Ms. Snyder introduced the IBN team members who were in attendance at the Board meeting and reviewed the IBN team’s recommendations that were made utilizing the interest-based process to reach consensus. Ms. Snyder reported that the interest-based process was non-adversarial and non-positional, and was based on trust, communication, and consensus building. She stated that the process had proven to be very effective for many years in the District.

A motion was made by Mrs. Lambert that the Governing Board approve the following recommendations. The motion was seconded by Ms. Graziano. The motion carried.

1. It was recommended that a one-time, lump sum payment be distributed to employees according to a tiered payment matrix that is based on length of consecutive employment with WESD. Employees with a start date of 2/1/2015 or earlier are eligible to receive the one-time, lump sum payment, including those whose salary is at or beyond the current ending salary of the applicable salary schedule. The cost of this compensation plan is approximately $1 million.

   o On 8/21/2015, distribute a one-time, lump sum payment of $300.00 to each 1.0 FTE employee with a start date between 7/1/2011 and 2/1/2015, and still employed by WESD in a regular position as of 8/14/2015. For less than full-time employees, prorate the lump sum based on FTE as of 3/31/2015.

   o On 8/21/2015, distribute a one-time, lump sum payment of $350.00 to each 1.0 FTE employee with a start date between 7/1/2006 and 6/30/2011, and still employed by WESD in a regular position as of 8/14/2015. For less than full-time employees, prorate the lump sum based on FTE as of 3/31/2015.

   o On 8/21/2015, distribute a one-time, lump sum payment of $500.00 to each 1.0 FTE employee with a start date between 7/1/1991 and 6/30/1996, and still employed by WESD in a regular position as of 8/14/2015. For less than full-time employees, prorate the lump sum based on FTE as of 3/31/2015.

2. It was recommended that the stipend hourly rate for temporary, after-school instructors be increased from $20.33 to $25.00 effective with the 2015-2016 school year, with no cost to the M&O budget.

April 9, 2015
B. 2014-2015 Revenue Budget
Dr. Cook advised the Board that they were being presented with the 2014-2015 Revenue Budget, which was no longer a requirement by the State of Arizona. However, action by the Board was recommended by the auditors in order to prepare the Comprehensive Annual Financial Report. Dr. Cook introduced Mr. David Velazquez who provided the information.

Mr. Velazquez advised there was one new line item on page 25 – Fund 665 – Energy and Water Savings. He reported that the Legislature now allows the District to capture the savings it incurs from its energy savings programs.

Ms. Graziano thanked Mr. Velazquez for the report and asked what Fund 565 - Litigation Recovery was? Mr. Velazquez responded that the funds were from an old Microsoft class-action lawsuit. He reported that the funds had been reserved for repairs and purchases made by the Management Information System (MIS) Department.

A motion was made by Mr. Jahneke that the Governing Board approve the stated revenue amounts as estimated budget for the 2014-2015 fiscal year. The motion was seconded by Mr. Herrera. The motion carried.

C. Head Start Update, Philosophy, Long-Range and Short-Range Goals, and Self-Assessment Plan
Dr. Cook advised the Board that the District was required by the City of Phoenix and the Federal Regulations to annually present a review of the Head Start Program philosophy, long-range and short-range program goals, and the self-assessment process. Dr. Cook introduced Ms. Diana Howsdens, Director of Head Start Services, and Ms. Michaela Pilsbury, Head Start Program Coordinator, to present information regarding the Head Start Program.

Ms. Howsdens provided an update about the District’s Head Start Program and Ms. Pilsbury provided a review of the self-assessment process.

Mrs. Lambert stated that the Head Start Program had a positive effect on the 700 students and their families to get them prepared to enter the educational system. She expressed her appreciation to the Head Start staff for all that they do.

Mr. Herrera reported that he was a strong supporter of the Head Start Program because he had participated in the program as a child and had fond memories of the experience. Mr. Herrera stated that he had received favorable comments from kindergarten teachers that the Head Start students were well prepared when they started school.

Ms. Graziano thanked Ms. Howsdens and Ms. Pilsbury for their efforts and hard work. She stated that since the program only funded enrollment for 588 children and the actual enrollment was 700 children (reflected children entering and leaving the program), there must be a long waiting list. Ms. Howsdens replied that they were required to have a 20% waiting list, however, they had many more children on the waiting list. Ms. Graziano wished the District had more funding and classrooms to accommodate all of the children on the waiting list.

A motion was made by Mr. Adams that the Governing Board approve the Preschool/Head Start Philosophy, the Head Start Long-Range and Short-Range Goals, and the Self-Assessment Plan. The motion was seconded by Mr. Herrera. The motion carried.
D. **RFQ #14.021, Construction Manager at Risk (CMAR) Services for Multi-site Door Hardware Replacement Project – Guaranteed Maximum Price (GMP) with Brignall Construction in an Amount Not-to-Exceed $1,405,131.00**

Dr. Cook advised the Board that they were being presented with a recommendation for Construction Manager at Risk Services. Dr. Cook introduced Mr. Howard Kropp to offer information and advised that Mr. Mike Kramer, Director of Capital Projects/Maintenance, and Mr. Paul Hartley of H2 Group were also present to answer questions.

Mr. Kropp stated that the District was recommending the guaranteed maximum price for the multi-site door hardware replacement project (10 locations) with Brignall Construction as the Construction Manager at Risk (CMAR) to complete the project. He advised that Susan Rojas from Brignall Construction was also available to answer questions.

Ms. Graziano asked if the guaranteed maximum price included the contingency. Mr. Kropp confirmed that it did include the contingency.

Mr. Adams commended everyone involved with the project and stated that Brignall Construction had a good reputation.

