

PRINCIPAL'S LETTER

Welcome to another great year at Lakeview Elementary School! I would encourage you to become familiar with this handbook. Review it with your children, and we hope that together we can continue to collaborate in fostering an environment most appropriate for learning. We suggest that this book be kept in a safe place so that it may be referred to periodically.

Mission Statement/Philosophy

Our Lakeview School Community mission is to CREATE an educational experience that will guide a child through life.

We will:

- C**elebrate the joy of learning through relevant, integrated curriculum
- R**espect ourselves, our community and our place in it
- E**ncourage and motivate each child to reach his or her potential
- A**chieve a school/home partnership that will enhance the well-being of each individual
- T**ogether provide a safe and positive environment where learning is the primary focus
- E**ncourage problem-solving, critical thinking and citizenship skills through cooperative learning

Vision

To provide a school climate that allows every student the opportunity to grow and thrive.

Goal

Our purpose is to help students become lifelong learners by helping each child become responsible for his or her learning. As a staff we will do our best to deliver instruction at the children's level and then challenge them to achieve even higher by engaging them and providing them with explicit and effective instruction.

School Attendance/Reporting Absences

Parents are responsible for notifying the school by calling 602-896-5811. Parents must state the *reason* for the absence. Reasons must be specific; for example, stomachache, respiratory infection, headache, etc. Non-illness reasons must also be specified; e.g., vacation, death in family, no transportation, etc. Specific reasons for absences are needed as all absences are coded. Absences without notification from the parent are unexcused and considered truancy.

In order to assure students are successful and meet current state legislation, which requires all students to attend 90% of the school year, WESD has an Attendance Unit (AU). The AU will work in conjunction with the City Justice Courts to identify student and parents of students who are chronically absent or are truant.

When a student reaches five unexcused/unverified trancies or 10 total absences, the school may make a referral to the AU for appropriate actions (see District guidelines). In order to avoid this eventuality, there are several precautions to take: (1) reinforce being on time and good attendance, (2) call the school each time a student will be late or absent, (3) present any medical documentation to the health technician and/or attendance clerk if illness will be a consistent, foreseeable issue.

An attendance letter will be sent by the school to the parents/guardians of students who are approaching or pass the midway point for unexcused absences, excused absences and tardies. Parent cooperation is of the utmost importance in assuring student success.

Early Student Pick Up

Daily student attendance is essential to academic success. We understand, though, there are situations that may require a student to leave early from school such as doctor's appointments and family emergencies. In order to maximize student attendance we suggest the following:

- Make appointments at times that minimize academic disruptions.
- Avoid pulling students out for non-health related or non-emergency situations.

As a courtesy, please send written notification to the school if your student will be leaving before dismissal time. This will help the teacher and front office prepare accordingly for the dismissal.

Students will no longer be excused from class if the time falls within 15 minutes of dismissal unless there is an urgent matter or medical appointment. The final minutes of any class serve as a time to review and explain homework. Students who habitually leave 15-30 minutes early suffer from a lack of information and directions that are essential to their academic success.

Late Student Pick Up

It is the responsibility of parents and guardians to schedule and arrange for student pick up on time. Students cannot be supervised in the front office. Students who are habitually not picked up within one hour of dismissal will be referred to the Phoenix Police Department and Child Protective Services.

Lost and Damaged Textbook Charges

All students will be issued necessary textbooks and initial supplies at no cost. Students are responsible for replacement of vandalized, lost, or stolen textbooks and supplies.

Dress Code (also see District Student Dress section)

The purpose of having a dress code is to maintain an appropriate environment for instruction. Therefore, any student's dress or personal appearance that distracts or interferes with the learning process will be considered inappropriate. Students must adhere to the following guidelines for all school-related activities:

1. Shoes must be worn at all times. No flip-flops or thong sandals will be allowed due to safety precautions.
2. Belts, wristbands or other apparel with studs, flat or raised, are not permitted.
3. Chains and chains on wallets may not be worn.
4. Sports jerseys and tank tops may be worn on campus but shall not reveal undergarments or expose body parts.
5. Hats, caps, hoodies and/or sunglasses are not to be worn inside any building. There will be occasions in which students may wear them outside during recess.
6. Belts are to be the appropriate length and not hanging from the waistline.
7. Makeup, hair spray, perfume, combs and brushes are not to be used in classrooms or the cafeteria.
8. All backpacks, notebooks, jewelry, clothing, etc. must be free of any references to drugs, sex, violence or inappropriate or suggestive messages.
9. Hair spikes must not exceed two inches in length.

The administration reserves the right to determine which types of dress are acceptable. Students will receive a warning for dress code violation and may receive additional consequences for continued disregard of dress code standards. Students may be asked to call home for a change of appropriate clothing, asked to turn the clothing inside out, or they may be provided a suitable article of clothing to wear during school hours when a change of clothes cannot be brought.

Bullying and Harassment

We take bullying seriously and do not tolerate any behavior where others feel demeaned and threatened. If there is an issue involving bullying, please report it right away to the classroom teacher or to the administration. You can also use the Silent Witness hotline (602-864-3870, then dial Lakeview's four-digit extension number 4211). There is also a form of complaint that will be required to be completed in the principal's office.

