Back-to-school is in full swing at Young Rembrandts, as we present drawing lessons that encompass a fascinating world of color, pattern, and design. Students will strengthen their marker rendering skills as they draw a detailed gumball machine. A drawing of a sandwich will make them hunger for more art. We'll travel back in time to the age of the pharaohs as we illustrate a decorative, Egyptian headdress. An illustration celebrating the fall season will introduce our colorists to warm and cool colors. All this and more await your child in a Young Rembrandts classroom! Sign up today!
