

PRINCIPAL'S LETTER

Welcome to Moon Mountain School, home of the Coyotes!

At Moon Mountain, we are proud of the school atmosphere we have created to challenge our students and to meet their individual needs. We strive to create a learning climate that encourages student achievement and fosters a positive learning community.

We invite you to become actively involved in your child's education. There are many opportunities for you to contribute. Please consider joining the PTSA or serving on one of the many committees, along with volunteering in your child's classroom. We are always seeking ways to add to the many dedicated volunteers we have on our campus! Contact your child's teacher if you are interested in the volunteer opportunities at Moon Mountain.

Our goals of academic excellence and providing students with a nurturing environment can become reality when staff and parents work together in an atmosphere of communication. Look for current school information in the Thursday *Go-Home* folder your child will bring home weekly. Feel free to contact me regarding concerns or questions you may have. I look forward to meeting and talking with parents and students.

Thank you for your ongoing commitment to the Moon Mountain community.

Cordially,
Dawna Dohogne, Principal

VISION/MISSION STATEMENT

Our Vision

Nurture the Spark* Cultivate Potential* Guide the Journey

Our Mission

Moon Mountain's staff is committed to nurturing the whole child within the context of school, family and community. We will promote an academic, healthy, and creative environment of learning, belonging and safety. We will work cooperatively to provide child-centered instruction that challenges and guides each student on a pathway toward his or her individual potential. We will inspire life-long learners who will utilize knowledge and experience to become productive, competent, and successful members of our global society.

Attendance Line: 602-896-6011

FAX: 602-896-6020

School Web site: <http://moonmountain.wesdschools.org>

Office Hours: 7:00 a.m.-3:30 p.m.

Wednesdays only: 7:00 a.m.-2:30 p.m.

School Hours: 7:30 a.m.-2:30 p.m.

Student Arrival: 7:15 a.m.
(Teachers are on duty and students may be on the playground.)
Students assemble for class: 7:25 a.m.
Students in seats: 7:30 a.m.
Early Release Wednesdays: 1:00 p.m.
Head Start: 7:30 a.m. - 2:30 p.m. (**Monday, Tuesday, Thursday and Friday**) **7:30 - 10:30 a.m. (Wednesday)**
Preschool: (Monday, Tuesday, Thursday and Friday)
7:30 a.m.-2:30 p.m./11:00 a.m.-1:30 p.m.

Attendance/Tuancy

In order to assure students are successful and meet current state legislation, which requires all students to attend 90% of the school year, WESD has an Attendance Unit (AU). The AU will work in conjunction with the City Justice Courts to identify students who are chronically absent or are truant.

When a student reaches five unexcused/unverified trancies, 10 total absences, the school may make a referral to the AU for appropriate actions (see District guidelines). **In order to avoid this eventuality, there are several precautions to take: (1) reinforce being on time and good attendance, (2) call the school each time a student will be absent, (3) present any medical documentation to the health technician and/or attendance clerk if illness will be a consistent, foreseeable issue.**

An attendance letter will be sent by the school to the families of students who are approaching or pass the midway point for unexcused absences, excused absences and tardies. Parent cooperation is of the utmost importance in assuring student success.

Medications

A student should not transport medications, including over-the-counter medications, to or from school. An adult should bring medicines to the health office in the original pharmacy container and fill out the appropriate paperwork with written parent permission. The ONLY medication given to the student is what has been provided by the parent, following District guidelines.

Breakfast/Lunch Information

Parents, you are always welcome to have lunch with your child. If you are coming to lunch, you must sign in at the office and obtain a visitor's badge.

Moon Mountain provides universal free breakfast and lunch.

Breakfast is served in the classroom at 7:30 a.m.

Specific rules for the cafeteria include:

- Follow directions and be respectful.
- No running, horseplay or throwing food.
- Use classroom voices.
- Raise your hand to use the restroom.
- **Leave your area clean, including the floor.**
- All food must remain in the cafeteria. No food should be taken to the playground.

VOLUNTEERS/VISITORS

Due to current health concerns, the principal may restrict access to visitors at any point in the school year to keep our students and staff safe by physically distancing and/or meeting health department requirements.

