

Washington Elementary School District #6

School Advisory Site Council Application

The purpose of the school advisory site councils as stated in District Policy KAC-R-2 is:

"Each site council shall participate in an advisory capacity in the planning, development, implementation and assessment of the school's educational program, including support services. Advisory areas may include instructional methods, standards for student behavior, reporting student progress, student activities, home/school communications, staff selection, budget, facilities and other support activities. In addition, each site council shall have a representative to the District Advisory Coordinating Council."

School Name: _____
