### Monday Classes\*

Jan. 14 – April 15

#### The Modern Girl!

Grades K-6  
Mrs. Kohl

Modern Girl encompasses the art of cosmetics and the do-it-yourself skills to make Spring-inspired products such as soap and bath products. Create homemade bath products and turn a class into a lifelong hobby! Boost your self-esteem, learn new ways to pamper yourself and how to be the Modern Girl you want to be!

#### Scrapbooking!

Grades K-6  
Mrs. De Jaynes

If you enjoy creating memories and you like designing... join Scrapbooking! Use your artistic skills and our awesome supplies to create your very own book of memories that will last forever!

#### Film Club!

Grades 2-6  
Ms. Oilund

Do you love watching movies and often wonder how they are made? Join the Film Club and explore movie making for yourself. In this active class, you will create stop motion shorts and a group live-action short.

#### Leather Craft & Projects

Grades 3-6  
Mr. Mike

Do you want to learn a new skill? In this hands-on class you will make leather coasters, key rings, book marks and so much more. You will also get to take home your one-of-a-kind handmade masterpieces!

#### Kids in the Kitchen!

Grades 3-6  
Ms. Kacey

Have fun cooking... in the Lookout Mountain School Kitchen! Learn the basics of healthy cooking, measuring and kitchen safety! Create your own take-home cookbook with the recipes that you make each week.

#### Volleyball!

Grades 4-6  
Mrs. Weeks

Volleyball is becoming one of the hottest indoor sports for everyone! This active class is for beginners interested in learning the game and developing necessary skills. Get active and have fun learning the fundamentals!

### Tuesday Classes\*

Jan. 15 – April 2

#### Rhyme & Read!

Grades K-3  
Mrs. De Jaynes

Reading fluency will be reinforced by exploring your favorite rhyming books and through one-on-one instruction, fun reading activities and music!

#### Art Masterpiece!

Grades K-6  
Mrs. Darden

Create your very own Masterpieces as you explore, examine and get inspiration from the Great Art Masters! You will use artist-quality materials to practice color mixing, watercolor techniques and paint with acrylic on canvas. Art will be displayed at our very own art show!

#### Off-Off Broadway!

Grades K-6  
Mrs. Fuerte

Act quickly, because this creative class fills up fast! Use your voice and be part of an exciting experience where everyone works together to create theatre! Plan on having tons of fun as you play interactive games designed to inspire the process.

#### Homework Club!

Grades 1-6  
Mrs. Kohl

Do you need a quiet place to think, work and just get all your homework done... with as much one-on-one help as you need from a certified teacher? Well, join the club!

#### Makerspace Lab!

Grades 2-6  
Ms. Oilund

Makerspace Lab gives you the arena and the supplies to design, experiment and create! Practice critical thinking, problem solving, communication and collaboration through many individual and team challenges. Join today!

#### Minecraft, Coding & 3-D Printing!

Grade 2-6  
Mrs. Jones

Sign up for this high-tech class and create a Minecraft world with the newest programming software! You will even learn to write code and get many opportunities to work with our new 3-D printer! Don't miss out!

### Thursday Classes\*

Jan. 17 – April 4

#### Journey Around the World!

Grades K-6  
Ms. Harpe

Join this NEW and exciting journey around the world and explore a variety of countries. We will visit a country each class day and learn about each one through vocabulary, music, food, and fun hands-on activities. If you took the journey last session, come back this session for a completely new adventure!

#### Fun with Paper Crafts!

Grades K-6  
Ms. Beck

Stretch your imagination and have fun in this artistic class as you cut, paste, fold paper and create fortune tellers, origami animals, book marks, holiday crafts and more!

#### Engineer Your World!

Grades K-6  
Mrs. Kistner

When you join this interactive class, you will learn engineering methods through challenges using LEGO and K'Nex. Explore science and math concepts that will help you build the best structures as you learn to Engineer Your World!

#### Webkinz - Dog Days!

Grades K-6  
Mrs. Lillie

Discover the safe and magical world of Webkinz, where you will adopt a stuffed pet dog and see it come to life online! Learn about dog breeds, responsibility, math, reading and money management through fun educational online games and many hands-on art activities!

#### Adventures in Chemistry!

Grades 3-6  
Ms. Oilund

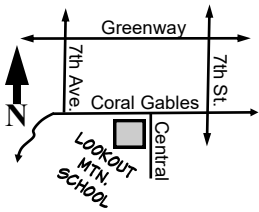

In this hands-on science class, you will have an adventure as you learn about chemistry while creating fun and ooey-goey projects such as slime, rock candy and milk plastics. Think like a Proton.....stay Positive and sign up for this awesome class!
