A. 2010-2011 Revised Expenditure Budget (Revision #1)

Dr. Cook introduced Ms. Cathy Thompson who offered the Board the 2010-2011 revised expenditure budget. Ms. Thompson advised that the revisions to the adopted expenditure budget include adjustments to budget balance carry forward – reflective of the final 2009-2010 annual financial report, adjustments to the final student count for last school year, adjustments to the transportation revenue control limit and adjustments based on growth in the prior year.

Mr. Maza asked what the current student count was since part of the expenditure budget is based on student count. Dr. Cook replied we were down 751 students from a year ago.

Ms. Graziano asked about the allowed 4% carryover. Ms. Thompson responded that there was budget capacity of $5.1 million and cash available of $4.2 million. She advised that the District cannot carry forward budget capacity without cash to accommodate it. Ms. Thompson stated that the last couple of years have been very challenging. Ms. Thompson advised that every effort was made to have enough cash to accommodate the budget capacity to avoid raising taxes to the taxpayers.

Ms. Graziano asked if part of the problem was because the State is not paying funds as scheduled. Ms. Thompson agreed.

A motion was made by Mr. Jahneke that the Governing Board approve the 2010-2011 Revised Expenditure Budget (Revision #1). The motion was seconded by Ms. Graziano. The motion carried.

December 9, 2010
B. To Consider and, if Deemed Advisable, to Adopt a Resolution Ordering the Sale of School Improvement Bonds for the District

Dr. Cook advised the Board that as a result of voters approving the District’s special bond election on November 2, 2010, the District was authorized to issue school improvement bonds. Dr. Cook introduced Mr. Bill Davis, Managing Director of Public Finance at Piper Jaffray & Co. Mr. Davis was accompanied by Mr. Logan McKenzie from Piper Jaffray & Co. Ms. Thompson advised that Mr. James Giel, bond counsel from Gust Rosenfeld, was also in attendance. Ms. Thompson thanked Mr. Davis, Mr. McKenzie, and Mr. Giel for their guidance regarding the issuance of the school improvement bonds, as well as their assistance on the special bond election pamphlet.

Mr. Davis congratulated the District for their successful special bond election and thanked Ms. Thompson for her assistance. Mr. Davis advised the Board that the resolution, if approved, would authorize the sale of the first installment of the voter authorization bonds ($10,000,000.00). Mr. Davis and Mr. McKenzie provided a proposed timetable for the $10,000,000.00 bond sale (culminating with sale scheduled for February 10, 2011). A proposed plan for the balance of the total $65,000,000.00 authorization was also provided.

Mr. Davis advised that the resolution, because of recent statutory changes and market volatility, allows the bonds to be sold via competitive sale or negotiated sale. Mr. Davis stated that his advice on new money transactions to issuers had always been to sell their bonds competitively. He advised that in most markets, it was the best way to get the lowest possible interest rates and reduce the interest expense.

Mrs. Lambert asked what were the benefits of competitive sale versus negotiated sale. Mr. Davis responded that the advantage of a competitive sale is that the District would do a national request, e.g., mutual funds, other broker/dealers, who submit a sealed bid, and on that day the District would know that they got the lowest possible interest rate. Mr. Davis advised that on a negotiated sale, the District would pick a team of underwriters in advance and anticipate the sale on a particular date. The team of underwriters would have timing flexibility to change the date on a moment’s notice based on market volatility.

Ms. Graziano clarified that in a competitive sale, the District would accept the lowest bidder’s offer for the full $10,000,000.00. Ms. Graziano asked if the District could refuse all offers if they did not meet the District’s expectations. Mr. Davis stated that there is a clause in the Resolution stating the District could cancel the sale with 24 hours advance notice. Mr. Davis advised that the District has the ability to preserve the right to deny any and all bids.

Mr. Adams asked Mr. Davis which option would give the District the best interest rate, competitive sale or negotiated sale. Mr. Davis replied that the competitive sale would be the District’s best option at this time.

