DRESS CODE

ID Cards: All Palo Verde students are required to wear IDs while on the Palo Verde campus and on buses. Students will be provided a picture ID at the beginning of the school year at no cost. Students will be checked for compliance during first period and throughout the school day. If a student does not comply with the school dress code in wearing his or her ID card, the student will be disciplined accordingly. Students may not be allowed on the bus if an ID is not present. IDs must be visible at all times, on student's lanyard, around the neck.

IDs are required at athletic events, getting on the bus, and entering campus from the buses. If students deface, destroy, render their ID unreadable or lose their ID, they will be required to purchase a replacement ID for \$5. Replacement lanyards and pouches are 50 cents.

MANDATORY SCHOOL UNIFORM POLICY

Palo Verde is a uniform-only school, as adopted by the Palo Verde Middle School Site Council and consistent with Washington Elementary School District Governing Board policies and regulations. (See District Section-P. 11) The purpose of the policy is to enhance a positive, productive and safe school environment that contributes to increased student achievement. Additionally, the uniform and dress policy standards program has been determined to be in the best interest of our students.

Description of Uniform Requirements. The uniform, for all Palo Verde students, shall consist of the following:

The red, Palo Verde T-shirt must be worn everyday by every student. These T-shirts may be purchased at M & J Trophies (10802 N. 43rd Ave.) or Collette's Uniforms (5212 W. Camelback Rd.). Uniform shirts must be visible at all times.

Jackets/outer coverings must provide warmth and may not contain inappropriate symbols, pictures or language.

Navy-blue or black bottoms, **uniform-style** pants (pants, shorts, skirts or skorts [not of jeans/denim, sweatpant athletic material, leggings or yoga pants]) without embellishments are to be worn and may be purchased at any store. Boys' shorts may not extend past the kneecap. Girls' skirts, skorts and shorts must reach at least mid-thigh above kneecap. "Sagging" is not permitted.

Belts of appropriate length must be solid black or navy with a solid/plain buckle. Belts may not be more than one size larger than the waist. All belts must be worn through the belt loops, and the ends may not dangle in front of the pants.

Shoes must be worn at all times. If the footwear has laces, they must be tied for safety purposes. Shoes must be closed toed and closed heel. No sandals allowed. Socks may be knee-high, calf-length or ankle socks, of any color, but must match. Students are expected to wear properly tied athletic shoes for physical education.

Jewelry/accessories must be appropriate in content.

The wearing of any clothing or symbols or possession of paraphernalia that is associated with gangs or gang-like activity are prohibited (See District gang policy). Gang-related items tend to change throughout the school year. The Police Department advises school administrators when such changes take place; subsequently, administrators notify students of changes in the dress code.

Spirit/Free Dress Days: Administration may allow a "free dress day" or "spirit day."

The District dress code will be followed on free dress days or spirit days. Administration may approve team attire for athletes, club

members, performers, etc. on campus during their specific activity ONLY on the day given permission.

Uniform Opt-out Policy: We believe that the uniform policy is what is best for all students. If you do not agree with the Palo Verde Uniform policy, you may take advantage of the Arizona Open Enrollment Policy and enroll your child in a non-uniform school in the Washington Elementary School District.

Note: The administrators and faculty reserve the right to evaluate any clothing for health and safety concerns and may determine on a case-by-case basis that particular clothing presents a potential safety hazard or educational disruption. Those students who are dressed inappropriately must change to more appropriate attire and will receive proper disciplinary consequences. The dress code is in effect at all school events at Palo Verde regardless of the time of day. With written administrative approval only, changes may be made to the designated uniform during the school year. Apparel and accessories deemed inappropriate by the administration will not be allowed.

As with dress, hairstyles should not distract from the learning environment or other school activities.

ATTENDANCE/TRUANCY

When a student reaches five unexcused/unverified truanancies, 10 total absences or 10 unexcused tardies, the school may send a letter home to parents/guardians (see District guidelines). In order to avoid this eventuality, there are several precautions to take: (1) reinforce being on time and good attendance, (2) call the school each time a student will be late or absent, (3) present any medical documentation to the nurse and/or attendance clerk if illness will be a consistent, foreseeable issue.

Parent cooperation is of the utmost importance in assuring student success.

It is the student's responsibility to obtain assignments that have been missed due to absence and complete them within the guidelines set by the teacher. In the case of extended absence, a member of the student's team will make special arrangements for the student to make up work.

Students who are tardy to school must check in at the Student Center. Tardies to class will be handled by teams per the Palo Verde Guidelines

LEAVING CAMPUS

Palo Verde is a Closed Campus. Students may not leave campus. Students may leave campus only if a legally authorized parent or guardian, as listed on the school records, has signed the student out. The parent or guardian must go to the Student Center to sign out the student. Students must be signed out prior to their departure. The student may leave campus only if accompanied by the parent or guardian.

DISCIPLINE PROCEDURE

No one has the right to interfere with the learning or safety of others.

Palo Verde has established the guidelines for behavior to be consistent with the rights and responsibilities of all concerned.

When students disrupt the educational process, in the classroom, staff members will use the following sequence of procedures:

1st Offense: Warning.

2nd Offense: Isolation within the classroom.

3rd Offense: Isolation in another classroom. (Out-of-class Isolation) Call to parent/guardian.

4th Offense: Removal from isolation classroom; referral to student center (parent notified).

Severe Behavior: Immediate referral to student center; parent notified; and/or severe consequences administered; referral to police, if necessary.

OUT-OF-CLASS ISOLATIONS

Each time a student is isolated out of class, a parent/guardian will be notified.

