Mrs. Mosher

Welcome to 2nd Grade!

I am honored to have your child in my class and look forward to a successful and enriching year together. This marks my third year as an educator and my first year teaching second grade. It is a privilege to be part of the Sahuaro community, and I am eager to support your child as they embark on this important stage in their academic journey. Throughout the year, I have planned a range of thoughtfully designed activities intended to foster a love of learning and lay a strong foundation for future academic achievement. I sincerely hope you will partner with me in encouraging and supporting this vision at home.

About Me

Hello! I am Jennifer Mosher. I have lived in Arizona for 17 years and happily married for 13 to my husband Jerry. We have an amazing 9 year old daughter, Maze, also attending Sahuaro. We have a cat, a bird, and a fish. On spare time, I enjoy taking my daughter to the movies or roaming the mall.

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
