2011. Dr. Cook introduced Ms. Cathy Thompson who, in turn, introduced Mr. Bill Davis of Piper Jaffrey & Co. who provided information regarding the bidding process. Mr. Davis advised the Board that the bidding process was very successful. He stated that the lowest true interest rate bid of 3.783732% was very good for the District, as well as the taxpayers.

Mr. Davis introduced Mr. Logan McKenzie of Piper Jaffrey & Co. who reviewed the two rating reports from Moody’s Investors Service and Standard & Poor’s. Mr. McKenzie stated that the analysts from both companies were confident with the District’s management, and recognized Ms. Cathy Thompson and her staff. Mr. McKenzie was pleased to report that the District received an Aa2 rating from Moody’s which was two steps above its 2007 rating.

Mr. Adams stated he was very pleased with the results of the bidding process and acknowledged the efforts of Ms. Thompson and her staff.

Mr. Jahneke advised he was pleased with the bidding results which were due to good fiscal management by the District.

Mr. Mazza thanked Mr. Davis and Mr. McKenzie for their guidance. Mr. Mazza acknowledged the process of continuous negotiation of the District’s fiscal management and thanked Dr. Cook, Ms. Thompson, and employees in the District involved in the process.

Dr. Cook advised the Board that the District was requesting direction for the Employee Benefit Trust regarding funding levels for 2011-2012. Dr. Cook introduced Mr. Rex Shumway who reviewed a possible recommendation of maintaining the same level of District contributions per employee, with additional funding to come from EBT contingency funds, plan design changes and/or Federal Jobs funding.

Ms. Graziano asked if there was enough in the EBT contingency funds to cover the deficit. Mr. Shumway replied that the EBT had been conservative and prudent with the contingency funds and had a good reserve. He advised that possible plan design changes would also be considered to reduce the deficit.

Ms. Graziano asked if Mr. Shumway could project how much of a premium increase might be incurred by employees. Mr. Shumway reported that it was too early to determine the cost, however, EBT would try to make smart plan design changes without dramatically impacting employees.
Mr. Maza thanked Mr. Shumway for his participation on the Trust Board and also thanked the Health Committee members for their involvement.

A motion was made by Mr. Jahneke that, based on the current revenue projections, the Governing Board direct the Employee Benefit Trust (EBT) to formulate an employee benefits plan recommendation for 2011-2012 that maintains the same level of District contributions as provided in the 2010-2011 plan in the amount of $5,046.48 per employee, with any additional funding to come from EBT contingency funds, plan design changes and/or Federal Jobs funding. The motion was seconded by Ms. Graziano. The motion carried.

Dr. Cook introduced Ms. Sue Snyder who reviewed the program, which would be mutually beneficial to the participant, as well as the District. Ms. Snyder provided responses to two outstanding questions from the February 1, 2011 Study Session.

- **Would smartschools participants be able to serve on District committees?**
  - A smartschools participant should be allowed to serve on:
    - IBN Team
    - Planning and Steering Council
    - Facilities Council
  - A smartschools participant should be allowed to serve on:
    - A curriculum related committee if the work of the committee impacted the participant’s current year students
    - A committee, including Site Council, only if doing so was a requirement of his/her position and the determination of the requirement would be overseen by the principal or Superintendent or designee

- **How would smartschools participants be impacted if regular employees are required to take a furlough day?**
  - Mr. Shumway’s response was that it would be handled contractually with smartschoolsplus, inc. and the intent, as a District, was that phased retirement employees would not be paid for any days for which regular District employees were not compensated.

Mr. Jahneke thanked everyone involved for the responses to the questions. He stated that everyone is showing due diligence in considering this matter.

A motion was made by Mr. Adams that the Governing Board authorize WESD to pursue a contract with smartschoolsplus, inc. for the 2011-2012 school year in accordance with the guidelines set forth in the Interest-Based Negotiation Team’s original proposal, along with the additional parameters set forth in the responses to questions shared. Mr. Jahneke asked for clarification on the Voice category of the six traits. Ms. Black stated that voice could be either first person vocal or third person perspective which is part of the Six Traits of Writing curriculum.

Ms. Graziano asked if all of the students/classes were involved in the program. Ms. Black responded that all teachers for the particular grade level participated, e.g., 4th, 5th, 6th grades.

Ms. Graziano asked if the program would be offered to other grade levels, other than 4th, 5th, and 6th grades. Ms. Black replied that because of additional stimulus funds this year, the program was able to be expanded to include 7th and 8th grade students at Royal Palm Middle School. Ms. Black stated that teachers have shared skills they have learned with other grade level teachers at staff meetings.

February 10, 2011
Ms. Graziano asked if Childsplay had plans to conduct in-service training for teachers not participating in the program. Ms. Black responded that they have been discussing possible opportunities with Ms. Natalie McWhorter, Director of Curriculum, for in-service, after-school, or summer presentations.

Ms. Graziano asked if Childsplay intended to apply for another grant since this grant will end this year. Ms. Black stated that they have been advised of a Professional Development for Arts Education Grant from the Department of Education in Washington, D.C., however, the District would need to apply for it and be the fiscal agent.