A motion was made by Ms. Graziano that the Governing Board approve the Guaranteed Maximum Price for the Multi-site Door Hardware Replacement Project with Brignall Construction as the Construction Manager at Risk in an amount not to exceed $1,405,131.00. The motion was seconded by Mr. Jahnke. The motion carried.

E. **Utilize Intergovernmental Cooperative Purchase Agreements with Mohave Education Services Cooperative (MESC)**

Dr. Cook introduced Ms. Cathy Thompson, Director of Business Services, to provide information regarding the utilization of an intergovernmental cooperative purchase agreement with Mohave Education Services Cooperative (MESC).

Ms. Thompson reported that two buses were out of commission and the District did not have the funding to purchase replacement buses. She advised that the lease purchase of three buses would not impact the capital budget plan negatively.

Ms. Graziano asked if the three-year lease of the three buses instead of purchasing one bus would sustain the District for three years. Ms. Thompson replied that the District should replace three to four buses per year due to an aging fleet, however, the budget could not meet the need. Therefore, this recommendation for the lease purchase of three buses would increase the ability of the Transportation Department to meet the needs of our students on a daily basis without an impact to the capital budget plan.

Mr. Adams asked if there was a penalty if there was a need for the District to terminate the lease. Ms. Thompson responded that there was a provision that the lease was contingent on the Governing Board allocating the funding for any given year. She advised that this provision was on every lease that the District had signed. Ms. Thompson reported that if the Board did not allocate funding for any given year, the buses would be surrendered with no penalty.

April 9, 2015
A motion was made by Mr. Jahneke that the Governing Board approve the lease purchase of three 78-passenger buses under the Intergovernmental Cooperative Purchase Agreement with Mohave Educational Services Cooperative (MESC). The annual cost for the lease is $147,773.00 for a total cost of $443,319.00 over three years. It was further moved that the Governing Board authorize the Superintendent to execute all documents related to the lease. The motion was seconded by Mr. Herrera. The motion carried.

IX. FUTURE AGENDA ITEMS
There were no future agenda items.

X. ADJOURNMENT
A motion was made by Mr. Adams to adjourn the Regular Meeting at 8:20 p.m. The motion \textbf{UNANIMOUS} was seconded by Mr. Jahneke. The motion carried.

WASHINGTON ELEMENTARY SCHOOL DISTRICT No. 6

TO: Governing Board  
FROM: Dr. Susan J. Cook, Superintendent  
DATE: April 23, 2015  
AGENDA ITEM: Renewal of Intergovernmental Agreement with Mesa Unified School District for the Mesa Distance Learning Program.  
INITIATED BY: Natalie McWhorter, Director of Curriculum  
SUBMITTED BY: Natalie McWhorter, Director of Curriculum  
PRESENTER AT GOVERNING BOARD MEETING: Natalie McWhorter, Director of Curriculum  
GOVERNING BOARD POLICY REFERENCE OR STATUTORY CITATION: BBA and A.R.S 15-808

SUPPORTING DATA

On June 30, 2012 the Governing Board approved an extension of the original 2005 Intergovernmental Agreement (IGA) between Washington Elementary School District (WESD) and Mesa Unified School District for the Mesa Distance Learning Program for July 1, 2012 through June 30, 2015. This agreement has enabled WESD to offer rigorous, interactive, standards-based, online instructional programs to current District students in alternative education placements, as well as to home-schooled students who reside within the District boundaries. For special education, gifted, and homebound students, distance learning may provide an effective instructional delivery option in lieu of more traditional services. Furthermore, distance learning may enhance the at-home educational experience for home-schooled students, while contributing to the District’s Average Daily Membership (ADM).

This is a renewal of the IGA for the period of July 1, 2015 through June 30, 2018.

The renewal has been reviewed by the District Legal Counsel.

SUMMARY AND RECOMMENDATION

It is recommended that the Governing Board approve the renewal of the Intergovernmental Agreement between Washington Elementary School District and Mesa Unified School District for the Mesa Distance Learning Program for July 1, 2015 through June 30, 2018 and authorize the Superintendent to execute the necessary documents on behalf of the District.

FROM:                  Dr. Susan J. Cook, Superintendent
DATE:                  April 23, 2015
AGENDA ITEM:           To Consider and, if Deemed Advisable, to Adopt a Resolution Authorizing the Issuance and Sale of School Improvement Bonds for the School District
INITIATED BY:          Cathy Thompson, Director of Business Services
SUBMITTED BY:          Cathy Thompson, Director of Business Services
PRESENTER AT GOVERNING BOARD MEETING:         Erika Miller, Vice President, Stifel, Nicolaus & Company
GOVERNING BOARD POLICY REFERENCE OR STATUTORY CITATION:   BBA

SUPPORTING DATA

A special bond election was held on November 2, 2010 in which a majority of the qualified electors voting at the election authorized the issuance of $65,000,000.00 of school improvement bonds for Washington Elementary School District. The bonds are classified "Class B" bonds for all purposes under Arizona Revised Statutes, Title 15, Chapter 4, Article 5, and Chapter 9, Article 7.

The District completed the issuance and sale of $10,000,000.00 in Class B bonds under the 2010 School Improvement Bond Authorization in February 2011. An additional issuance and sale of $20,000,000.00 was completed in August 2012. In order to expedite some building system replacements in 2014, an issuance and sale of $5,000,000.00 was completed in May 2014.

The District now proposes the issuance and sale of not to exceed $5,000,000 in Class B bonds of the $30,000,000.00 of bonds that remain authorized for sale, but not yet issued, under the 2010 School Improvement Bond Authorization. In an effort to manage the total annual levy, there is no large bond sale planned until a later date in 2016. The bond sale being recommended will enable the District to begin design work on projects scheduled for completion in 2016.

