

After-School Academy-To-Go!

at LOOKOUT MOUNTAIN SCHOOL

Welcome students from Lookout Mtn. School & surrounding communities!

FALL 2020 SESSION

Begins September 8, 2020

8-Week Session \$90 per class

Online Distance Learning

After-School Google Meets Class Days:

Tuesdays or Thursdays

3:30 p.m. to 4:45 p.m.

To ensure a quality and safe experience for each child, these classes will be crafted by Certified Teachers from Lookout Mountain School and delivered in an online distance learning format. Class Supply Kits will be available to pick up the week prior to class start date.

Tuesday Google Meets Classes*

Sept. 8 - Nov. 10

Thursday Google Meets Classes*

Sept. 10 - Nov. 12

A Book About ME!

**Grades K-6
Ms. Darden**

Did you hear the news? YOU are AWESOME! Join this creative writing class to tell your story in an illustrated book! Learn the creative writing process, how to write about your feelings, and explore your unique art style. We use the Buddy The Book® program to craft a one-of-a-kind book about YOU! Learn more at www.buddy.book.com. (Supply Kit Pickup Required.)

Fizz & Buzz- STEAM Workshop!

**Grades 2-6
Ms. Charette**

Have you ever wondered how bees make honey, why soda is fizzy, or if you can power a car with candy? Join this hands-on class to experiment and learn the answers to these questions... and more! Each student in this STEAM class will get a Spangler Science® kit, and other exciting resources will also be used. (Supply Kit Pickup Required.)

Break Out Lab!

**Grades 3-6
Ms. Weeks**

Join this interactive online class and enjoy the fun of an escape room with educational games and virtual challenges! Learn team-work, critical thinking and problem solving skills while using the Break Out EDU® program and more. Learn more at www.breakoutedu.com/ (No Supply Kit Pickup Required.)

Build A Better World- LEGO!

**Grades 2-6
Ms. Kistner**

Imagine a world where kindness and community awareness reign supreme! In this class, plan to challenge yourself with team-building games and hands-on building design challenges. Explore while using Bristlebot® mini robots and your LEGO® blocks! Learn to build new and exciting projects with your own LEGO® blocks in this at-home class! (Supply Kit Pickup Required.)

Crash-Bang-Boom- Exploring Physics!

**Grades 2-6
Ms. Charette**

Join this hands-on class to learn about gravity and energy, as you balance elevator nails on one! Amaze your friends with tricks like Exploding Sticks, Invisible Spinning Top, Spoon and Fork Balance, and more. Each student in this class will get a Spangler Science® kit, and other great resources will also be used. (Supply Kit Pickup Required.)

Registration Deadline:

August 28, 2020