Mr. Jahneke asked if the bond market would stay relatively stable considering the debate regarding tax cuts either expiring or being extended. Mr. Davis stated it was difficult to say how much the tax cuts would affect the bond market. Mr. Davis advised that the interest income for the bond investors would be exempt from State and Federal income tax.

A motion was made by Ms. Graziano that the Governing Board adopt a Resolution ordering the sale of School Improvement Bonds for the District in the amount of $10,000,000.00. The motion was seconded by Mr. Maza. The motion carried.

December 9, 2010
C. **Structured English Immersion Model Adoption**

Dr. Cook advised the Board that the District is required by law to annually ask the Board to adopt the Structured English Immersion (SEI) Models. Dr. Cook introduced Ms. Janet Sullivan who reviewed the SEI models recommended for adoption by the Board.

A motion was made by Mr. Jahneke that the Governing Board approve the models (Attachment A). Mr. Jahneke further moved that the Governing Board authorize Mrs. Tee Lambert, Governing Board President, to execute the documents. The motion was seconded by Mr. Maza. The motion carried.

D. **2010-2011 Teacher Performance Pay Plan**

Dr. Cook advised the Board that they must annually approve the District’s Classroom Site Fund Pay for Performance Compensation Plan to be submitted to the Arizona Department of Education (ADE) by December 31, 2010. Dr. Cook introduced Dr. Lyn Bailey who reviewed the proposed 2010-2011 Teacher Performance Pay Plan.

Mr. Jahneke asked if any of the rubrics were tied to the PLC Wednesdays when the evaluations were completed. Dr. Bailey responded that the PLC Wednesdays were a major contributing factor for Part I – School Improvement Plan objectives and were also used for Part II – Individual Teacher Achievement Focus.

Mr. Adams asked when the money would be released. Dr. Bailey advised that after the SIRT review in May, teachers would receive compensation in their May 13, 2011 paychecks.

Ms. Graziano thanked Dr. Bailey for including the 2010-2011 Assessment Calendar with the agenda item material. Ms. Graziano also thanked the faculty for their time and efforts in completing all of the required assessments.

Mrs. Lambert asked if ADE reviews the District’s Classroom Site Fund Pay for Performance Compensation Plan every year that it is submitted. Dr. Bailey advised that ADE reviews each District’s plan every three years. Dr. Bailey stated that WESD’s plan was reviewed three years ago and Part II – Individual Teacher Achievement Focus was added because of a recommendation made by ADE at that time.

A motion was made by Ms. Graziano that the Governing Board approve the District’s proposed 2010-2011 Classroom Site Fund Pay for Performance Compensation Plan and authorize its submission to the Arizona Department of Education. The motion was seconded by Mr. Jahneke. The motion carried.

E. **First Reading of Proposed Amended Policies BDA – Board Organizational Meeting and BDB – Board Officers**

Mrs. Lambert stated that at the November 18, 2010 Governing Board meeting, the Governing Board discussed possible revisions to Board Policies BDA – Board Organizational Meeting and BDB – Board Officers that would eliminate the office and duties of the Past President.

A motion was made by Ms. Graziano that the Governing Board approve the First Reading of proposed amended Policies BDA – Board Organizational Meeting and BDB – Board Officers. The motion was seconded by Mr. Jahneke. The motion carried.

December 9, 2010
F. Discussion, Consideration and Possible First Reading of Proposed Amended Board Policies GBB – Staff Involvement in Decision Making and GCU – Professional Staff Memberships in Professional Organizations (Dues-Paying Employee Organizations)

Dr. Cook advised that the subcommittee comprised of Mrs. Lambert, Ms. Graziano and herself met several times prior to and following the June 1, 2010 Study Session which was facilitated by Ms. Sue Snyder. The subcommittee offered the proposed amended Board Policies provided in the agenda item for the Board’s consideration.