Site Council

Moon Mountain Site Council meets once every month. The composition of this council is an equal number of teachers and parents. Terms last for two years and announcements are made when new parent and teacher positions become open. These are open meetings that any parent may attend.

Parent Organizations

The Parent Teacher Student Association (PTSA) meets monthly and is actively involved in financing and supporting Moon Mountain School activities. They are also available for school and teacher requests for funds to support special projects. General meetings of the Moon Mountain PTSA are held throughout the year and focus on student participation programs or major school events. All Moon Mountain parents are encouraged and invited to join and become active in the Moon Mountain PTSA. PTSA meetings will be announced through the school newsletters and our Web site.

School Newsletter/Go-home Folder

The school newsletter is sent home once a month. Go-home folders are sent home each Thursday. They include both school and District information, as well as specific information from your child's homeroom teacher. Please take time to read all the materials, sign in the appropriate space on the back and return the folder each Friday morning.

GRADING/HONORS/AWARDS

Makeup Work Policy

When students are absent, it is their responsibility to talk with their teachers to obtain missed assignments. Teachers will cooperate with the students in getting their assignments. Students should complete missed assignments and turn them in to their teachers. Assignments can be requested after three days of absence. Students are allowed extra time to complete these assignments equal to the number of days they were absent.

Academic Honors

Academic Excellence:

1.0 grade point average – no Ns or Us

Principal's List:

1.1 – 1.5 grade point average – no Ds or Fs – no Ns or Us

Honor Roll:

1.6 – 2.0 grade point average – no Ds or Fs – no Ns or Us

Quarterly assemblies for academic achievement:

3rd, 4th, 5th and 6th grades

Student of the Month - Grades 3 - 6

Student of the Month breakfasts are held every month to honor students who have been chosen by their teachers as students who are modeling both good effort and citizenship.

Moon Mountain Homework Guidelines

Homework supports student learning, by reviewing and practicing skills taught in reading, writing and math. Students should not spend more than 30 minutes each evening on homework. Any special projects assigned throughout the year are explained during student orientation or with a letter sent home.

Children who consistently do not complete homework can expect to earn an N or U on their report card for work habits.

Perfect Attendance

Students with perfect attendance are recognized each quarter. Students with perfect attendance all year receive special recognition in May. Perfect attendance includes no tardies or early sign-outs.

*****Parents are invited to attend all celebrations.***

STUDENT DISCIPLINE/BEHAVIOR

Expectations/Make Your Day Program

The system encourages students to take responsibility for their own actions and academic performance. Emphasis is placed on the importance of each student working to his or her own ability level. The program allows all students to make mistakes without cumulative punitive action. It provides time for thought and direction. Effort is expected and rewarded, and the program offers frequent, positive feedback. The program allows students to make decisions that develop critical thinking skills. School-wide appropriate behaviors are expected as students are taught and expected to understand inappropriate behavior. The foundation of Make Your Day is that all students are capable of success. It fosters the philosophy that making appropriate choices at school will generate student success.

1. Students will exhibit positive behavior at all times by respecting the rights of others to learn in a safe environment.
2. Students will foster a safe environment by respecting school property, using it responsibly, and respecting the right of all students to a physically and emotionally safe environment.
3. Students are expected to choose positive alternatives to inappropriate behaviors (e.g., teacher assistance, avoidance of confrontations, and/or concerns during points).
4. Students are expected to be in class on time and to make proper use of the instructional setting by assuming the responsibility of being on-task and successfully completing all assignments, including homework.

Earning Points: Self and Peer Review Occur Daily

1. Students earn points inside the classroom by doing what is expected, staying on task, following directions, and maintaining a safe environment. Outside the classroom, students are expected to walk in the hallways, not to bother other people, and to play safely on the playground. At the conclusion of the designated instructional sessions, students are asked to review their own performance academically and behaviorally by awarding themselves

from 1-45 points (0-10 points in primary grades) for that period.

2. Once students have rated their performance, fellow students have an opportunity to give feedback to each other under teacher direction. Students may disagree with another's points for the purpose of improving the behavior if that person interfered with their learning or was doing something unsafe. Some classroom examples of interference would include talking, making noise, touching, getting up frequently, making faces, etc. *Teachers make final determination about concerns.* Students who remain on steps during the point review have the right to give their own points, defend concerns, but may not bring concerns about other's points, because students in this circumstance have forfeited their right to have concerns with other student's points.
3. An average of 45 points (10 per period in the primary grades) per day means the student has made his or her day and can receive a specific school reinforcement by the teacher and/or fellow student and school-wide recognition by the principal, including positive notes home to parents from teachers.
4. There are scheduled times when 50 points (13 points for primary grades) per session are possible allowing students to earn extra points.