Reading Initiative

Lakeview values daily reading as a gateway to success. Students who become avid lifelong readers will experience an enriching future. In order to foster lifelong reading habits:

- Each student will be expected to read or be read to at home daily depending on the grade level.
- Students will read books that align to their reading level.
- Students will read for interest and enjoyment.
- Reading times and expectations will differ by grade level.

Makeup Work

1. When a student is absent, it is the student's responsibility to talk with his or her teachers to obtain missed assignments.
2. Parents may request assignments for their children if absent two or more days. They should make the request with the school office staff before 9:00 a.m. and plan to pick up the material after school in the school office. If the request is received after 9:00 a.m., homework may be picked up the following day. Please do not go to the classroom to pick up assignments. We will be happy to have them in the office for you.

PTA

The Lakeview PTA is an enthusiastic group of parents, grandparents, guardians and staff who support Lakeview's programs. PTA sponsors social events. Funds raised by the PTA provide Lakeview with equipment and additional programs not included in the District budget. The Lakeview PTA is affiliated with the State and National PTA organization. Lakeview's PTA welcomes your active support. Membership applications and volunteer forms are distributed by the PTA.

Site Council

The Lakeview Site Council consists of five parents, five teachers, one support staff member, one community member and one administrator. The site council makes important recommendations to the principal concerning budget preparation, improvement plans, hiring staff members, etc.

The meetings are open to the public. When a position becomes available, it is listed in the *Ripples*.

School Newsletter

1. The Lakeview *Ripples* is distributed monthly.
2. The Lakeview *Ripples* has articles and items of interest and importance to you. Each of the *Ripples* is also posted on the Lakeview Web page and sent via PeachJar.
3. Each Lakeview *Ripples* includes a calendar of upcoming school and community events.

Student Telephone Use

The office telephone is for school business. Students are to use the telephone in the classroom with teacher permission and supervision. Cell phones are allowed on campus per Lakeview's student/parent signed Cell Phone Agreement Contract. Cell phones are not allowed to be used during the instructional day while on campus.

Student Government

The Student Council is elected and voted on by students from fourth, fifth and sixth grades. Classroom representatives meet with school officers to discuss school-wide rules and plan events and assemblies. Student Council raises money for special school projects. Lakeview staff members act as Student Council Advisors.

To qualify for an office on the Student Council students must demonstrate qualities of leadership, good behavior, citizenship, good attendance, and a "C" grade point average. The student must also have a teacher recommendation for the office in which they are interested in running.

School Parties/Birthdays

There will be designated holiday or seasonal party times during the school year. Teachers in grades K-6 will determine which parties they will host. Most birthday celebrations will be conducted toward the end of the school day

Parents must make arrangements with their child's teacher to send in prepackaged birthday treats from the WESD Food Guidelines list. We recommend that cupcakes not be brought in as a treat. **Please do not send flowers, balloon bouquets, lunches, or select invitations to parties. These items may create interruptions and/or hurt feelings. Flowers and balloons are not allowed on campus.**

KidSpace

KidSpace, before- and after-school programs are high quality, developmentally appropriate programs for kindergarten through sixth grade children. KidSpace is a fee-based program supported by the tuition paid by parents, subsidies from government agencies such as DES and grants, and are operated by employees of the Washington Elementary School District.

The KidSpace program operates under specific health and safety regulations as designated by the Arizona Department of Health Services (DHS) and meet very specific licensing regulations.

Please contact the KidSpace program at 602-896-5858 for additional information on fees and registration.

Grading Criteria

Individual teachers will publish their grading criteria for students and parents. Grades K-2 use a standards-based report card. Grades 3-6 have a traditional scoring scale based on percentages.

Perfect Attendance

Student attendance is important. Students with perfect attendance for the entire year may qualify for the Washington Elementary School District Perfect Attendance Award.

Honor Roll/Principal's List

Academic Honors can be earned in grades 3-6. There are two levels of recognition. The **Principal's List** is the highest and recognizes 3rd, 4th, 5th and 6th grade students who have a grade average (G.P.A.) of 1.0. The **Honor Roll** recognizes 3rd, 4th, 5th and 6th grade students who have a G.P.A. of 1.1-1.5 To earn either recognition, a student may not receive any 4s or 5s or Ns on his or her report card.

Certificates are awarded to the students. Students are recognized during morning announcements.

Improvement Certificate

Students in 3rd to 6th grades who are not on the Principal's List or Honor Roll may receive a Certificate of Improvement or Academic Achievement certificate by improving in two subject areas in a grading period. Students cannot have any 5s or Ns on their report card during the grading period.

Students will receive a certificate and are recognized during the morning announcements.

Student of the Month

Students in kindergarten through sixth grade may be recognized by their teacher as "Students of the Month." Goals for the Student of the Month are:

- ◆ To demonstrate exceptional progress in academics or work habits;
- ◆ To demonstrate a significant improvement in behavior as it relates to the six pillars of Character Counts;
- ◆ To have an exemplary attendance for the month.

Students of the Month will receive an invitation from their teachers. The invitation will briefly describe why the student was selected and congratulate him or her on their achievement.