Ms. Graziano stated that the subcommittee reviewed Policies and negotiated agreements from other school Districts regarding the subject of sole representation.

Mrs. Lambert advised the Board that when the subcommittee prepared the Policy, they kept in mind the Board’s interests pertaining to representation that were defined at the June 1, 2010 Study Session.

Mr. Adams stated that sole representation was a sensitive issue and suggested that it be tabled for future discussion. He waived making a motion until discussion was completed.

Mr. Jahncke stated that at the time he requested this subject as a future agenda item, he had in mind the relationship between the District’s affiliated groups with the Governing Board and the District’s decision making processes. Mr. Jahncke requested Board members’ feedback regarding how this Policy change had the potential to improve decision making processes and relationships within the District.

- Mr. Maza felt this Policy change would not affect the collaborative effort within the District and would allow the Board to acknowledge a particular group. Mr. Maza stated he hoped this Policy change would return the focus to teaching and student achievement.
- Ms. Graziano stated that this Policy change would protect the collaborative effort within the District from any future leadership changes.
- Mr. Adams stated that the current process seems to be working well without sole representation. However, he would consider the Policy change if the membership status of the employee organization was assessed annually to ensure the 50% plus one membership rather than the re-evaluation every three years as stated in the proposed Policy.
- Mrs. Lambert found it interesting that when meeting with all of the employee organizations, they were ambivalent regarding this Policy. She stated that the District currently has a diversity of voices of different groups and acknowledged the groups as having value in the system and being advocates for education and teachers. Mrs. Lambert stated she had enjoyed seeing the results in the decision making process of the District where all the organizations and employees (members and non-members) work together and show respect for each other. She advised that if an organization does not meet the 50% plus one criteria, there will be no changes to the current structure. However, if an organization meets the 50% plus one criteria, they could possibly move forward and change the entire dynamics of the decision making structure that comes forward with their recommendations.

Mr. Adams asked if WPA, which is comprised of 100% of the principals and assistant principals, would automatically qualify to be the sole representation group.

December 9, 2010
Dr. Cook advised that the WPA members do not pay membership dues, however, pay a nominal social fee that is not a requirement to be a member. It would be up to the WPA members whether they wanted to change their organizational structure in order to be considered for sole representation.

A motion was made by Mr. Maza that the Governing Board approve the First Reading of proposed amended Board Policy GBB – Staff Involvement in Decision Making. The motion was seconded by Ms. Graziano.

Mr. Adams made a friendly amendment to the motion to change the last sentence of the first bullet point under Sole Representation to read: “This status will be assessed annually by the Governing Board to ensure that 50% plus one membership of the employee organization is still in effect.”

Mr. Jahneke asked if it should be clarified what would happen if the membership fell below 50%.

Mr. Maza accepted Mr. Adams’ friendly amendment to his motion and added the following sentence which will be the last sentence of the first bullet point under Sole Representation: “In the event the membership of an employee organization should drop below the 50% plus one threshold, the Governing Board would reconsider sole representation status.”

Ms. Graziano withdrew her second to the first motion. The amended motion was seconded by Mr. Jahneke. A roll call vote was requested. The motion carried 3-2. Ms. Graziano and Mrs. Lambert voted Nay.

A motion was made by Mr. Maza that the Governing Board approve the First Reading of proposed amended Board Policy GCU – Professional Staff Memberships in Professional Organizations (Dues-Paying Employee Organizations). The motion was seconded by Ms. Graziano. The motion carried.

G. Governing Board Involvement in the National School Board Association (NSBA) Annual Conference

Mr. Adams reported that the NSBA Annual Conference will be held in San Francisco, CA, on April 9-11, 2011. Mr. Adams stated this was of value for professional development opportunities to network with Board members from across the nation and strengthen the Board’s position to help our students and faculty. The cost would be approximately $2,500.00 per person and Mr. Adams encouraged all Board members to attend.

