
DESERT FOOTHILLS

PRINCIPAL'S MESSAGE

Welcome to Desert Foothills! We believe in a middle school concept that provides a smaller school-within-a-school feel through academic teams, a daily advisory period for social skill development and strong elective and exploratory classes. All students and academic teachers form teams for both grade levels. Each team consists of groups of students taught by the same teachers for math, language arts, reading, science and social studies. The goal of each team is to support student learning by increasing communication and planning integrated units. Teachers on each team meet weekly for team planning. Our goal is to provide the best education during an age where students face difficult social challenges. We look forward to working with you to continue developing our students into future leaders.

MISSION AND VISION

Vision: The higher we climb, the better the view.

Mission: Desert Foothills Junior High School creates a challenging learning environment with high expectations of academic excellence and social development that allows for individual differences and learning styles. Our school promotes a safe, caring and supportive environment. We partner with our parents, teachers and community members to have an active role in our students' learning and growth.

ATTENDANCE PROCEDURES

Absences

It is the parent or guardian's responsibility to contact the school in the event his or her child will not be in attendance that day. **Failure to contact the attendance clerk on or before the day of the absence will result in the absence being recorded permanently as unexcused.** Absences and tardies can be reported at **602-896-5521**. Please be advised that Arizona law states that no student can miss more than 10% of the school year (18 days). Students who miss more than 18 days, regardless of the reason for absences, may be referred to the WESD Attendance Unit.

Tardies

Students who report to school late must sign in through the front office. Students who are late to school are considered tardy. A tardy is considered excused only if the student is accompanied

by a parent/guardian, the student provides a note from the parent/guardian or the parent/guardian verbally notifies the attendance clerk. Upon a student's tenth **unexcused** tardy, the school may submit a truancy referral notice to the **WESD Attendance Unit.**

UNEXCUSED/UNVERIFIED HOMEROOM TARDIES

The 2nd Tardy = Warning

The 3rd and 4th Tardy = Lunch Detention

Tardies 5-7 = After-school Detention and Call to Parents

Tardies 8-9 = One Day In-school Suspension

10 Tardies = One Day Out-of-school Suspension and Conference with Parents

Truancy

By state law, truancy is defined as an unexcused absence of a class period or longer. **Students who have accumulated more than ten unexcused/unverified absences may be referred to the WESD Attendance Unit (AU).**

Leaving Campus

No student may leave campus without being properly signed out through the office. A student leaving campus without being properly signed out will be considered truant, his or her parent will be notified and subject to consequences through the Student Center. Once on campus, students are not allowed to leave.

SAFETY

Health Office

It is imperative that parents update all phone numbers (cell, home and work) throughout the year, in order for the health office to reach parents when there is an emergency. All prescription and over-the-counter medication must be administered through the health office. To do so, a request for giving medication form must be signed by a parent/guardian and the physician ordering the medication. Students who purposefully misuse or distribute medication to other students are subject to disciplinary action.

Student IDs/Bus

Student safety on the way to and from school is of vital importance to all members of the Desert Foothills community. Riding the bus to school is a privilege, not a right. Bus referrals may result in suspension of bus privileges. **Students are only allowed to ride their assigned bus. All students riding a bus must have their bus ID. If a student has lost his or her ID, he or she must get a temporary ID from the front office before 7th period. This ID must be returned the next day. If the original ID cannot be found, the replacement cost is \$2.00. If a student misses the bus, he or she may not walk home. District policy does not allow students to walk or ride their bike across major roads going to and from school.**

PE Lockers

Locks are issued to all PE students. PE lockers are to be used for storing school materials and clothing only during PE. Only clothing used specifically for PE should be left in the lockers overnight. Money, watches, jewelry, etc. are not to be left in lockers. The school is not responsible for items missing from lockers or the locker area. Students and their parents are advised to not bring valuables, technology or large sums of money to school.

STUDENT CENTER

It is normal for students to have social, emotional and educational issues as they navigate the middle school experience. The role of the Student Center is to assist students with the problems and issues they face. Both students and parents should feel free to contact the Student Center if they need help or assistance.