SUMMARY AND RECOMMENDATION

It is recommended the Governing Board adopt a Resolution authorizing the issuance and sale of School Improvement Bonds for the District in an amount not to exceed $5,000,000.00.

Agenda Item III.A.
To Consider and, if Deemed Advisable, to Adopt a Resolution Authorizing the Issuance and Sale of School Improvement Bonds for the School District
April 23, 2015
Page 2

In some previous bond sales, the District has sold bonds in a public sale. This proposed sale is recommended to be through the Maricopa County Treasurer or private investor at an estimated interest rate not to exceed three percent. Final maturity of these bonds will not exceed five years. The cost to issue is also less for these types of sales. Some of the items considered when determining the payment schedule of bond debt are the tax impact and adhering as closely as possible to what was stated in the election pamphlet. This sale will not cause the District to exceed the annual levy that was included in the bond election pamphlet distributed to voters.

Erika Miller, Vice President at Stifel, Nicolaus & Company, will be available to answer any questions regarding the details of the sale.
RESOLUTION

RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF WASHINGTON ELEMENTARY SCHOOL DISTRICT NO. 6 OF MARICOPA COUNTY, ARIZONA, SCHOOL IMPROVEMENT BONDS, PROJECT OF 2010, TAXABLE SERIES D (2015); PROVIDING CERTAIN TERMS, COVENANTS AND CONDITIONS CONCERNING THE BONDS; PROVIDING THE FORM OF BONDS; PROVIDING FOR THE DISPOSITION OF THE PROCEEDS OF SUCH BONDS; PROVIDING FOR THE ANNUAL LEVY OF A TAX FOR THE PAYMENT OF THE BONDS; ACCEPTING THE PROPOSAL OF THE MARICOPA COUNTY TREASURER TO ACT AS THE REGISTRAR, TRANSFER AGENT AND PAYING AGENT WITH RESPECT TO THE BONDS; WAIVING THE FEDERAL TAX-EXEMPTION FOR THE BONDS; ACCEPTING A PROPOSAL FROM THE MARICOPA COUNTY TREASURER FOR THE PURCHASE OF THE BONDS; AND RATIFYING ALL ACTIONS TAKEN OR TO BE TAKEN WITH RESPECT TO THE BONDS.

WHEREAS, Washington Elementary School District No. 6 of Maricopa County, Arizona (the "District"), held a special bond election in and for the District on November 2, 2010 (the "Election"), at which a majority of the qualified electors voting at the Election authorized the issuance of school improvement bonds; and

WHEREAS, by this Resolution the Governing Board of the District (the "Board") will order the sale of not to exceed $5,000,000 aggregate principal amount of the District's School Improvement Bonds, Project of 2010, Taxable Series D (2015) (the "Bonds"); and

WHEREAS, with the aid of Stifel, Nicolaus & Company, Incorporated, the District's placement agent, the Board expects to receive an offer to purchase of the Bonds from the Treasurer of Maricopa County, Arizona (the "Treasurer") in substantially the form of a Bond Purchase Agreement attached as Exhibit B hereto (the "Bond Purchase Agreement") and the District desires that the Bonds be sold through negotiation to the Treasurer on such terms as may meet the parameters of this resolution and hereafter be approved by the District Superintendent or the Business Services Director; and

WHEREAS, within and by the parameters set forth in this resolution, the Board shall authorize the execution, issuance and sale of the Bonds and their delivery to the Treasurer in accordance with the Bond Purchase Agreement;

NOW, THEREFORE, IT IS RESOLVED BY THE GOVERNING BOARD OF WASHINGTON ELEMENTARY SCHOOL DISTRICT NO. 6 OF MARICOPA COUNTY, ARIZONA, AS FOLLOWS:

Section 1. Authorization. This Board hereby authorizes to be issued and sold a series of bonds in an aggregate principal amount of not to exceed $5,000,000. The Bonds so authorized shall be designated Washington Elementary School District No. 6 of Maricopa County, Arizona, School Improvement Bonds, Project of 2010, Taxable Series D (2015), and shall be issued and sold in accordance with the provisions of this resolution and applicable laws. The interest income on the Bonds shall not be exempt from federal income taxes; provided, however,
that such waiver of the exemption from federal income taxes shall not be construed to be a waiver that extends to any bonds issued to refund the Bonds, unless the resolution authoring such refunding bonds shall contain an equivalent waiver. The series designation of the Bonds may change to reflect the name of the Bonds at the time of sale.

Section 2. Terms.

A. Bonds. The Bonds shall be dated the date of initial delivery to the Treasurer, shall mature on July 1 in some or all of the years 2015 to 2019, inclusive, and shall bear interest from their date to the maturity or earlier redemption of each of the Bonds, provided that the adjusted bond yield (as determined pursuant to the regulations of the Internal Revenue Code) shall not exceed 3.0% per annum. The Bonds shall be classified as "Class B" Bonds for all purposes of Arizona Revised Statutes, Title 15, Chapter 4, Article 5, and Chapter 9, Article 7.

The principal amount maturing in each year, the interest rates applicable to each maturity, the optional and mandatory redemption provisions and any other final terms of the Bonds shall be as set forth in the Bond Purchase Agreement and approved by the President or any other member of the Board, such approval shall be evidenced by the execution and delivery of the Bond Purchase Agreement.

The Bonds shall be issued in denominations of $100,000 or greater thereof and shall be issued in fully registered form. Initially, the Bonds shall be issued as fully registered bonds registered in the name of the Treasurer. Interest on the Bonds shall be payable semiannually on each January 1 and July 1 (each an Interest Payment Date) during the term of the Bonds, commencing July 1, 2015 or such other date as provided in the Bond Purchase Agreement. The denominations may not be changed or reduced without the District's consent.

