On October 28, 2010, the Governing Board authorized issuance of RFQ No. 10.032, Architectural Services, to obtain a qualified firm or firms to provide architectural services throughout the District.

Thirty eight (38) vendors were notified of the bid. Thirteen (13) responsive, responsible proposals were received and opened on November 23, 2010. The evaluation committee consisting of Cathy Thompson, Director of Business Services; Mike Kramer, Director of Capital Projects/Maintenance; Sue Pierce, Director of Facility Planning/Energy; Jim O'Connor, Owner of Jim O'Connor Construction; Louis Vergne, Owner of LAVA Architecture; and Howard Kropp, Administrator of Purchasing (non-voting member) reviewed the submittals and elected to short-list the candidates to the top scoring six vendors. On December 16, 2010 and December 17, 2010 the committee heard presentations from the short-listed vendors. Following the presentations, the committee determined that it was in the best interest of the District to recommend all six vendors for award. The six vendors recommended are: ADM Group, Inc.; Corgan Associates; EMC2 Architects Planners, PC.; HDA Architects, LLC.; NTD Architecture; and Orcutt Winslow.

It is the intent of the District that as individual bond projects or bundled projects are prioritized, the District will issue an RFP for each project to the awarded six vendors. This process allows the District to subsequently award the project to the most qualified architectural vendor for a particular project scope.

SUMMARY AND RECOMMENDATION

It is recommended that the Governing Board award a contract under RFQ No. 10.032, Architectural Services, to ADM Group, Inc.; Corgan Associates; EMC2 Architects Planners, PC.; HDA Architects, LLC.; NTD Architecture; and Orcutt Winslow.

The initial reviews of the proposed proposals of qualifications were scored as follows:

ADM Group scored 4652 points of a possible 5000
Architectural Resource Team scored 4050 points of a possible 5000
Camp Dresser & McKee Inc. (CDM) scored 4068 points of a possible 5000
Corgan Associates scored 4598 points of a possible 5000
David Hunt Architecture scored 4279 points of a possible 5000
DLR Group scored 4200 points of a possible 5000
EMC2 Architects Planners scored 4441 points of a possible 5000
Gilleland Brubaker Architects scored 4365 points of a possible 5000
HDA Architects scored 4429 points of a possible 5000

Orcutt Winslow scored 4458 points of a possible 5000
SPS+ Architects scored 4355 points of a possible 5000
WHPacific, Inc. scored 4280 points of a possible 5000

The committee determined that the point total from which to short-list would be a minimum of 4400 points. After the committee heard the presentations and interviewed the short listed six vendors, it was determined that it was in the best interest of the District to recommend all of these vendors for award. Subsequently, an RFP process will determine which vendors are the best match for each project.

SUPPORTING DATA

Budgeted: Yes

The Purchasing Department is recommending authorization to utilize the contracts that are presented for anticipated purchases in excess of the bidding threshold. No school or department can spend more than is budgeted without prior approval from the Finance Department. Schools and departments budget for goods or services without a particular vendor in mind.

Presented is a list of Intergovernmental Cooperative Purchase Agreements related to the Purchasing Department previously awarded by the Governing Board.

A.R.S. 11-952 and A.A.C. R7-2-1191 through R7-2-1195 authorizes and governs intergovernmental procurements. A school district may either, participate in, sponsor, conduct, or administer a cooperative purchasing agreement for the procurement of any materials, services, or construction with one or more public procurement units in accordance with an agreement entered into between the participants. By participating in a cooperative purchase, public entities that bid common items/services can obtain economy of scale pricing and best value and reduce administrative duplication of cost and effort for all participating public entities.

Copies of the contracts are available for review in the Purchasing Department.

SUMMARY AND RECOMMENDATION
It is recommended that the Governing Board approve the Intergovernmental Cooperative Purchase Agreements and contract purchases with the Greater Phoenix Purchasing Consortium of Schools (GPPCS) and Strategic Alliance for Volume Expenditures (SAVE).

Attached is a list of contracts that have been previously awarded by the Governing Board. These contracts will soon be expiring. Because performance under these contracts has been satisfactory, extension of the contracts is recommended. No school or department can spend more than is budgeted without prior approval from the Finance Department.

The estimated requirements cover the period of the contracts and are reasonable and continuing. A multi-term contract encourages effective competition and promotes economies in school district procurement.

The 2010-2011 proposed budget capacity is provided on the attached list.

Copies of the contracts are available for review in the Purchasing Department.

It is recommended that the Governing Board approve the annual contract extensions and renewals for specified goods and services as presented.

