View more information at: www.wesdschools.org

Session #1 8:00 -10:00 a.m.

Session #2 10:00 a.m. - Noon

Webkinz at the Zoo!

Grades K-8; Mrs. De Jayne

Adopt a Webkinz Zoo animal this summer and research about your animal! Practice math, reading, management, computer skills, and valuable life skills through the Webkinz Web site, activities and zoo-themed crafts!

LEGO Robot Lab!

Grades 2-8; Ms. Oilund

Calling all techies! Join us as we transform the classroom into a LEGO tinkering lab and learn to build and program our robots to complete various challenges!

Crazy-Cool

Creative Writing!

Grades 3-6; Mrs. Wheeler

Create your own one-act play story by answering a series of fun questions. As much as you learn about character development, setting, and plot. It will be crazy-cool!

Feed the Read!

Grades 4-8; Ms. Terry

Feed your mind with some of the best short stories ever written! Then join the discussion about the universal truths found in great writing. This summer class may change the way you see the world around you!

PE Camp!

Grades 1-8; Mrs. Luther

Join PE Camp to keep your body healthy and active this summer! Play fun games as you work on motor skills, listening skills, teamwork and practice good sportsmanship in the school gym. Don't miss the healthy fun!

World of Jewelry!

Grades 3-8; Ms. Piehl

Sign up for this artistic class and create your own piece of jewelry. Learn about the seven elements of design.

Theater Studio!

Grades 3-8; Ms. Close

Steal the show this summer! Learn theater lingo, play drama and Improv games, practice memorizing techniques and then rehearse to present an end of summer play to an audience of friends and family!

Read Around the World!

Grades 1-4; Mrs. De Jaynes

Join this fun summer reading class and learn about China, Egypt, France and Tanzania through books, games, geography, art, and crafts.

Bricklab Famous Architecture Pros!

Grades 1-8;

Discover the world of architecture as you learn history of famous structures and replicate famous structures from around the world, like the Pyramids, Taj Mahal, etc. Then take the engineering challenge to design a structure of your own!

Girls Code:

3-D Print & Robotics!

Grades 3-8; Mrs. Jones

Girls Only: Get ready for the future as you learn about famous females rocking the world of technology! Explore, problem solve, learn code, programming, 3-D design/printing in CAD and then unplug with fun STEAM projects!

The Story of YOU!

Grades 4-8; Ms. Terry

Your story is so important! Using basic writing techniques, memoir, biography, and a whole lot of creativity, write the story of YOU... just one sentence, one paragraph, one illustration, and one piece at a time!

Noon - 12:30 p.m.

Lunch Bunch!

Join "Lunch Bunch," and eat in the cafeteria noon - 12:30 p.m. Bring lunch from home or eat the free school lunch! Ms. Harpe will supervise the transition to your afternoon summer class. Remember: All K-8 students must be enrolled in Lunch Bunch or supervised by a parent during lunch.

Session #3 12:30 - 2:30 p.m.

Session #4 2:30 - 4:30 p.m.

Art Extravaganza!

Grades K-6; Mrs. Kistner

Join this artistic summer class and use pencil, charcoal, chalk, water color, oil pastels, paint and even clay to create a variety of different art pieces. Show off your new talents at the Summer Art Show on the last day!

Magic of Chemistry!

Grades 3-8; Ms. Oilund

Experience the magic in this hands-on science class! Learn about chemistry as you conjure up fun and gooey projects such as magic dancing slime, invisible ink, glow slime, candy rocks, troll bogeys, color-changing potions, floating feathers, spark experiments, and more!

Survivor

Escape Challenge!

Grades 4-8; Ms. Luther

Are you prepared for any emergency? In this fun hands-on class you will participate in fun Escape Room Challenges, learn what to do in an emergency and meet actual first responders! Explore all of your options and have loads of fun learning the basics needed to be a survivor!

Mermaid Squad!

Grades K-8; Mrs. Kohl

"Shell-ebrate" the summer in this awesome mermaid-themed class! You will "o-fish-ally" have a great time creating a one-of-a-kind mermaid shell jewel tiara and other mermaid jewelry, mermaid hair and nails, sea kelp bath salts, sea foam bubbles, and so much more!

Math Academy!

Grades 3-8; Mrs. Jones

5-4-3-2-1...Join Math Academy! Begin the summer with a math placement test and progress at your own rate to meet individual math goals! Then unplug as you work in groups to explore many interesting STEAM activities!

Movie Factory!

Grades 3-8; Mr. Kohn

Write, direct and star in your own movies this summer! Use a variety of movie-making techniques and skills. Then pop your movie and invite friends and family to the premier of our blockbuster movie on the last day of class! Don't miss this fun opportunity to be a movie star!

Makey-Makey Workshop!

Grades 2-8; Ms. Oilund

Use critical thinking and teamwork in this fun hands-on workshop! Learn how to manipulate the world around you, using Makey-Makey circuit boards to transform regular objects into technology! Build a cardboard guitar, an interactive dance mat, a sound machine and even banana drums! The project options are practically endless!

Travel Masters!

Grades 3-6 Ms. Alba

In this class, you will fill your Passport as you take "virtual-trips" to six different countries and explore the culture, history, food, geography, art, language and the beauty of each location!

Food and You- BFF!

Grades 3-8; Mrs. Bridges

Every body is different! Sign up for this class and learn the basics of how to make healthy food choices. We will prepare nutritious recipes from basic pantry staples. Lets get cooking!

Boys Code:

3-D Print & Robotics!

Grades 3-8; Mrs. Jones

Boys Only: Get ready for the future as you problem solve and learn game coding, APP and robotic programming, 3-D design/printing in CAD- then unplug with some fun hands-on STEAM activities!

Camp You Matter!

Grades 4-8; Ms. Luther

Join this camp-themed indoor wilderness adventure! You will tell your story, make new friends and celebrate all the wonders of life through journaling, fun ceremonies, guided imagery, summer crafts, creative group projects, team and self building and a final-week outreach project. Never forget... you matter!

2019 Summer Academy at Lookout Mountain School

IMPORTANT INFORMATION
