

**"Be a Better ME;
Make a Better YOU"**

Dear Parents and Students,

Arroyo Elementary School welcomes you to the 2018-2019 school year. Our staff invites you to become an active participant in your child's education. Your support is essential in providing your child with a quality education.

We believe that it is our responsibility, as educators, to stimulate, challenge and instill confidence, create a desire for lifelong learning, and teach the responsibilities of good citizenship for all students.

This handbook is designed to acquaint you with YOUR school and District. Obviously, it can't answer all your questions or concerns, and we urge you to pick up the phone or come to school when the need arises. As YOUR principal, I look forward to meeting you and assisting in any way possible. I can be reached by phone (602-896-5105), e-mail (Philip.liles@wesdschools.org), or in person.

This year is especially exciting as we will begin construction on a new school in the spring of 2019! Our goal is to communicate with you throughout the entire process; please pay attention to flyers, emails, dial-outs and social media for information.

It is our desire to Honor one another; demonstrate Ownership for all; Work hard; and engage in Lifelong learning. So, in Arroyo tradition - HOWLLLLL,

Philip Liles

Principal

Parent Involvement

We encourage parents to get involved in their child's education. We welcome parents on our campus whenever possible (lunch, classroom help, meetings/forums, celebrations, recognition assemblies, field trips, "Coffee with the Principal," PTA events, concerts, sporting events, etc.). Please sign in at the office and get a visitor's badge before entering campus. Any parent interested in volunteering (including field trips) must fill out the Volunteer Handbook at least two days prior to the event. In addition, please dress appropriately for participating in a school activity. A good rule of thumb would be to follow the student dress code as closely as possible.

Classroom Interruptions

Our staff is committed to maximizing opportunities for your child to learn each day. We appreciate your support in getting your child to school on time, ready to learn. In addition, we ask that you do not sign out your child with less than 30 minutes left in the school day. Early sign outs will count as a half-day absence or tardy. Finally, please do not call with messages for your child unless absolutely necessary. Your cooperation in these areas will decrease classroom interruptions while encouraging your child to learn.

Arrival and Dismissal Times

Please refrain from dropping off students prior to 7:15 a.m., which is when our campus is opened and students are supervised. Students will not have access to playgrounds before 7:15 a.m. All students should be in their classrooms and ready to learn at 7:30 a.m.

If a student has not been picked up within 15 minutes of dismissal time, he or she will be required to report to the front office to make a phone call to his or her parent/guardian to arrange transportation.

At dismissal, students not in KidSpace or involved in a school-sanctioned activity must leave campus immediately.

Drop Off and Pick Up

In an effort to keep you and your child safe in our parking lot, please pay attention to the following information regarding student pick up and drop off at Arroyo Elementary School:

1. **To maintain the safety of all students, pick up and drop off on Cholla is NOT permitted at any time.**
2. **It is unlawful to drop off and pick up students in a marked school zone. Failure to comply with this law may result in a traffic citation. In addition, doing so creates additional traffic congestion before and after school.**
3. There is a painted yellow crosswalk that connects the visitor parking lot to the front of the school. Please yield to individuals using this crosswalk.

4. If you need to walk your students onto campus, please park your vehicle in the visitor parking lot and escort your child, using the crosswalk, to the front of the school.
5. The right lane of the drive-through is for student pick up and drop off only. **Please pull all the way forward** so the flow of traffic can continue without interruption. Students should only enter and exit vehicles from the RIGHT LANE that is beside the classrooms at the front of the school.
6. The left lane of the drive-through is for THROUGH TRAFFIC only. Students should not be picked up from this lane as it is unsafe for children to cross traffic.
7. Arroyo staff will do their best to keep traffic in the pickup and drop-off lane moving **FORWARD**. Please do not use the left lane of the drive-through as a “passing lane.”
8. Finally, please ***SLOW DOWN***.

By paying attention to and abiding by these simple reminders, we can keep traffic flowing, which will allow all of you to have a less stressful time dropping off and picking up your children from school. More importantly, ***all involved will be SAFE***.

Parking

ALL VISITORS to Arroyo are asked to park in the main parking lot (on the west side of Yucca).

Bicycles

1. Parents should instruct students concerning the need for safety when riding to school. **We recommend that your child/ren wear a helmet.**
2. Bikes/skateboards are to be walked while on school property.
3. When using the crosswalk, students are to walk their bikes/skateboards across the street when so directed by the crossing guard.
4. For security reasons, we recommend bikes be locked in the bike area and skateboards be stored in a designated area. *We cannot assume responsibility for loss or damage.*

School Attendance/Reporting Absences

We pay strict attention to the attendance of each of our students. State law mandates that the school record reasons for all student absences. Therefore, when a student is absent, parents need to call the attendance line (602-896-5111) on or before the day of the absence in order to advise the school of the reason. The parent/guardian is responsible for ensuring that his or her child attends school daily. District policy requires that any out-of-town absence requires prior approval from the principal.

Truancy

In order to assure students are successful and meet current state legislation, which requires all students to attend 90% of the school year, WESD has implemented a Truancy Prevention Unit (TPU). The TPU works in conjunction with the City Justice Courts to identify student and parents of students who are chronically absent or are truant.

