- 3) Recurring Business
  - a. School updates-relatively smooth start to the school year, only issue is the continuing low enrollment. We saw about a 10% reduction in enrollment this year. Currently around 280 which it is a concern. Kindergarten had to go down to one teacher due to size, so Mrs. Schultz moved up to third grade. So grateful for all the staff that jumped into help with transitions. What are some things that we can do in the future to help with enrollment? There are also some air conditioning issues- happening around the district. We replaced 12 units this summer, but there are still some units that are down.
  - b. Select Employee of the Month: August
    - i. Consider requests for district Employee of the Month: August- Brandon Goldstein, FM, September- come back to later through email
  - c. Review tax credit requests
    - i. None at this time- no requests now, going to promote this to community partner meetings
- 4) New Business
  - a. Future meeting dates/times? October 1 - 2:30 tentative next mtg, then see what happens
  - b. School Safety Plan Review- plexiglass in office, door added in office, lock downs and fire drills practiced every month, security line at district to give updates to school, all gates covered at dismissal and arrival, cups to add coverage on fence, privacy mesh going up between us and alley
  - c. Next Meeting: September 25