Social Worker/Counseling Office

Desert Foothills offers services to students who are in crisis or who have personal, sensitive or private issues that they wish to discuss. Parents can request services as needed.

Bullying Prevention Program

During the 2019-2020 school year, Desert Foothills will promote practicing behaviors aligned with the Bullying Prevention Program. Teachers will use discussion groups, modeling and question/answer sessions to help support the anti-bullying model. All bullying issues should be reported to the Student Center.

ACADEMIC EXPECTATIONS

Promotion

Students must achieve a 1.0 or D average in each academic class to qualify for any and all promotion activities. If a student earns an "F" in the last quarter, this will impact the privilege(s) of attending any field trips associated with promotion, but will not impact other promotion activities if all other criteria is met. If a student is suspended at the time of the promotion activities, he or she will not earn the right to participate in the activities. Students who have received multiple disciplinary actions for significant behavior concerns resulting in suspension(s), will be in jeopardy of not participating in the promotion activities as indicated in the Promotion Activity Guidelines.

Academic Probation & No Pass/No Play

Any student who has received an "F" in any class or who has received a "U" in conduct on either their report card or their midterm report will be placed on academic probation. While on academic probation, no student is eligible to participate in any extracurricular activity (e.g., student government, athletics, spirit line, etc.). The student will remain on academic probation for a minimum of two weeks. After two weeks, the student can be reinstated by initiating contact with the principal and showing proof that he or she has satisfied any previous deficiencies.

STUDENT ACTIVITIES

Dances

Dances are held in the cafeteria from 4-6 p.m. Students who are suspended either in or out of school or absent the day of the dance will not be allowed to attend. School dress code rules apply to all dances. Students must have a permission slip signed by the parent in order to enter the dance. Students may not leave the dance early unless their parents pick them up. **Failure to pick up a student within a reasonable time after a school event may result in the student being removed from future events. Students may not bring guests.**

Interscholastic Athletics

The Washington Elementary School District Sports Council arranges activities for Interscholastic Athletics. The council arranges for the officials, sets the standards and arranges the schedule for athletic events. Interscholastic Athletics provided at Desert Foothills include: cross country for boys and girls, girls and boys volleyball, basketball for boys and girls, wrestling, girls softball, soccer for boys and girls and track and field for boys and girls. All team members pay a \$25.00 participation fee per sport.

DF Library Media Center Policies

Textbooks: Students may check out any textbook throughout the year for two weeks as needed to complete homework assignments.

Library books: Students may check out up to three books for two weeks with their student ID card.

Overdue policy: Students with overdue books cannot continue to check out books nor participate in dances, non-academic field trips, team-related activities, or end-of-the-year celebration activities. Students can pay the amount owed by cash or check for the exact amount only, they can set up a weekly payment schedule until the fine is satisfied, or students can participate in a work program in the library to pay off their account.

STUDENT BEHAVIOR

Core beliefs of discipline policy:

- 1) No one has the right to interfere with the learning, wellbeing and/or safety of others.
- 2) Students are expected to comply with all behavioral and academic guidelines.
- 3) Students will be expected to observe the "Good Neighbor Policy" as they move through the community on their way to and from school.

*See Disciplinary Action Chart of the WESD section of handbook, for expanded list of infractions and consequences.

School-wide Classroom Discipline Plan:

1. Classroom consequences for inappropriate behavior will be as follows:
 - a. First offense: Warning
 - b. Second offense: Isolation in the classroom.
 - c. Third offense: Short-term isolation in buddy room and after-school detention.
 - d. Any further misbehavior after isolation and/or misbehavior in buddy room and an office referral will be submitted.

Inappropriate behaviors include: disrupting class, talking out, not following teacher directions, out-of-seat without permission, off-task behavior.

2. After the third time a student is assigned after school detention in a nine-week quarter, he or she will receive an office referral instead of after-school detention for classroom misbehavior.
3. Students referred to the office after the third after-school detention will be subject to progressive discipline suspension from In-school Suspension to Out-of-school Suspension with a recommendation for long-term suspension.
4. Students who have three or fewer after-school detentions will start over each quarter.

The Following Are Examples of Student Behaviors That Will Result in An Office Referral:

All students present in an incident of instigation or provocation will receive consequences.