1st Out-of-class Isolation: Parent notified by teacher isolating the student out of class. Conference with the student.

2nd Out-of-class Isolation: Parent notified by teacher isolating the student out of class; Conference with the student.

3rd Out-of-class Isolation: Parent/Teacher Conference scheduled. Student put on a behavior contract.

4th Out-of-class Isolation: Parent notified by teacher isolating the student out of class; one after-school detention assigned by team.

5th Out-of-class Isolation: Parent notified by teacher isolating the student out of class; referral to the Office; advance One (1) Step on the Step Plan.

Any further out-of-class isolations will result in an office referral.

The number of Out-of-class Isolations reverts to zero (0) at the end of each semester, unless a contract has been entered.

DETENTION

Lunch detentions will be served on the student's regular lunch period in a designated location, or may consist of community service supervised by a staff member.

After-school detentions will be served in a designated detention room, or may consist of community service. Students should report to the designated room, or area, by 4:05 p.m.

Individual teams may run their own lunch and after school detentions. Those detentions are run according to team policy.

Students who are assigned detentions must complete all detentions assigned to them. Failure to complete detention(s) or being removed for failure to follow directions will result in an additional detention being assigned. Failure to serve assigned detention(s) will result in doubling the number of detentions, and/or an Office Referral. In addition, a Step may result with "Refusal to Comply" as the consideration for administrative action. Advancement on the Step Plan may result in either In-school or Out-of-school Suspension.

In-school Suspension (ISS) is designed to provide structured supervision to those students who by their behavior have indicated a lack of self-discipline and/or have been a disruption to the orderly conduct of the classroom or school. If a student misbehaves during In-school Suspension, he or she will then be Home Suspended during the remainder of the time and an additional day may be added. Repeated removals from In-school Suspension will result in automatic Home Suspension regardless of the student's discipline step.

All school work will be available in the In-school Suspension room for the student to complete.

All school work assigned during the Home Suspension time will be collected and in the front office for parent to pick up, if necessary.

PALO VERDE STEP PLAN

Upon referral to the student center, below are *minimum/maximum* consequences for each Step. Greater consequences may be given based on the seriousness of the infraction. Refer to the District section of this handbook for more details.

Step 3 3 days In-school Suspension

Step 4 1 day Home Suspension, TAP process will begin

In the event of a student suspension, due process will be provided to the student in accordance with Washington Elementary School District Governing Board policy and regulations.

STUDENT ACTIVITIES

PROMOTION CEREMONY

Eighth grade students will be recognized through a promotion ceremony sponsored by individual teams. This is an earned privilege through academic achievement, positive behaviors, and daily attendance. Students must achieve a 1.0 or D average in each class to qualify for the Promotion Ceremony. If a student is suspended at the time of the Promotion Ceremony, he or she will not earn the right to participate in the ceremony. Students who have received multiple disciplinary actions for significant behavior concerns resulting in suspension(s) will be in jeopardy of not participating in the promotion activities. Parents, please note that if your son/daughter has any issues in any of the criteria areas, please schedule an appointment to meet with your child's teacher, Student Service Specialist, and/or administration.

Academics: Each student must maintain a 1.0 grade point average (G.P.A.). Academic assistance is being provided in regular classes and during 4th Hour Tutorial.

Behaviors: Students behavior on campus is *the student's* responsibility. If a student's behavior results in a suspension, eligibility for these activities will be in jeopardy.

Attendance: Daily attendance is extremely important in any student's academic success. It is imperative that absenteeism is minimal and that all students are present for state testing.

After-school Activities

The Parent/Student Handbook rules and procedures apply to all after-school activities. The following guidelines outline our procedures for determining student eligibility for any extra-curricular activities:

Sports Participation:

Eligibility for competition will be determined by quarter report cards and midterm reports. An academic grade of "F" or conduct grade of "U" in any subject on a District report card or a District midterm report will make a student ineligible for competition until the next reporting period.

A student may regain eligibility status:

1. At the next reporting period (a District report card or District midterm report). This is defined as no "Fs" in any academic subject or "Us" in conduct or effort.

Or

2. After a minimum of two weeks from the onset of the ineligibility, the athlete can prove that his or her deficiency has been corrected and all other grades and conduct marks are still in good standing.

The athlete must present proof to the coach and athletic director. The "two week petition" may only be used to make an athlete eligible.

Other After-school Activities:

Students receiving a grade of an "F" or a "U" in behavior may be determined ineligible at the end of each nine-week grading period.

Ineligibility applies to all activities that occur outside the realm of a normal school day and have no grade or credit attached to student participation.

1. Ineligible students may, at the discretion of the sponsor, practice with teams or organizations that require it. These students may not represent the school by dressing in uniform or actual participation in the event or contest.
2. Activities affected by these standards include clubs, performances, athletics and school dances.
3. Coaches and sponsors are responsible for checking each member of their activity for eligibility to participate and subsequently informing them of their status.
4. A student must be in attendance for at least half of the school day to be eligible to participate in any school-sponsored activity or event.

Student Recognition

Student of the Month: Teachers recommend students for outstanding academics in the classroom.

Citizen of the Month: Teachers recommend students for outstanding character.

Perfect Attendance

Principal's List: Students earning a 4.0 GPA all four quarters.

Honor Roll: Students earning a 3.5-4.0 on their report card are placed on the Honor Roll (Bronze-3.5-3.74, Silver- 3.75-3.99, or Gold-4.0). Students receiving a grade of "F" or "U" in behavior or effort will not be eligible for these awards.