Principal of the Bonds shall be payable, when due, upon surrender of such Bond, at the designated office of the Treasurer (acting as the "Bond Registrar" and "Paying Agent").

Notwithstanding any other provisions of this resolution, so long as the Bonds are owned by the Treasurer, or any other entity for which such Treasurer acts as Treasurer, the Treasurer may without notice to the District set off any amount of interest that has come due or principal that has matured, from the District's debt service account.

The Bonds shall have such other terms and provisions as are set forth in the form of Bond Purchase Agreement in substantially the form set forth in Exhibit B hereto.

Section 3. Prior Redemption. The Bonds may be subject to optional redemption prior to their stated maturity dates as provided in the Bond Purchase Agreement.

Section 4. Security. For the purpose of paying the principal of, interest on and costs of administration of the registration and payment of the Bonds, there shall be levied on all the taxable property in the District a continuing, direct, annual, ad valorem tax sufficient to pay all such principal, interest and administration costs as the same becomes due, such taxes to be levied, assessed and collected at the same time and in the same manner as other taxes are levied, assessed and collected. The proceeds of the taxes shall be kept in a special fund entitled the Debt Service.
Fund of the District and shall be used only for the payment of principal, interest, premium, if any, or costs as above-stated. If for any reason, the amount on deposit in the District's debt service fund is insufficient to pay on the date of payment, the principal, interest and premium (if any) due on the Bonds, the District hereby authorizes the Treasurer to pay such deficiency from any District funds lawfully available therefor.

Section 5. Use of Proceeds. Upon the delivery of and payment for the Bonds in accordance with the terms of their sale, the net proceeds from the sale of the Bonds, after payment of the expenses of issuance, shall be set aside and deposited by the Treasurer in a separate fund entitled the Bond Building Fund of the District.

The proceeds of the Bonds shall be expended only for the purposes set forth in the ballot and voter pamphlet used at the Election wherein issuance of the Bonds was approved (except for such changes allowed by law) and to pay the costs of issuance of the Bonds and the cost of a bond insurance premium, if applicable. Any premium received from the sale of the Bonds shall be used to pay the placement agent's compensation and any other costs of issuance lawfully payable from such proceeds.

Section 6. Form of Bonds. Pursuant to A.R.S. § 35-491, a fully registered bond form is adopted as an alternative to the form of bond provided in A.R.S. § 15-1023. So long as the Book-Entry-Only System is in effect with respect to the Bonds, the Bonds shall be in substantially the form of Exhibit A attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby or by the Bond Purchase Agreement and are approved by those officers executing the Bonds; execution thereof by such officers shall constitute conclusive evidence of such approval.

The Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Bond shall show both the date of the issue and the date of such Bond's authentication and registration. The Bonds are prohibited from being converted to coupon or bearer form without the consent of the Board and approval of bond counsel.

Section 7. Execution of Bonds and Other Documents.

A. Bonds. The Bonds shall be executed for and on behalf of the District by its President by manual or facsimile signature. If an officer whose signature is on a Bond no longer holds that office at the time the Bond is authenticated and registered, such Bond shall nevertheless be valid.

A Bond shall not be valid or binding until authenticated by the manual signature of an authorized representative of the Registrar of the Bonds. The signature of the authorized representative of the Registrar shall be conclusive evidence that such Bond has been authenticated and issued pursuant to this resolution.

B. Bond Purchase Agreement. The Bond Purchase Agreement between the District and the Treasurer, substantially in the form attached as Exhibit B, is approved and the President or any other member of this Board is authorized to execute and deliver such Bond Purchase Agreement when fully completed.
C. **Agreement.** The Agreement between the District and the Maricopa County Treasurer, substantially in the form attached as *Exhibit C*, is approved and the President or any other member of this Board is authorized to execute and deliver such Agreement at the time the Bonds are initially registered.

**Section 8. Mutilated, Lost or Destroyed Bonds.** In case any Bond becomes mutilated or destroyed or lost, the District shall cause to be executed, authenticated and delivered a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of the mutilated Bond or in lieu of and in substitution for the Bond destroyed or lost, upon the owner's paying the reasonable expenses and charges of the District in connection therewith and, in the case of the Bond destroyed or lost, filing with the Registrar and the Treasurer of evidence satisfactory to the Registrar and the Treasurer that such Bond was destroyed or lost, and furnishing the Registrar and the Treasurer with a sufficient indemnity bond pursuant to A.R.S. § 47-8405.

**Section 9. Acceptance of Offer; Sale of Bonds; Approval.** The offer of the Treasurer to pay the principal amount of the Bonds, for the Bonds bearing the interest rates to be set forth on the completed Bond Purchase Agreement, substantially in the form shown on *Exhibit B* hereto is hereby accepted and the Bonds are ordered sold to the Treasurer in accordance with the terms of such proposal; provided, however, that the terms set forth in the finally-adopted Bond Purchase Agreement shall be within the parameters set out in this resolution.

The Treasurer is hereby authorized and directed to cause the Bonds to be delivered to or upon the order of the Treasurer upon receipt of payment therefor and satisfaction of the other conditions for delivery thereof in accordance with the terms of the Bond Purchase Agreement. Any other provisions of this resolution to the contrary notwithstanding, the Bonds will not be sold for a total amount that is less than the aggregate par amount of all of the Bonds so sold and no premium on the Bonds shall exceed the net premium permitted by A.R.S. § 15-1024.

**Section 10. Registrar.** The District will maintain an office or agency where Bonds may be presented for registration or transfer and an office or agency where Bonds may be presented for payment. The District may appoint one or more co-registrars or one or more additional Paying Agents. The Registrar and Paying Agent may make reasonable rules and set reasonable requirements for their respective functions with respect to the owners of the Bonds.