Mr. Maza stated he was supportive of this conference and thought the agenda was very good.

Mrs. Lambert asked Dr. Cook if there was budget capacity for all Board members to attend the conference. Dr. Cook responded that money would have to be moved if Board members approved conference attendance.

Ms. Graziano asked if there was money for any out-of-state travel by employees in the District. Dr. Cook replied that the only out-of-state travel presented for Board approval had been mandatory travel, e.g., presenter, award recipient, or a condition of a grant acceptance.
Ms. Graziano stated she had planned to attend the conference, but was going to pay for her own expenses. She stated that she did not feel comfortable approving out-of-state travel expenses for the Board when employees cannot take advantage of worthwhile conferences to attend. Ms. Graziano said the Board needs to set the example and not be the exception to the rule. Mr. Adams stated that he attended the NSBA conference in San Diego, CA two years ago and paid for his own expenses.

Mrs. Lambert was concerned about funding because there are rumors that because of the State’s budget shortfall, they could possibly reduce the District’s funding this school year. Mrs. Lambert stated that information from NSBA is provided to the Arizona School Boards Association (ASBA) which is presented at ASBA conferences held locally at a reasonable cost which Board members could possibly attend.

A motion was made by Mr. Adams that the Governing Board approve Bill Adams to attend the NSBA Annual Conference to be held April 9-11, 2011, in San Francisco, CA, as the sole representative of the Washington Elementary School Board. Summary of Event/Purpose:
Marana Unified School District hosts an annual state wrestling tournament in Tucson as a final event for the junior high wrestling season. The tournament was started in 2007, and since has grown so that most of the top wrestlers and teams in the state of Arizona compete in the event. The wrestling coaches at Mountain Sky would like to attend this event with a team of wrestlers to further their wrestling knowledge and use the event as a final experience for the season.

Educational Use:
Instructional Goal(s): Include the specific objectives regarding what the students will know and be able to do in a specific content area, e.g. science, social studies, etc. as a result of the field trip. For example: The students will identify current political leaders in Arizona and describe the major influences each has had on Arizona as specified in the fourth grade social studies curriculum. The wrestling tournament supports the extracurricular goals of the school, by enriching the student experience both socially and physically. Students have the opportunity to test their knowledge and skills against some of the best competition in the state.

Revised 8-5-09
Additional Information

Please indicate the process your school used to provide this opportunity to students who are unable to provide their own funds, if students are funding the trip:
The Mountain Sky athletic budget pays the $225.00 team registration fee for up to 18 athletes. Junior High wrestling allows for 18 weight classes (68,73,78,83,88,93,98,104,111,125,133,142,154,167,180,200, and Heavyweight). Each school may enter only one wrestler per weight class in order to allow for fair team scoring. No unattached wrestlers or club teams are allowed, for the reason mentioned prior. Each team will determine the wrestlers representing their school at each weight class, usually decided through a "wrestle-off" procedure, which is commonly used to determine Varsity and Junior Varsity teams. Financially, there is no cost to the student who wishes to attend. The only cost which may be incurred is transportation and housing if the family chooses to stay in Tucson Friday evening. Due to the fact that many wrestlers will be eliminated from competition during the first evening, and families may want to go home, there has not been an effort to force families to incur a cost of a night's stay. Also, since the tournament starts later in the morning on Saturday (9:00 am), it is possible for a family to drive back the next morning to wrestle. As for transportation costs, many families who wish to have their athlete participate, but do not want to drive, tend to work out rides with other families. Since the students will need to leave before school even starts on Friday, they will leave from their homes Friday morning. To date, we have not had a student unable to attend based on financial concerns. The only issue which has arisen in the past has been when a parent who cannot attend for work or prior commitments does not want to send their student with another family. Team parents have always been willing to help any other family out with transportation, but the school does not facilitate that discussion, for liability reasons.

