Get ready for fun!

Sew Special!

Grades 3-8; Mrs. Lancaster

Take this special chance to learn the basics of hand sewing! Students will create many one-of-a-kind pieces to take home and enjoy at the end of the summer.

Robot Camp!

Grades: 3-8; Mrs. Lee

Invent the future this summer! Get creative as you plan, design and engineer your bots using VEX, Mindstorms and others to build robots with motors and sensors and program them to perform tasks.

LEGO Mania!

Grades K-3; Mrs. Lee

Think outside the LEGO box with a new challenge each day! Explore the world of engineering, construction, storytelling and even robots. Discover the many ways to use and build with LEGOs!

Spaced Out!

Grades K-4; Ms. Beck

Calling future astronauts! Explore our universe by focusing on each planet in our solar system. Create a lap book, fact book, and mobile as you learn about what's out there and put on a space-themed play!

STEAM Fun!

Grades: K-8; Miss Kistner

In this interesting class, use scientific knowledge to explore and problem solve by conducting fun experiments with Science, Technology, Engineering, Art, and Math. Learn how everyone uses STEAM in various aspects of life and have some summer fun in the process!

Jr. Pit Kids!

Grades 1-3; Mrs. Crutchfield

Parachutes, indoor soccer, water games and more! In this active class, you will get the opportunity to improve motor skills while exercising and playing new PE games.

Survivors!

Grades: 2-8; Ms. Luther

Are you prepared for any emergency? In this fun hands-on class you will learn what to do in many different situations and habitats. Enjoy meeting guest visitors and first responders. Explore all of your options and have loads of fun learning the basics needed to be a survivor!

Crafty Creations!

Grades 2-8; Mrs. Lancaster

Join this imaginative summer class and create many NEW kinds of crafty projects for yourself or for friends and family! You will make one-of-a-kind projects and so much more! Get crafty and creative this summer!

Great News!

Grades 2-8; Mrs. Kohl

Extra! Extra! Become a summer school journalist! In this class you will hone your writing process skills by creating a newspaper. Conduct interviews, write articles, draw comics, and explore the very important and wonderful world of journalism!

2018 Summer Academy at Lookout Mountain School