When a student reaches five unexcused/unverified trancies, 10 total absences or 10 unexcused tardies, the school may make a referral to the TPU for appropriate actions (see District

guidelines). In order to avoid this eventuality, there are several precautions to take: (1) reinforce being on time and good attendance, (2) call the school each time a student will be late or absent, (3) present any medical documentation to the nurse and/or attendance clerk if illness will be a consistent, foreseeable issue.

An attendance letter will be sent by the school to the parents/guardians of students who are approaching or pass the midway point for unexcused absences, excused absences and tardies. Parent cooperation is of the utmost importance in assuring student success.

Tardies

It is the responsibility of both parents and students to see that students come to school on time. Students arriving to school after 7:30 a.m. are considered tardy and must report to the front office to get a tardy slip. Random “Tardy Sweeps” may occur throughout the year and will result in administrative consequences. Excused tardies may be approved with proper notification. Tardiness will not be a problem for students who use their time wisely, have a positive attitude toward being on time, and make being on time a habit.

Dress Code

Students are encouraged to dress in a manner that complements their appearance and the standards of our school. The emphasis is placed on neatness, cleanliness, good taste and safety.

School IDs and “Z-Passes” must be worn by all students at all times while on campus and are required when riding the bus. Students not wearing IDs will be sent to the back of the lunch line. Replacement IDs are \$5 and replacement lanyards/pouches are 50 cents each.

Clothing cannot interfere with the normal learning process, create disorder, or disrupt the educational program. Whether the condition exists shall be left to the reasonable discretion of administration.

Parents should consider safety factors when purchasing shoes for their child. Flip-flops, slippers, and high heels are not permitted. Students are expected to wear properly tied athletic shoes for physical education.

Bottoms must fit appropriately (not too tight, too loose, or too short). “Sagging” is not permitted. Whether this condition exists shall be left to the reasonable discretion of school staff.

Shirts should cover the midriff and cleavage (no tube tops, spaghetti straps, strapless dresses, halter tops, crop tops, cut offs). Tank top straps should be at least three fingers wide for females and males. Tank tops for males must be worn with an undershirt. Shirts should not display inappropriate mottos or slogans (excessive violence, weapons, drugs, alcohol, tobacco, sexual references) and should not hang below the bottom of the shorts.

Hats and beanies are not to be worn inside any school building.

Earrings may be worn if they do not jeopardize student safety. Piercing of the nose, eyebrows, lips or tongue is not permitted and will need to be removed immediately for student safety.

Should a student be found out of dress code, he or she will be sent to the office, parents will be notified, and student will be

provided with appropriate clothing for the remainder of the day. If appropriate clothing is not available, parents will be called to provide clothing before the student may return to class.

Lost and Found

The lost and found is located in the cafeteria. Please label your child's belongings. Items not claimed by the end of each quarter will be donated to an organization of the administrator's choice.

Lost and Damaged Library Books and Textbook Charges

It is important that our students take proper care of all books and equipment assigned to them during the school year. If books or equipment are lost or damaged, the cost of those items will be billed to the parent.

Breakfast and Lunch Information

Breakfast and lunch are free for all students. Breakfast is served in the classroom each morning. Lunches are served daily in the cafeteria. As a parent, you are welcome to eat with your child at any time. Please sign in as a visitor and obtain a visitor badge in the office when you arrive. The price of lunch for adults is \$3.50.

PE

To be excused from PE, students will need to have a written note from a parent, a doctor or the school health tech. For a student to be excused for three days or longer, the note must come from a doctor.

DISCIPLINE POLICY

The Lobo Card will be used for all students to track behavior and pillars of character. The card is expected to remain with students at all times and be signed daily by parents. The four components of Arroyo's discipline policy include motivation, prevention, intervention and appropriate consequences. Teachers will work with students to establish responsible behaviors to ensure academic success for all.

Discipline, Prevention & Intervention

We believe in preventing discipline problems as well as intervening when discipline problems arise. Communication among students, parents and staff is vital in this process. Prevention and intervention services to help students in the area of discipline include, but are not limited to, social skills, self-esteem, problem solving, conflict resolution, anger management and Character Counts.

Character Counts

Arroyo students participate in character education. The Character Counts Program is used throughout the school year. Students are recognized for demonstrating positive character traits. Character traits of trustworthiness, respect, responsibility, fairness, caring and citizenship are discussed on a daily basis.

Olweus Bullying Prevention

Arroyo students and staff will continue to develop the Olweus Bullying Prevention Program on campus. Bullying incidents should be reported immediately to a teacher or the principal. Reports of bullying will be handled in accordance with District guidelines. Teachers will have periodic classroom meetings to discuss bullying behavior and strategies for students to use who are being bullied. Parents are encouraged to discuss bullying with their child/ren at home. Remember, YOU can prevent bullying.

Consequences

Arroyo maintains the belief that students have the freedom to make whatever choice they desire. This comes with the understanding that they are not free to choose their consequence. Consequences at Arroyo can include, but are not limited to: detention during school hours (including recess and lunch), after-school detention, community service, in-school suspension, and off-campus suspension.

Motivation

Students at Arroyo are encouraged to make good choices academically and behaviorally. In addition, students are recognized for positive choices during Honor Roll/Principal List Assemblies and Celebrations of Excellence and #CharacterCounts Awards.