No eligible student will be denied the field trip due to financial hardship.

Please indicate accommodations for students with special circumstances. NOTE: Additional chaperones are required to accommodate specific student needs.

Mountain Sky will have two coaches for the 18 wrestlers. Since wrestling is an individual sport, those 18 wrestlers will be wrestling at various times throughout the two days. Wrestlers are not allowed to be on the mats until they are called, and must report when called within a certain amount of time. Therefore, families tend to sit together and listen for their wrestler to be called, and not with their coaches, as the coaches will be with wrestlers on the mat. Once a wrestler has lost they are eliminated. Of course, families may stay and watch after their athlete has been eliminated, but most families decide to leave. Currently, the team has two parent volunteers, but there will be other parents sitting together with the team.

No eligible student will be denied the field trip due to special education/health needs.

Board Policy DK – Payment Procedures provides as follows:

“In order to receive appropriate discounts and maintain good vendor relations, the Board directs the prompt payment of salaries and bills, but only after due care has been taken to assure that such amounts represent proper obligations of the District for services and/or materials received.

“The Superintendent will implement procedures for the review of purchase invoices to determine that items or service are among those budgeted, itemized goods or services have been satisfactorily supplied, funds are available to cover payment, and invoices are in order and for the contracted amounts.”

Through the adoption of Policy DK, the Board has directed prompt payment of salaries and bills. In order to accomplish this, the Governing Board may ratify the payment of salary and other expenses that have occurred between Board meetings. A.R.S. §15-321(G) authorizes the Governing Board to adopt a resolution for this purpose. The Governing Board previously adopted this resolution on February 14, 2007. This resolution will be adopted on an annual basis in January of each year.

STAFF INVOLVEMENT IN DECISION MAKING

The Governing Board reserves unto itself the full responsibility for adopting policies governing the District. It shall be the policy of the Governing Board to encourage employee participation in the decision making at both the site/department and District level. The Superintendent is authorized to establish permanent or temporary councils, cadres, or committees to facilitate the proper administration of Governing Board policies, administrative procedures, and educational programs.

Employee organizations will be included in the decision-making process when revisions/changes are made to policies affecting employees and in District committees (including, but not limited to District Councils, IBN, and study groups). Representation by the various employee groups on District committees shall be shall be consistent with the membership guidelines for the specific District committee. An employee organization may be designated to have sole representation for a specific employee group on District committees as provided hereafter. The Superintendent shall weigh with care the counsel given by employees, especially that given by groups designated to represent large segments of the staff, and inform the Governing Board of such counsel in presenting recommendations for Governing Board action.

Sole Representation

- An employee organization wishing to have sole representation status for an employee group (administration, certified, classified) may apply to the Governing Board for consideration. The group wishing to acquire sole representation status must send a written request to the Governing Board. The written request shall include the name of the employee group they wish to represent (administration, certified, or classified), proof that the employee organization’s paying membership consists of 50% plus one member of the entire employee group employed by the District that they would like to represent, a list of offices held (minimum of three), current officers, and a request for placement on a Governing Board agenda for consideration during the month of October. If the Governing Board finds the applying organization’s data is accurate, sole representation shall be granted to that employee organization. Every three (3) years this status will be re-evaluated. This status will be assessed annually by the Governing Board to ensure that 50% plus one membership of the employee organization is still in
effect. In the event the membership of an employee organization should drop below the 50% plus one threshold, the Governing Board would reconsider sole representation status.

- Sole Representation of an employee group shall mean that the executive board of the recognized employee organization shall have the responsibility for selecting and approving all appointments of employees representing that employee group on all District committees (including, but not limited to: District councils, IBN, study groups). In selecting and approving appointments, the executive board of the recognized employee organization shall consider applications from any employee in the represented group, including non-members.

