

## PRINCIPAL'S LETTER

August 2017,

Dear Parents, Students and Community Members,

Welcome to Shaw Butte School, home of the Hawks. We are extremely proud of our school and the programs we have designed to meet a wide variety of educational needs for children. We are committed to academic achievement and building fundamental skills in reading, math and language. We feel that a child's self-esteem, coupled with a safe supportive environment, enhances the learning experience. Our goals of academic excellence and positive self-esteem can become a reality when staff and parents work together in an atmosphere of communication and cooperation. We invite you to become actively involved in your child's education and look forward to an exciting and productive 2017-2018 school year.

Thank you for sharing your children with us and being part of our education team.

Together, WE can make a difference!

Sincerely,

Tracy Maynard and the Shaw Butte Elementary School Staff

**Vision: *Igniting a lifelong passion to inspire, learn and achieve together!***

**Mission: *Raise the Bar. Close the Gap. Accept NO Excuses.***

### **Core Values**

We, the staff of Shaw Butte, will...

- Accept responsibility for the learning of all children.
- Maintain high expectations for our students and ourselves.
- Ensure that all students are actively engaged in learning.
- Work in collegial and collaborative instructional teams.
- Utilize data to drive our instruction.

### **Instructional Practices**

The Shaw Butte staff, parents and Site Council continue to work diligently on school improvement. Our emphasis is in the areas of reading and math. Professional development will be provided throughout the year to give staff additional knowledge and training to implement our school improvement plan. Classroom instruction, special program support, professional development and academic interventions all focus on our goal of students achieving the Arizona Academic Standards.

The Shaw Butte staff understands that effective, comprehensive assessment to screen, diagnose, monitor and measure outcomes is essential to evaluate the effectiveness of our programs. We

will accomplish this by implementing procedures to collaboratively and individually identify instructional improvements related to our identified needs in the areas of reading and math. Teachers will utilize assessment results to make data-based instructional decisions.

## Bullying Reports

Bullying can be reported to all staff members on campus. There is a bully reporting form available in the front office. For more information or concerns with bullying please contact your child's teacher or our student services specialist.

## Truancy

In order to assure students are successful and meet current state legislation, which requires all students to attend 90% of the school year, WESD has a Truancy Prevention Unit (TPU). The TPU will work in conjunction with the City Justice Courts to identify student and parents of students who are chronically absent or are truant.

When a student reaches 10 total absences, the school may make a referral to the TPU for appropriate actions (see District guidelines). There are several precautions to take: (1) reinforce being on time and good attendance, (2) call the school each time a student will be late or absent, (3) present any medical documentation to the nurse and/or attendance clerk if illness will be a consistent, foreseeable issue.

A letter will be sent by the school to the parents/guardians of students who are approaching or pass the midway point for unexcused absences, excused absences and tardies. Parent cooperation is of the utmost importance in assuring student success.

## Dismissal Procedures

To ensure the safety and security of all students, parents are to wait outside of the school gates and should not pick up students at the classrooms during dismissal.

Extra care must be taken to ensure safety in the parking lot. Vehicles enter and exit the main parking lot from 21<sup>st</sup> Avenue.

## STUDENT DISCIPLINE/BEHAVIOR

### Make Your Day/Expectations

The Make Your Day program exists to provide a consistent campus management system for all classes. It demonstrates that teachers hold high expectations for all students and is a citizenship system, not merely a discipline plan. Make Your Day centers on two rules: (1) Students are to do what is expected of them and they are to do it to the best of their ability. (2) No student has the right to interfere with the learning or safety of other students. The Make Your Day program consists of student-earned points and utilizes a five- step process. Please see the District portion of this handbook for more information on behavior expectations and examples of inappropriate behavior.

Through the Make Your Day Program, staff members are expected to state expectations and follow through with teaching student responsibility by allowing students to make choices and then see the consequences of those choices. If your child chooses to interfere with the learning or safety of others, he or she will choose Steps.

There are Five Steps. Steps are a positive approach for students to reflect and refocus. Step 1 is a place in the room where a child is sitting and facing away from the learning environment for a brief period. If he or she does not do what is expected on **Step 1**, he or she will choose Step 2. **Step 2** is a place where the child is standing and facing away from the learning environment. If he or she does not do what is expected on Step 2, then he or she chooses Step 3. **Step 3** is a place where the child is standing and looking at a focal point and is facing away from the learning environment. If a child does not do what is expected on Step 3, he or she chooses Step 4. **Step 4** is where the child goes to sit in the Make Your Day room or a “Buddy” room and places a call home. When a child chooses Step 4, he or she chooses to have a parent come to school for a Step 4 Conference. This must be completed before the student can return to class. A Step 4 meeting is simply a five-minute

meeting between the parent, child and staff member to discuss what that child must do to make better choices.

There are certain behaviors that are grounds for an Automatic Step 4 or Step 5 (a student goes straight to the Make Your Day room and skips Steps 1, 2 and 3). These behaviors include but are not limited to: fighting/physical violence; verbal/nonverbal intimidation or threats; any type of harassment (sexual or other) including threatening behavior; defiance towards a staff member; willful tampering with, abusing, or destroying school or private property; and stealing (depending on the severity). The following behaviors will result in a Step 5: possession and/or use of tobacco, matches or lighters; alcohol, illegal drugs or related paraphernalia; and/or possession and/or use of illegal weapons, knives, Chinese stars, stink bombs, firecrackers, or other dangerous objects. Severe theft/vandalism, severe threats, or severe classroom disruption can also warrant a Step 5. A Step 5 is either an in- or out-of-school suspension. For a Step 5, the student service specialist or administrator will contact the parent/guardian, send a Step 5 letter home, and, if necessary, set a time/date for a meeting between the parent and administrator. Please refer to the Discipline Policy portion of the handbook.

The other component of the Make Your Day program at Shaw Butte is points. Each student starts the day with zero points and has the opportunity to earn points during different periods of the day for doing what is expected the best that he or she can. Kindergarten - second grade students can earn up to 10 points during each point period. Third - sixth grade students can earn up to 45 points during each point period. Students can earn up to 6-10 extra points during morning points and lunch/recess. Students in grades K-2 may choose not to earn up to six points and can still Make Their Day. Students in grades 3-6 may choose not to earn up to 10 points and still make their day. If the student does not make his or her day, he or she will bring a note home to you so you will have the opportunity to talk with your child about making better choices the next school day. PLEASE SIGN THE NOTE AND RETURN IT TO SCHOOL so that the teacher knows the communication has been made.
