

# Coding with Kids

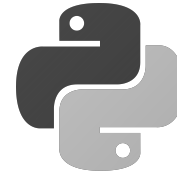

## CLASS AT LOOKOUT MOUNTAIN ELEMENTARY SCHOOL

GAME DEVELOPMENT / PYTHON I/II

Grades 3 - 6

**Fri, 3:25pm-4:25pm**  
**Jan 25 - Mar 15**  
**\$159 / 8-week session**

Open to students of all experience levels, Python offers a great entry-point to learn a versatile, professional-level programming language. This class teaches everything from basic syntax to more complex concepts, such as object-oriented development. These tools will be used to create a variety of games, like space invaders and tic-tac-toe. Students just starting out with programming will receive an easy introduction to the core concepts with Scratch, an easy-to-use drag-and-drop programming tool.

**Registrations at [www.CodingWithKids.com/session/9750](http://www.CodingWithKids.com/session/9750)**

These classes are offered in partnership with the WESD Enrichment Program. Questions? [www.codingwithkids.com](http://www.codingwithkids.com) or 845.663.7364

**Coding with Kids**

Computer Programming Academy for ages 5-18