- When Sole Representation status is granted to an employee organization by the Governing Board, it shall remain in full force unless, during the month of October of each year, another employee group petitions the Governing Board for an election. The petitioning group’s written request must include proof that they have a paying membership of at least 35% of the employee group they wish to represent, the employee group they wish to represent, a list of offices held (a minimum of three), current officers, and a request for placement on a Governing Board agenda for consideration. If the Governing Board finds the applying organization’s data are accurate, a vote will be conducted by secret ballot of all District employees within that employee group. In the event of a representation election, the process shall be agreed upon by all parties (the Governing Board and the two (2) employee groups in question). The employee group that wins the majority of all votes cast shall be recognized by the Governing Board as the Sole Representative for that employee group.

An employee organization bulletin Board will be accessible to all employees.

The Superintendent or designee shall grant leave time to employee organizations.

For the purpose of this policy, the term "employee organization" means an association comprised of current District employees, membership in which is voluntary and requires the payment of annual dues, which exists in whole or in part to advocate for members regarding employment-related issues.

Employee organizations may participate in the decision-making process involving policy revisions/changes and District committees as provided for in Policy GBB – Staff Involvement in Decision Making.

The District recognizes the right of employees to participate in employee organizations and acknowledges that membership and participation in employee organizations is a matter of individual choice. AGENDA ITEM: Ratification of Structured English Immersion Budget Submission

INITIATED BY: Janet Sullivan, Assistant Superintendent for Academic Services
SUBMITTED BY: Janet Sullivan, Assistant Superintendent for Academic Services

PRESENTER AT GOVERNING BOARD MEETING: Janet Sullivan, Assistant Superintendent for Academic Services

GOVERNING BOARD POLICY REFERENCE OR STATUTORY CITATION: BBA; A.R.S. 15-756

SUPPORTING DATA

The purpose of this agenda item is to present the SEI Budget Application for the 2011-2012 school year. On December 9, 2010 the Governing Board approved the Structured English Immersion (SEI) Model Selection forms for submission to the Arizona Department of Education (ADE) pursuant to A.R.S. §15-756,02. This statute requires governing boards to select one or more Task Force-approved model(s) for implementation on a school-by-school basis. In addition to the model selection, an SEI Budget Request Application may be submitted for incremental costs associated with implementing the SEI models. The completed budget forms were not available for the December 9th agenda when the model selection forms were approved. However, the forms subsequently became available. The application was due and submitted on December 17, 2010. Thus the District SEI Budget Application is brought for ratification at this time.

All of the data that are populated in the current year forms by the ADE for the following school year’s budget are based on the prior year’s data. Therefore, the 2011-2012 SEI budget request is based upon 2009-2010 class size and ELL student population data. The process leading to the 2011-2012 SEI budget application presented included:

- On July 15, 2010, WESD staff provided the “non-ELL average class size information” and governing board class size policies as requested by the ADE. These data reflected the numbers approved by grade level through the budgeting process and IBN recommendations.

SUMMARY AND RECOMMENDATION

It is recommended that the Governing Board ratify the Structured English Immersion Budget budget application submission that was submitted on December 17, 2010.

Agenda Item VIII.A.
On November 1, 2010, WESD received the incremental teacher spreadsheets which indicated the number of teachers ADE calculated would be necessary to implement the model, including the number of incremental teachers needed beyond the existing staff to fully implement the SEI models. While the distribution did not match exactly the calculations as applied by WESD staff, the total number of incremental teachers matched the 40.8 FTE (full time equivalent) indicated.

The school level budget forms were then pre-populated for the incremental teacher FTE agreed upon, including the individual teacher and benefit costs provided by the Department, ($44,731.00 and 11,182.75 respectively), for a total budget of $2,281,297.80. After applying the Federal, State, and local funding offsets as indicated on the budget request forms, and despite the offset variance request for the application of federal funds to the incremental SEI costs, WESD is not eligible for funding from the SEI fund.

The Structured English Immersion (SEI) Budget Request form is attached for Governing Board review.