Initially, the Treasurer is appointed to act as Registrar and Paying Agent with respect to the Bonds. The District or the Treasurer may change the Registrar or Paying Agent without notice to or consent of owners of the Bonds and the District may act in any such capacity.

Each Paying Agent shall be required to agree in writing that the Paying Agent will hold in trust for the benefit of the owners of the Bonds all moneys held by the Paying Agent for the payment of principal of and interest and any premium on the Bonds.

The Registrar may appoint an authenticating agent acceptable to the District to authenticate Bonds. An authenticating agent may authenticate Bonds whenever the Registrar may do so. Each reference in this resolution to authentication by the Registrar includes authentication.
by an authenticating agent acting on behalf and in the name of the Registrar and subject to the Registrar's direction.

The Registrar shall keep a separate register for the Bonds which will show the registered owners of the Bonds and of transfer of the Bonds. When Bonds are presented to the Registrar or a co-registrar with a request to register transfer, the Registrar shall register the transfer on the registration books if its requirements for transfer are met and shall authenticate and deliver one or more Bonds registered in the name of the transferee of the same principal amount, maturity and rate of interest as the surrendered Bonds. All transfer fees and costs shall be paid by the transferor. The "Record Date" for the Bonds shall be the close of business of the Registrar on the fifteenth day of the month preceding an interest payment date or principal payment date, as applicable. The Registrar may, but shall not be required to, transfer or exchange any Bonds during the period commencing on the Record Date to and including the respective Interest Payment Date. If the Registrar transfers or exchanges Bonds within the period referred to above, interest on such Bonds shall be paid to the person who was the registered owner at the close of business of the Registrar on the Record Date as if such transfer or exchange had not occurred.

The Registrar shall authenticate Bonds for original issue up to $5,000,000 in aggregate principal amount upon the written request of the Treasurer. The aggregate principal amount of Bonds outstanding at any time may not exceed that amount except for replacement Bonds as to which the requirements of the Registrar and the District are met.

Section 11. Resolution a Contract. This resolution shall constitute a contract between the District and the Owners of the Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the Owners of the Bonds then outstanding. The performance by the Board of the obligations in this resolution and in the Bonds and the Bond Purchase Agreement is hereby authorized and approved.

Section 12. Investment of Moneys. Pursuant to A.R.S. §§ 15-1024 and 15-1025, subject to the provisions of Section 12 hereof, this resolution shall be construed as a request and continuing consent of this Board to invest moneys in the Debt Service Fund established for the Bonds and the proceeds of the Bonds deposited in the Bond Building Fund pending use, in (i) any of the securities allowed by A.R.S. § 15-1025 and (ii) the local government investment pool established under A.R.S. § 35-326, so long as the pool only invests in securities allowed by A.R.S. § 15-1025. This resolution shall constitute the continuing consent of this Board to such investment and no further annual consent need be given; provided, however, that the District, acting through its Superintendent or Business Services Director, may at any time provide written investment instructions to the Treasurer during any fiscal year and the Treasurer, to the extent such investments are lawful, is hereby directed to invest the moneys designated in the written instructions in the investments set forth in such instructions.

Section 13. Ratification of Actions. All actions of the officers and agents of the District which conform to the purposes and intent of this resolution and which further the issuance and sale of the Bonds as contemplated by this resolution whether heretofore or hereafter taken are hereby ratified, confirmed and approved. The proper officers and agents of the District are hereby authorized and directed to do all such acts and things and to execute and deliver all such
documents on behalf of the District as may be necessary to carry out the terms and intent of this resolution.

This Board hereby acknowledges bond counsel's representation of the Treasurer in matters not involving the District or the Bonds and hereby consents to the representation of the District in the matters set forth in this resolution.

Section 14. Representations, Warranties and Covenants of the District. The District hereby represents, warrants and covenants as follows:

(a) The proceeds of any Class A bonds (as defined in A.R.S. § 15-101(4)) of the District have been spent or obligated in contract;

(b) Bond proceeds shall not be expended for soft capital items or other items whose useful life is less than the average life of the Bonds, except as provided in paragraph (e) below;

(c) Bond proceeds shall not be expended for items whose useful life is less than five years, except as provided in paragraph (e) below;

(d) Bond proceeds shall not be used to pay the expenses of the Election; and

(e) Bond proceeds may be expended for furniture, equipment and technology, so long as the final maturity of the Bonds is not more than five (5) years.

Section 15. Severability. If any section, paragraph, subdivision, sentence, clause or phrase of this resolution is for any reason held to be illegal, invalid or unenforceable, such decision shall not affect the validity of the remaining portions of this resolution. The Board hereby declares that it would have adopted this resolution and each and every other section, paragraph, subdivision, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this resolution may be held illegal, invalid or unenforceable.
PASSED, ADOPTED AND APPROVED by the Governing Board of Washington Elementary School District No. 6 of Maricopa County, Arizona, on April 23, 2015.

Ladies and Gentlemen:

The undersigned, the Maricopa County Treasurer, Maricopa County, Arizona (the "Treasurer"), acting on its own behalf and not acting as fiduciary or agent for you, offers to enter into this Bond Purchase Agreement (the "Bond Purchase Agreement") with Washington Elementary School District No. 6 of Maricopa County, Arizona (the "Issuer") which, upon the Issuer's written acceptance of this offer, will be binding upon the Issuer and upon the Treasurer. This offer is made subject to the Issuer's written acceptance hereof on or before 11:59 p.m., Mountain Standard Time, on ________, 2015, and, if not so accepted, will be subject to withdrawal by the Treasurer upon notice delivered to the Issuer at any time prior to the acceptance hereof by the Issuer. Terms not otherwise defined in this Bond Purchase Agreement shall have the same meanings set forth in the Bond Resolution (as defined herein).

