

Have You Heard the News?!

Thanks to a grant received from First Things First – Northwest Maricopa Region, the WRIC has a third location!!!

We are SO excited to be given this opportunity to support more families within the Northwest Maricopa Region!

From 2011 - 2018, the WRIC supported families with children ages birth – five years with a team of three staff and thanks to additional funding from First Things First – Phoenix North Region, we were able to bring Jacquie Guerrero on board for the 2018-2019 school year!

Now, with our new Northwest Region funding, we have been lucky enough to welcome Carmen Joseph and Maria Caldera!

The passion, knowledge and skills these three ladies possess are top notch and we are confident that the WRIC will continue to be a leader within the family support and early childhood communities!