Children coming to class unprepared or without basic learning materials can expect:

To earn a maximum of 40 points (intermediate) and may be given an alternate means to accomplish the classroom expectation.

Homework is given for the purpose of practice and reinforcement of classroom instruction. It is an extension of classroom instruction.

Children who come to school without homework could expect:

To earn a maximum of 40 points in the intermediate grades (4-6) and no fewer than eight points in third grade.

Dress Code

Student dress shall be appropriate at all times. **Moon Mountain adheres to the policies described in the STUDENT DRESS section of the WESD Parent/Student Handbook.** Any student's dress that distracts from or interferes with the normal learning process will be considered inappropriate. The decision as to whether or not such a condition exists, or a decision as to the course of action to be taken, shall be left to the reasonable discretion of the school administrators.

Moon Mountain employs the following guidelines when evaluating appropriate school attire. Flip-flops, backless shoes, and high heels are not appropriate footwear for the playground or campus. Tennis shoes with wheels are not allowed. All students must wear tennis shoes on the days their class has PE, or Make Your Day points and possibly grades will be affected. Sleeveless shirts should have at least a two inch strap. A shirt is too short if any part of the abdomen is showing when the student raises his or her hand above his or her head. Skirts/shorts must be longer than the length of the

fingertips when the arms are held straight down the side of the body. **Hats, caps and bandannas are not to be worn on campus except for during special spirit days.** If there is a medical reason for wearing a hat, the parents should contact the administration.

IDs

The Moon Mountain School ID is part of the dress code and must be worn at all times. Students should wear the school-issued, break-away lanyard. No outside lanyards are permitted. Students who forget their ID will be issued a one-day temporary and sit at the detention table during lunch. If a student does not have an ID for the second consecutive day, they will not receive a temporary and will not be able to ride the bus home. If the ID is lost, a new set can be purchased for \$2. Pouches and lanyards are 50 cents a piece and a Zpass costs \$1.

Items Not Allowed at School

Moon Mountain has a strict "No Gum or Candy" policy anywhere on campus. Any items brought from home for lunch must be eaten in the cafeteria during lunch or during a nutrition break provided by the teacher. Please refer to the classroom teacher's healthy snack ideas for approved items. Please see our Web site for a list of approved items.

Skateboards, rollerblades, scooters, skates and wheeled tennis shoes are not allowed on campus.

Toys (with the exception of those brought for teacher-directed activities), permanent markers, lasers, musical devices, electronic games/devices, and trading cards are not allowed on campus.

Personal sports equipment such as balls, bats and Frisbees should not be brought to school. The school will provide sports equipment for use on the playground.

Electronic reading devices such as Kindles, iPads and Nooks are prohibited due to the risks of possible damage or loss.

Weapons, whether real or toy/model are strictly prohibited and their possession will result in suspension or expulsion in accordance with District policy.

Possession or the use of tobacco, alcohol or drugs is prohibited and may result in suspension or expulsion in accordance with District policy.

Moon Mountain does not accept responsibility for prohibited items. They are not to be brought to school. Any confiscated items must be picked up by parents.

Cell Phone Policy

Students are not allowed to use cell phones on campus for any purpose, including receiving calls, taking pictures or text messaging. If you desire that your child carry a phone for non-school time emergency purposes, the phone must be turned off and kept, at the student's own risk, in his or her backpack. Any violations of this policy, including having the phone ring or emit any noise, will result in discipline. After the second occurrence, a parent will need to come to school and pick up the phone. Personal cell phone use on field trips will be clearly outlined by the grade level teams, and students must adhere to

the policies of their sponsors in order to remain eligible for future trips.

SCHOOL SAFETY

Moon Mountain has a crisis/lockdown plan in place in the event of an emergency. Fire and lockdown drills are conducted in accordance with District policy. If the need to evacuate the school should occur, students will be evacuated to a secure location. Parents, guardians and childcare providers will pick up students at the chosen location.

