### Principal's Message

As the principal of Mountain View School, it is my pleasure to welcome everyone to the coming school year. We will embark upon a "journey to excellence" as we work to provide the most effective teaching and learning environment to support your students and community.

Your support of our students and staff is very valuable for us as we continue to build our "HAWK PRIDE." Please plan to attend at least one school function throughout the year in order to be a part of our positive focus in supporting our students. These events will be communicated via newsletters,, emails, and dial-outs.

All rules and expectations are put into place to ensure a safe and inviting environment in which all students will learn. It is our desire that all students feel safe at school and feel empowered to achieve academic excellence. We ask that you support our efforts to provide the best educational experience for all students at Mountain View School.

### CHILD DROP OFF AND PICK UP

When dropping off or picking up your child, you must use the car bay located on 9<sup>th</sup> Ave. on the west side of the school. No students may be dropped off or picked up in any parking lot. **DO NOT GET OUT OF YOUR VEHICLE WHILE YOU ARE IN THE CAR BAY.** Please remember that handicapped parking spaces are only for vehicles with a handicapped plate.

Student safety will determine the exact dismissal area for students who walk home. All students and parents who live west of 9<sup>th</sup> Ave. and north of Mountain View must cross at 9<sup>th</sup> Ave. and Cheryl, 9<sup>th</sup> Ave. and North Lane, or 9<sup>th</sup> Ave. and Peoria crosswalks

### Dismissal Plans

To ensure that the office staff has time to notify all the parties of the change to your students' dismissal plan, we will not be able to take same day dismissal plan changes Monday, Tuesday, Thursday and Friday after 1:30 p.m. or Wednesday after 12:00 p.m. If you are making changes to the dismissal plan, you will need to come into the front office and provide a valid form of identification to the front office staff to make that change in your student's dismissal plan.

### Bicycles

Bicycles must be locked and parked in the racks provided. Mountain View cannot assume financial responsibility for bicycles that are lost or stolen. Bicycles are to be walked across major streets. Bicycles are not permitted on the sidewalks or in the building area of Mountain View. Riders who violate school bicycle rules will lose the privilege of riding their bike to school.

### School Attendance

Mountain View School pays strict attention to the attendance of our students. State law mandates that the school record reasons for all student absences. Therefore, when a student is absent, it is necessary for the parent to call the school (602-347-4111) on or before the day of absence in order to advise the school as to the reason for the absence. All absences not verified by parental or administrative authorization will remain unexcused. If a parent does not have access to a phone, either at home or at work, a note will be accepted for verification purposes. For absences greater than one day in length, the school should be notified each day of the absence. Students cannot be signed out for the day after 2:10 p.m. on Monday, Tuesday, Thursday and Friday or after 12:40 p.m. on Wednesdays.

### Truancy

In order to assure students are successful and meet current state legislation, which requires all students to attend 90% of the school year, WESD has an Attendance Unit (AU). The AU will work in conjunction with the Justice Courts to identify students who are chronically absent or are truant.

### Tardies

All campus gates are locked at 7:30 a.m. Students arriving to school after 7:30 a.m. are considered tardy and must report to the front office to get a tardy slip. Tardiness will not be a problem for students who use their time wisely, have a positive attitude toward being on time, and make being on time a habit.

### Breakfast and Lunch

Once the gates open at 7:15 a.m., students will report to their homeroom class for breakfast. Students arriving after 7:30 a.m. will not be guaranteed breakfast at school. Breakfast and lunch are free for all students.

### Lost and Damaged Textbook/Equipment Charges

It is important that our students take proper care of all books and equipment assigned to them during the school year. If books or equipment are lost or damaged, the cost of that item will be billed to the parent.

### Parents/Guardians on Campus

Mountain View is a closed campus. Therefore, parents and/or guardians must have a pre-scheduled appointment with their

child's classroom teacher prior to meeting with them. Parents/guardians must present a valid photo ID as part of the campus visitation process.

## **DRESS CODE AND STUDENT IDS**

**ID Cards:** All Mountain View students are required to wear IDs while on the Mountain View campus and on buses. Students will be provided a picture ID at the beginning of the school year at no cost. Students will be checked for compliance during first period and throughout the school day. If a student does not comply with the school dress code in wearing his or her ID card, the student will be disciplined accordingly. Students may not be allowed on the bus if an ID is not present. IDs must be visible at all times, on student's lanyard, around the neck.

IDs are required at athletic events, getting on the bus, and entering campus from the buses. If students deface, destroy, render their ID unreadable or lose their ID, they will be required to purchase a replacement ID for \$2. Replacement lanyards and pouches are 50 cents.

### **Mandatory School Uniform Policy**

Mountain View is a uniform-only school, as adopted by the Mountain View School Site Council and consistent with Washington Elementary School District Governing Board policies and regulations (See District Section). The purpose of the policy is to enhance a positive, productive and safe school environment that contributes to increased student achievement. Additionally, the uniform and dress policy standards program has been determined to be in the best interest of our students.

**Uniform Opt-out Policy:** We believe that the uniform policy is what is best for all students.

Note: The administrators and faculty reserve the right to evaluate any clothing for health and safety concerns and may determine on a case-by-case basis that particular clothing presents a potential safety hazard or educational disruption. Those students who are dressed inappropriately must change to more appropriate attire and will receive proper disciplinary consequences. The dress code is in effect at all school events at Mountain View regardless of the time of day. With written administrative approval only, changes may be made to the designated uniform during the school year. Apparel and accessories deemed inappropriate by the administration will not be allowed.

### **Description of Uniform Requirements**

Communication among parents, school and student is a shared responsibility. The "Mountain View Newsletter" is emailed home once a month highlighting school and District news and activities. In addition, there are regularly scheduled "Family Nights" where important information is shared with those in attendance.

Mountain View staff will make contact with parents regarding positive behavior and achievement, as well as concerns in these areas.

## **MOUNTAIN VIEW DISCIPLINE POLICY**

The essence of effective discipline is a respect for authority, respect for self, and respect for rules. It is a self-attitude and control of behavior that begins at home, is maintained and reinforced at school, and is applied throughout life.

### **Consequences**

Mountain View believes that students have the freedom to make whatever choice they desire. This comes with the understanding that they are not free to choose their consequence. Consequences at Mountain View can include, but are not limited to: detention during school hours (including recess and lunch), after school intervention, community service, in-school suspension, and off campus suspension.

### **Mountain View PBIS/Progressive Discipline Plan**

It is the goal of Mountain View to provide all students with behavioral expectations that are clearly defined, taught and reinforced, to encourage positive relationships and exemplary citizenship. We implement PBIS (Positive Behavioral Interventions and Supports) in an effort to provide a proactive, research-based approach to prevent student behavioral problems in achieving social and learning goals.

When minor behaviors occur, staff redirect and reteach expected behaviors by providing students an opportunity to reflect on their actions. Minor behaviors often result in natural consequences and are used as learning opportunities in the classroom (Interventions 1-3 follow a step process in the classroom). When minor behaviors continue to present, students receive an office referral. The following process outlines our progressive discipline plan.