INITIATED BY:  D. Rex Shumway, Legal Counsel  SUBMITTED BY:  D. Rex Shumway, Legal Counsel
PRESENTER AT GOVERNING BOARD MEETING:  D. Rex Shumway, Legal Counsel

GOVERNING BOARD POLICY REFERENCE OR STATUTORY CITATION:  BBA, Rule 4.1 Arizona Rules of Civil Procedure

SUPPORTING DATA

At the May 13, 2010 Governing Board meeting, the Board approved a Resolution to authorize D. Rex Shumway, in his capacity as Legal Counsel and attorney for the Governing Board, to execute the waiver of service of process documents and accept the legal documents on behalf of the Governing Board. The effect of this Resolution minimizes the need for Board members to be served personally when service of process for legal action is required under the Arizona Revised Statutes and the Arizona Rules of Civil Procedure.

With the election of new Board Officers, approval of a new Resolution (attached) is recommended for the 2011 calendar year. If the Governing Board approves the Resolution, the Superintendent will regularly inform Board members about the nature of the legal action.

Even with the Resolution, it is possible that Board members will continue to be served personally. Many attorneys will not inquire as to whether the waiver of service is possible, and will, therefore, use personal service in the manner provided in the Rules of Civil Procedure.

SUMMARY AND RECOMMENDATION

It is recommended that the Governing Board approve the Resolution authorizing waiver of service of process and authorize the Board President to execute the Resolution on behalf of the Governing Board for 2011.

On April 8, 2010, IBN offered a series of recommendations to the Governing Board regarding the budget for 2010-2011, including scheduling two work furlough days for employees if necessary. The two furlough days were scheduled for November 26, 2010 and March 18, 2011. Eligible employees were paid for the November 26 holiday in accordance with the Governing Board’s action on October 28, 2010. There is a need to consider each day separately and account for the current budget conditions at the appropriate time when recommendations are being offered.

In November 2010, Washington Elementary School District was awarded approximately $4.1 million in federal Education Jobs funding. WESD’s Interest-Based Negotiation (IBN) Team has been charged with developing recommendations for the District’s use of its fund allocation. During their January 13, 2011 meeting, team members applied an interest-based approach to consider how the funds might be spent most judiciously and in compliance with legislated timelines and allowable expenditures. Director of Business Services Cathy Thompson shared background information ("story"), and IBN members discussed "interests," i.e., underlying concerns, needs and desires pertaining to the issue. The following are among their identified interests:

- Maximizing resources
- Spending wisely and according to a prudent timeline

SUMMARY AND RECOMMENDATION

It is recommended that the Governing Board designate March 18, 2011 as a regular, paid holiday.

Agenda Item VIII.A.
• Protecting the financial status of employees
• Being good stewards of the public’s money
• Allocating funds fairly
• Improving employee morale
• Protecting the 2011-2012 budget and offsetting the impact on employees of possible budget reductions

IBN members proposed and discussed several options based on those Education Jobs fund expenditures deemed allowable according to the U.S. Department of Education’s August 13, 2010 publication, “Initial Guidance for States on the Education Jobs Fund Program.” After evaluating each option for alignment with the stated interests, the team reached a consensus decision to recommend that a portion of the funds (approximately $339,000) be used to eliminate the scheduled March 18, 2011 furlough day for eligible employees. Members also agreed that the remainder of the Education Jobs funding will be further discussed at subsequent IBN meetings and with the Governing Board. If the District receives notification that unused funds will be recalled prior to the published September 30, 2012 deadline for local education authorities’ use of allocated funds, recommendations for any unused funds will be brought to the Governing Board immediately. Otherwise, this is the first of many recommendations that IBN will bring forth regarding WESD’s use of its Education Jobs fund allocation.

Because some positions at the District level are not eligible to be paid from Education Jobs funds, other funding sources must be applied if the March furlough day is to be eliminated for the employees who hold those positions. At this time, there is sufficient budget capacity to cover the furlough day for this group of employees.

Combining the two variables, the Education Jobs funding and the budget savings realized to date, we believe that it is fiscally responsible to recommend that March 18, 2011 be designated as a regular, paid holiday for employees. In these difficult economic times, we believe that every effort must be exhausted to preserve jobs and support our employees to the extent possible.

Newly enacted provisions of A.R.S. §15-843 provide that the Governing Board may annually vote that all expulsion hearings shall be conducted by a hearing officer approved by the Governing Board. This new provision eliminates the prior practice of meeting in executive session to determine whether the Board will hear the expulsion or whether the Board will appoint a hearing officer in each situation where the expulsion of a student is being considered.

The Administration proposes to continue to use Joe Negron, Parent Involvement Administrator, as the hearing officer. In the event Mr. Negron is unavailable or declines to serve because of a conflict of interest, the Administration proposes to allow the Superintendent to select another individual who is qualified to serve as the hearing officer.

SUMMARY AND RECOMMENDATION
It is recommended that the Governing Board designate hearing officers to hear all student expulsion hearings during 2011 and approve the selection of Joe Negron, and where necessary, such other qualified hearing officers, as selected by the Superintendent, to hold expulsion hearings.