Handicap, Carpool, Apple Award Spaces/Pickup

Handicap spaces in the front of the school are reserved for those displaying a handicap license plate or placard because they need close access due to a handicapping condition. We have parents, guardians and/or students who may need access to these spaces at any given time. Maricopa County requires carpool spaces be reserved for those participating in the trip reduction program. We appreciate you leaving those spots available for carpooling staff. Moon Mountain recognizes outstanding staff members through the Apple Award Program. Winners receive the privilege of parking in a reserved spot. We appreciate you leaving the designated space available for employees receiving this honor. Please feel free to park in any non-reserved, open parking space and walk to the sidewalk to pick up your student. You may also enter the pickup line and wait for your turn to come around to the pickup area. Your child/ren will then enter your car from the curb. Please adhere to our parking lot drop-off and pickup rules for the safety of all students.

Bicycles

Students in grades K-2 are not permitted to ride bicycles to school. Students in grades 3-6 are allowed the privilege of riding their bicycles. Any student who abuses this privilege by using unsafe behavior will lose it. Bicycles must be secured by a lock in the bike rack. Moon Mountain is not responsible for loss of or damage to bicycles.

Crosswalks

There are three school zone crosswalks: in front of the school on 19th Avenue, behind the school at the corner of Willow and 17th Avenue, and on Voltaire in front of the bike rack area on 18th Avenue. Students are to follow the directions given by the crossing guards for their safety and well-being. Students are not permitted to cross at the light on 19th Avenue and Wood.

Our crossing guards are on duty at this crosswalk from 6:45-7:50 a.m. and 1:45-2:50 p.m. for all students.

Parent Pick Up and Drop Off:

Please use the parent drop-off lane in front of the school off of Voltaire. **THIS IS A DROP-OFF LANE ONLY AND NOT FOR PARKING.** Because this is also a fire lane, you will risk the chance of a ticket if you park and leave your car in this lane. When you drop off or pick up your child and you need to enter the school, please park in the parking lot. Our staff has reserved the front parking spaces for parents and other visitors.

Dismissal

Changes in dismissal CANNOT be made over the phone.

Please send your child with a signed note or email your child's teacher if there is to be a change in your child's dismissal plan prior to 12:00.

In an effort to minimize interruptions to the classrooms at the end of the day, students cannot be checked out any later than 2:15 p.m. This time is reserved for announcements, homework assignments and end-of-the-day instructions. Please keep this in mind when making appointments.

Olweus Bullying Prevention

OLWEUS BULLYING PREVENTION PROGRAM is part of our daily routine at Moon Mountain. This is in response to the Bullying Legislation in the State of Arizona. Bullying is considered a serious offense.

EVENTS/ACTIVITIES/PROGRAMS

Student Council

Students in grades 4, 5 and 6 elect a boy and girl to represent their homeroom. Officers can be either a fifth or sixth grader, except for president, who must be a sixth grade student. All student council members must meet set academic and behavior standards. These standards are explained to the students and their parents before they run for office. The school administration and student council sponsor reserve the right to remove students from office if these standards are not maintained. Student Council is a positive activity developing student leadership, responsibility and pride in students and their school.

Celebrations

Students in grades K-6 have classroom celebrations for special occasions. Celebrations are generally held the last hour of the school day. Parents will be notified by the homeroom parent and asked if they would like to make a contribution. Please contact your child's teacher before sending treats for your child's birthday so that the celebration can be planned into the day's activities. **ANY TREATS THAT ARE BROUGHT IN MUST BE FROM THE WESD APPROVED FOOD LIST.** Copies of the list are available on our school Web site or in the front office. Also, since learning is our primary goal, we will not accept balloons, stuffed animals or floral arrangements for individual students.

Activities

Parent involvement in a child's education is crucial. When parents get involved in their children's education, children are more likely to do better in school, be better behaved, have more positive attitudes toward school and grow up to be more successful in life. Below are some activities that will be scheduled throughout the year.

- Title One Learning Showcase
- Anti-bullying Activities/Events/Contests
- Turkey Trot
- Holiday Sing-a-long
- Field Days
- Talent Show
- Concerts
- Spelling Bee
- Spirit Week
