

# SUMMER LEGO CAMP

Join Bonanza Educational for our 10th summer of LEGO-based STEM and Creativity summer camps. Camp is for students 1st-6th grade & features a variety of activities that use LEGO to learn STEM skills and develop our creative capacities, including: LEGO Mindstorms Robotics, LEGO engineering, LEGO movie making, as well as art collaborative activities.

Featuring six hours of structured lessons and a one-hour "Exploration Hour" where students choose where to experiment in the topic they were most interested. Please leave your LEGO and electronics at home--we'll bring everything else you'll need.

 WHERE 	 31 WHEN 	 ABOUT