1. **Purchase and Sale of the Bonds.** Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein and any certificates or other documents to be delivered to the Treasurer pursuant to this Bond Purchase Agreement, the Treasurer hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Treasurer, all, but not less than all, of the Issuer's $__________ aggregate principal amount of School Improvement Bonds, Project of 2010, Taxable Series D (2015) (the "Bonds"). Inasmuch as this purchase and sale represents a negotiated transaction, the Issuer understands, and hereby confirms, that the Treasurer is not acting as a fiduciary of the Issuer, but rather is acting solely in its capacity as Treasurer for its own account. The Treasurer has been duly authorized to execute this Bond Purchase Agreement and to act hereunder.

The principal amount of the Bonds to be issued, the dated date therefor, the maturities, sinking fund and optional redemption provisions, the interest rates per annum and the prices or yields per maturity are set forth in Schedule I hereto. The Bonds shall be as described in, and shall be issued pursuant to the provisions of, the resolution adopted by the Issuer on April 23, 2015 (the "Bond Resolution").
The purchase price for the Bonds shall be $______ (the "Purchase Price"). The Treasurer shall also be reimbursed for its expenses, if any as set forth in paragraph 7 hereof.

The Treasurer will purchase the Bonds for its own account, and without a view to resale.

2. **IGA: Filing with Department of Revenue.**

At the time of acceptance hereof by the Issuer, the Issuer agrees it shall enter into a written agreement with the Treasurer in substantially the form approved by the District pursuant to the Bond Resolution (the "Agreement").

The Issuer shall file the information required to be submitted to the Arizona Department of Revenue pursuant to A.R.S. Section 35-501(B) within sixty (60) days of the date of the Closing (as defined herein).

3. **Representations, Warranties, and Covenants of the Issuer.** The undersigned, on behalf of the Issuer, but not individually, represents and warrants to and covenants with the Treasurer that:

   (a) The Issuer is a school district of the State of Arizona (the "State") duly created, organized and existing under the Constitution of the State and the laws of the State, and has full legal right, power and authority, and at the date of the Closing will have full legal right, power and authority (i) to enter into, execute and deliver, as applicable, this Bond Purchase Agreement, the Bond Resolution and the Agreement between the Treasurer and the Issuer concerning the Bonds (collectively hereinafter referred to as the "Issuer Documents"), and all documents required hereunder and thereunder to be executed and delivered by the Issuer, (ii) to sell, issue and deliver the Bonds to the Treasurer as provided herein, and (iii) to carry out and consummate the transactions contemplated by the Issuer Documents. The Issuer has complied, and will at the Closing be in compliance in all material respects, with the terms of the Issuer Documents as they pertain to such transactions;

   (b) By all necessary official action of the Issuer prior to or concurrently with the acceptance hereof, the Issuer has duly authorized all necessary action to be taken by it for (i) the adoption of the Bond Resolution and the issuance and sale of the Bonds, (ii) the approval, execution and delivery of, and the performance by the Issuer of the obligations on its part, as applicable, contained in the Bonds and the Issuer Documents, and (iii) the President of the Governing Board to approve the consummation by it of all other transactions contemplated by the Issuer Documents;

   (c) The Issuer Documents constitute legal, valid and binding obligations of the Issuer, enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; the Bonds, when issued, executed, authenticated, delivered and paid for, in accordance with the Issuer Documents, will constitute legal, valid and binding obligations of the Issuer entitled to the benefits of the Constitution and laws of the State and the Bond Resolution and are secured and payable by a legal, valid and binding levy on all of the taxable property in the Issuer of a direct, annual, ad valorem tax, unlimited as to rate or amount, sufficient to pay the principal of and interest on the Bonds as the same becomes due;

   (d) The Issuer is not in material breach of or default in any material respect under any applicable constitutional provision, law or administrative regulation of the State or the United States or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or to which the Issuer is or any of its property or assets are otherwise
subject, and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the Issuer under any of the foregoing; and the execution and delivery of the Bonds, the Issuer Documents and the adoption of the Bond Resolution and compliance with the provisions on the Issuer's part contained therein, will not conflict with or constitute a material breach of or default under any constitutional provision, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party to or which the Issuer is or to which any of its property or assets are otherwise subject nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer from which the Bonds are payable or under the terms of any such law, regulation or instrument, except as provided by the Bonds and the Bond Resolution;

(e) The Issuer has made all required filings with, and has obtained all authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under the Issuer Documents, and the Bonds;

(f) There is no litigation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer after due inquiry, threatened against the Issuer, affecting the existence of the Issuer or the titles of its officers to their respective offices, or affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the collection of taxes for the payment of principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds or the Issuer Documents, or contesting the powers of the Issuer or any authority for the issuance of the Bonds, the adoption of the Bond Resolution or the execution and delivery of the Issuer Documents, nor, to the best knowledge of the Issuer, is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Bonds or the Issuer Documents;

(g) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Bond Resolution;

(h) The financial statements of, and other financial information regarding the Issuer fairly present the financial position and results of the Issuer as of the dates and for the periods therein set forth; prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Issuer, and the Issuer is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Issuer, would have a materially adverse effect on the financial condition of the Issuer; and

(i) The Issuer has submitted to the Arizona Department of Revenue the information required with respect to previous bond issues, securities and lease-purchase agreements of the Issuer pursuant to A.R.S. Section 35-501(B).

4. Closing.

(a) At 9:00 a.m., Mountain Standard Time, on _____, 2015, or at such other time and date as shall have been mutually agreed upon by the Issuer and the Treasurer (the "Closing"), the Issuer will, subject to the terms and conditions hereof, deliver the Bonds to the Treasurer duly executed and authenticated, together with the other documents hereinafter mentioned, and the Treasurer will, subject to the terms and conditions hereof, accept such delivery and pay the purchase price of the Bonds as set forth
in Section 1 of this Bond Purchase Agreement by wire transfer or other funds which are immediately available funds to the order of the Issuer.

