I. Introduction

Thank you for your interest in using a Washington Elementary School District facility. Our District believes that public schools are owned and operated by and for its patrons; ideally, schools become an integral part of the community's intellectual and social expression and development. To this end, the Governing Board encourages the public use of school facilities in accordance with applicable laws and District policies/regulations. The laws, policies, and regulations that govern the use of District facilities are included in Appendix A.

The purpose of this handbook is to explain the procedures and rules regarding District facility use. If you have any questions, please do not hesitate to contact the District's Facility Use Coordinator at 602-347-2682.

II. Procedure for Requesting to Use a District Facility

A. Apply Online

To request use of a specific school or department building, please apply online at wesdschools.org; Community icon; Facility Use; click on the Application and Agreement and complete form or call the District's Facility Use Coordinator, at 602-347-2682 with any questions you may have.

1. Facility Use Application

Complete the application at least two (2) weeks prior to the date of the activity. Failure to do so may cause your application to be delayed or may prevent you from using a facility. Please be aware that the need for a WESD school or department to use its own facility may prevent the District from renting that facility to you. Understandably, school and District use of a facility takes precedence over any other use. Current renters in good standing will receive priority for rentals. By completing this form, you acknowledge that you have reviewed the terms stated in the WESD Facility Use Handbook and that you accept those terms as written.

2. Insurance

Pursuant to A.R.S. §15-1105 et. seq., the school facility user obtains, at his/ her own expense, a policy of general liability insurance. For purposes of this agreement, "occurring in connection with user's use of any portion of the facility" means that the injury, death, or property damage in question occurred because user and its employees, invitees, representatives and affiliates were present at or used in any manner the facility. As such, this terminology shall be given the broadest reading and interpretation possible by any court of competent jurisdiction. Said insurance must be maintained for the duration of the facilities use period; it must include the Washington Elementary School District 4650 W. Sweetwater, Glendale, AZ as an "additional insured" and be primary and non-contributing to any coverage maintained by the District. The insurance must include the following limits:

- Comprehensive general liability insurance with a limit of no less than \$1,000,000. per occurrence and \$2,000,000 aggregate coverage, with a deductible of no more than \$5,000.
- Bodily injury insurance with a limit of no less than \$1,000,000

per occurrence.

In addition, facility users must maintain such insurance that fully protects the user group and the District from any and all claims. under any workers' compensation statute or unemployment compensation laws, if applicable.

If a user does not have insurance coverage, he or she has the option of purchasing the necessary general liability coverage. through the Arizona School Risk Retention Trust. For further information, please contact the Facility Use Coordinator for coverage options. User shall provide the District with a certificate evidencing that such insurance coverage is in effect.

The "Facility Use Application" will not be approved without the required proof of insurance

3. Liability and Indemnity

User agrees to conduct its activities in the facility in a careful and safe manner. As a material part of the consideration to the District, user hereby assumes all risk of damage to and loss or theft of property, and injury or death to persons related to user's use or occupancy of any portion of the facility or any of its contents from any cause whatsoever – whether in whole or in part, and user hereby waives all claims in respect thereof against the Washington Elementary School District. User shall indemnify, defend, and hold harmless the District and all of its employees, agents, and representatives from any and all claims, demands, suits, actions, proceedings, losses, costs, and damages of every kind and description, including any attorney's fees and/or litigation expenses, which may be brought or made against or incurred by the District, on account of loss or damages to any property and for injury to or death of any person arising out of any act or omission by user, its employees, agents, representatives, or subcontractors, or otherwise arising out of such use of the facility, or arising out of workers' compensation claims or unemployment disability compensation claims of employees of user or out of claims under similar such laws.

The number of hours and staff required for each event will be determined by the WESD Facility Use Coordinator. Hourly custodial staffing rates are listed on the Facility Use Fee Structure. The group will be invoiced for all staffing charges at the time of the facility use approval. Additional staffing charges may be invoiced if applicable. No gratuities may be accepted by WESD Staff.

C. Wait for Approval from the Facility Use Coordinator

After reviewing the submitted application and conferring with the appropriate principal or department head regarding your request, the Facility Use Coordinator will notify you via e-mail of your approval

It will reflect the fees you are being charged, based on the current Facility Use Fee Schedule, and it will include your invoice for remittance of fees. **Payment is due upon receipt and must be made in advance of facility use.** Online payments may be made through the WESD Web site at wesdonlinepayments.revtrak.net/facuse.