SUPPORTING DATA

On October 14, 2010, the Governing Board was provided with information about the dual accountability systems of No Child Left Behind and AZ LEARNS. Assessment Report, Part Two, on November 18, 2010, provided the Governing Board an update on the Spring 2010 results of three assessments administered in Arizona to measure student achievement, Arizona's Instrument to Measure Standards (AIMS), the Stanford 10 and the Arizona English Language Learner Assessment (AZELLA).

The purpose of this agenda item, Part Three of the 2010 Accountability Update, is to provide the Board with information on District assessments in the areas of Reading/Language Arts and Mathematics and how data from these assessments are utilized at the District and school levels. District assessments, aligned with Arizona Academic Standards and District curricula, serve a variety of purposes including screening, diagnostic, formative and benchmark assessments. This protocol has changed over time to focus less on summative assessment and more on data to inform instruction throughout the school year prior to the administration of Arizona's Instrument to Measure Standards.

A PowerPoint presentation providing an overview of District assessments and how data are utilized is attached.

The Mathematics Curriculum is composed of five strands:

Number Sense, Data Analysis, Algebra, Geometry and Measurement, and Structure/Logic.

Proficiency in K-1 is recorded on the Mathematics Continuum. Level Tests aligned with 2-8 Mathematics utilize scale scores that reflect the level and percent correct.

Curriculum and assessments were revised to reflect the 2008 Arizona Mathematics Standards and were implemented in the 2009-2010 school year.

Assessment Changes: Math K-1

- Revision of K-1 observables to new standards
- Development of new math screener for K-1
- Refinement of Intranet data application

Letter Naming Fluency

- Assessed in Kindergarten during all Assessment Periods (Beginning, Middle, End).
- WESD Kindergarten students started with 39% of students at risk in the beginning period (8 letter names).
- At the end of the year, 14% were at risk with 40 letter names.
Nonsense Word Fluency

- Measures two skills:
  - whether students can name letter sounds
  - whether students can blend sounds to read unfamiliar words with short vowels in CVC (consonant vowel consonant) or VC (vowel consonant) syllable patterns

- The student reads nonsense words spelled with two or three letters with a CVC (consonant vowel consonant) or VC (vowel consonant) configuration.

- Example: l...u...t, lut

- The student responds to a target word by breaking it into parts.

- Example: c...a...t, cat; c...a...sh, cash
Oral Reading Fluency

- Assessed starting in the middle benchmark of first grade and every benchmark thereafter through third grade.
- Student reads 3 passages for 1 minute each. Middle score is recorded.
- Goal increases from 20 wpm in grade one to 110 wpm at the end of grade three.
- Research has shown a high correlation between 3rd grade ORF and AIMS.

SUPPORTING DATA

In January 2009, Maricopa County Juvenile Courts proposed that the C.U.T.S. truancy program be eliminated in order to help balance the County budget. At that time, the C.U.T.S. program was the only truancy program offered within Maricopa County. The program was underfunded, understaffed and somewhat ineffective. Washington Elementary School District administration proposed creating an in-house truancy department that would conduct home visits with parents, visits with students, make presentations at schools about truancy and assist schools with their attendance problems.

In February 2009, the Truancy Prevention Unit (TPU), comprised of John Shikany, Colin Pierce, and James McPheeters, began accepting referrals from Washington Elementary School District schools. Procedures and referral forms were developed and school staff was informed about the new program.

Following the four-month trial period (February-May 2009), truancy data were gathered and school staff was questioned on the effectiveness of the program and asked for suggestions for improvement. Program changes were made based on the feedback provided, and on May 28, 2009, WESD’s truancy prevention plan was presented to the Governing Board. Board members unanimously approved District-wide implementation of the plan, effective for the 2009-2010 school year. Over the 2009 summer months, the truancy information was added to all parent/student

handbooks so that all parents would be informed of the District policies and procedures as well as the Arizona Revised Statutes surrounding truancy.

During the 2009-2010 school year, the TPU worked with the Maricopa County Juvenile Court as well as the City of Phoenix Prosecutors Office to enhance the effectiveness of the truancy program. WESD schools made more than 1,300 referrals to the TPU during the 2009-2010 school year, and the TPU conducted almost 3,300 visits with students and parents. The TPU worked with school and District social workers in some cases to assist families in need with procuring appropriate resources to get students to school and keep them there. In some cases CPS was called to assist with issues discovered by the TPU during home visits and/or student interviews.

WESD TPU has been contacted by several school districts around the Valley requesting information on our truancy program. The Arizona Department of Education has also expressed an interest in the WESD truancy program and spent the day with TPU staff on November 23, 2010 to gain more information.

Between August and December 1, 2010, the TPU has received more than 325 referrals and has conducted more than 400 home visits.