(b) The Bonds shall be delivered as provided in the Bond Resolution. Delivery of the Bonds will be made with the Treasurer, acting as the Registrar.

5. Closing Conditions. The Treasurer has entered into this Bond Purchase Agreement in reliance upon the representations, warranties and agreements of the Issuer contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the date of the Closing. Accordingly, the Treasurer's obligations under this Bond Purchase Agreement to purchase, to accept delivery of and to pay for the Bonds shall be conditioned upon the performance by the Issuer of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following additional conditions, including the delivery by the Issuer of such documents as are enumerated herein, in form and substance reasonably satisfactory to the Treasurer:

(f) At the time of the Closing, there shall not have occurred any change or any development involving a prospective change in the condition, financial or otherwise, of the revenues or operations of the Issuer, that in the judgment of the Treasurer, is material and adverse and that makes it, in the judgment of the Treasurer, impracticable to purchase the Bonds;

(g) The Issuer shall not have failed to pay principal or interest when due on any of its outstanding obligations for borrowed money;

(h) All steps to be taken and all instruments and other documents to be executed, and all other legal matters in connection with the transactions contemplated by this Bond Purchase Agreement shall be reasonably satisfactory in legal form and effect to the Treasurer;

(4) The opinion of Bond Counsel shall also state, substantially to the effect that:

   (iii) the Issuer Documents have been duly authorized, executed and delivered by the Issuer and the Treasurer, as applicable, and (assuming due authorization and execution by the other parties thereto) are legal, valid and binding obligations of the respective parties, enforceable in accordance with their terms, subject to customary exceptions for bankruptcy and judicial discretion; and

   (iv) the Agreement has been duly authorized, executed and delivered by the Issuer and, subject to appropriation to provide for the costs of compliance therewith, is a legal, valid and binding obligation of the Issuer, enforceable in accordance with its terms; subject to customary exceptions;

(5) A certificate, dated the date of Closing, of an appropriate representative of the Issuer to the effect that to the best of his or her knowledge (i) the representations and warranties of the Issuer contained herein are true and correct in all material respects on and as of the date of Closing as if made on the date of Closing; (ii) no litigation or proceeding or tax challenge against it is pending or, to its knowledge, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the members or officials of the Issuer to hold and exercise their respective positions, (b) contest the due organization and valid existence of the Issuer, (c) contest the validity, due authorization and execution of the Bonds or the Issuer Documents or (d) attempt to limit, enjoin or otherwise restrict or prevent the Issuer from functioning and collecting revenues, including payments on the Bonds, pursuant to the Bond Resolution, and other income or the levy or collection of the taxes pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof; and (iii) the Bond Resolution has been duly adopted by the Issuer, is in full force and effect and has not been modified, amended or repealed;
(6) A certificate of the Issuer in form and substance satisfactory to Bond Counsel that the interest income on the Bonds is not exempt from federal income taxes, but is exempt from Arizona income taxes;

(7) Any other certificates and opinions required by the Bond Resolution for the issuance thereunder of the Bonds; and

(8) Such additional legal opinions, certificates, instruments and other documents as the Treasurer may reasonably request to evidence the truth and accuracy, as of the date hereof and as of the date of the Closing, of the Issuer’s representations and warranties contained herein and the due performance or satisfaction by the Issuer on or prior to the date of the Closing of all the respective agreements then to be performed and conditions then to be satisfied by the Issuer.

All of the opinions, letters, certificates, instruments and other documents mentioned above or elsewhere herein shall be deemed to be in compliance with the provisions hereof if, but only if, they are in form and substance satisfactory to the Treasurer.

6. **Termination.** The Treasurer shall have the right to cancel their obligation to purchase the Bonds if, between the date of this Bond Purchase Agreement and the Closing, the market price or marketability of the Bonds shall be materially adversely affected, in the sole judgment of the Treasurer, by the occurrence of any of the following:

   (a) legislation introduced in or enacted (or resolution passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, including any or all underlying arrangements, are not exempt from registration under or other requirements of the 1933 Act, or that the Bond Resolution is no longer exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering, or sale of obligations of the general character of the Bonds, including any or all underlying arrangements, is or would be in violation of the federal securities law as amended and then in effect;

   (b) a general suspension of trading in securities on the New York Stock Exchange or the American Stock Exchange, the establishment of minimum prices on either such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York, or State officials authorized to do so;

   (c) the New York Stock Exchange or other national securities exchange or any governmental authority, shall impose, as to the Bonds or as to obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, Treasurer;

   (d) any amendment to the federal or State Constitution or action by any federal or state court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the Issuer, its property, income securities (or interest thereon), or the validity or enforceability of the assessments or the levy of taxes to pay principal of and interest on the Bonds;
(e) there shall have occurred since the date of this Bond Purchase Agreement any materially adverse change in the affairs or financial condition of the Issuer;

(f) the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or escalation of hostilities or a national or international calamity or crisis, financial or otherwise;

(g) the purchase of and payment for the Bonds by the Treasurer, or the resale of the Bonds by the Treasurer, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission.

7. Expenses.

(a) The Treasurer shall be under no obligation to pay, and the Issuer shall pay, but only from the proceeds of the sale of the Bonds, any expenses incident to the performance of the Issuer's obligations hereunder, including, but not limited to (i) the fees and disbursements of Bond Counsel and Placement Agent; (ii) the initial fees and disbursements of the Treasurer acting as the Registrar for the Bonds, provided, however, that the Issuer shall be responsible for all other fees and disbursements of the Registrar for the Bonds; (iii) fees and expenses incurred by the Issuer or the Treasurer for any rating on the Bonds; and (iv) reasonable miscellaneous, normally occurring, "out-of-pocket" expenses incurred by the Treasurer in connection with the issuance of the Bonds.

(b) Reserved.

(c) If this Bond Purchase Agreement shall be terminated by the Treasurer because of any failure or refusal on the part of the Issuer to comply with the terms or to fulfill any of the conditions of this Bond Purchase Agreement, or if for any reason the Issuer shall be unable to perform its obligations under this Bond Purchase Agreement, the Issuer will reimburse the Treasurer for all out-of-pocket expenses reasonably incurred by the Treasurer in connection with this Bond Purchase Agreement or the offering contemplated hereunder.

8. Cancellation. To the extent applicable by provision of law, all parties acknowledge that this Bond Purchase Agreement is subject to cancellation pursuant to A.R.S. Section 38-511, as amended, the provisions of which are incorporated herein.

9. Notices. Any notice or other communication to be given to the Issuer under this Bond Purchase Agreement may be given by delivering the same in writing to 4650 West Sweetwater Avenue, Glendale, Arizona 85304, Attention: Cathy Thompson, and any notice or other communication to be given to the Treasurer under this Bond Purchase Agreement may be given by delivering the same in writing to: Paul Ratkay, Maricopa County Treasurer, 301 West Jefferson Street, Room 100, Phoenix, AZ 85003-2199.

10. Parties in Interest. This Bond Purchase Agreement shall constitute the entire agreement between us and is made solely for the benefit of the Issuer and the Treasurer (including successors or assigns of the Treasurer) and no other person shall acquire or have any right hereunder or by virtue hereof. This Bond Purchase Agreement may not be assigned by the Issuer. All of the Issuer's representations, warranties and agreements contained in this Bond Purchase Agreement shall remain operative and in full force and effect, regardless of (i) any investigations made by or on behalf of any of the Treasurer; (ii) delivery of and payment for the Bonds pursuant to this Bond Purchase Agreement; and (iii) any termination of this Bond Purchase Agreement.
11. **Effectiveness.** This Bond Purchase Agreement shall become effective upon the acceptance hereof by the President of the Governing Board or any other member of the Governing Board on behalf of the Issuer and shall be valid and enforceable at the time of such acceptance.

12. **Choice of Law.** This Bond Purchase Agreement shall be governed by and construed in accordance with the law of the State.

13. **Severability.** If any provision of this Bond Purchase Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provisions of any Constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Bond Purchase Agreement invalid, inoperative or unenforceable to any extent whatever.

14. **Business Day.** For purposes of this Bond Purchase Agreement, "business day" means any day on which the New York Stock Exchange is open for trading.

15. **Section Headings.** Section headings have been inserted in this Bond Purchase Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Bond Purchase Agreement and will not be used in the interpretation of any provisions of this Bond Purchase Agreement.

16. **Counterparts.** This Bond Purchase Agreement may be executed in several counterparts each of which shall be regarded as an original (with the same effect as if the signatures thereto and hereto were upon the same document) and all of which shall constitute one and the same document.

If you agree with the foregoing, please sign the enclosed counterpart of this Bond Purchase Agreement and return it to the Treasurer. This Bond Purchase Agreement shall become a binding agreement between you and the Treasurer when at least the counterpart of this letter shall have been signed by or on behalf of each of the parties hereto.

AGREEMENT

BETWEEN

CHARLES "HOS" HOSKINS, MARICOPA COUNTY TREASURER
AND
WASHINGTON ELEMENTARY SCHOOL DISTRICT NO. 6 OF
MARICOPA COUNTY, ARIZONA

THIS AGREEMENT (this "Agreement") made and entered into this 1st day of _________, 2015.

WITNESSETH

WHEREAS, School Improvement Bonds, Project of 2010, Taxable Series D (2015) (the "Bonds") have been or will be issued by Washington Elementary School District No. 6 of Maricopa County, Arizona (the "District"); and

WHEREAS, contemporaneously with the execution of this Agreement the Treasurer of Maricopa County, Arizona (the "Treasurer") will purchase the Bonds through a sale negotiated between the Treasurer and the District; and

WHEREAS, the District has authorized the issuance and sale of the Bonds; and

WHEREAS, in the resolution authorizing the issuance of the Bonds (the "Bond Resolution") the District authorized execution and delivery of this Agreement; and

WHEREAS, in consideration of the purchase of the Bonds by the Treasurer for and on behalf of the County and other political subdivisions for whom the Treasurer invests money, the District consents and agrees to this Agreement.

NOW, THEREFORE, BE IT AGREED BY THE PARTIES HERETO as follows:

Section 1. Authorizations. This Agreement is entered into pursuant to A.R.S. § 11-951. The District's authority and obligation to budget for debt service for the payment of bonds is contained in A.R.S. Title 15, Chapter 9, Article 1. The authority of the Board of Supervisors of Maricopa County to levy taxes for and on behalf of the District the amount of such taxes is contained in A.R.S. § 15-1022.

Section 2. Annual Tax Levy; Set Off. The District hereby agrees to include in its annual budget for each fiscal year commencing in fiscal year 20__-20__ and continuing to, and including fiscal year 20__-20__, a sufficient amount to pay the principal and interest on the Bonds coming due on January 1 during said fiscal year and on the July 1 immediately following the conclusion of the respective fiscal year. The minimum annual amounts to be budgeted in each fiscal year are set forth in Exhibit A attached hereto. However, prior to June 15th of each year the District shall inform the Treasurer in writing or electronically of the amount to be levied during the next fiscal year to pay debt service on all Bonds of the District. The Treasurer may determine that given the existing delinquencies in the collection of such
taxes, a larger amount should be levied for any respective fiscal year of the District, and the District agrees to levy such amount as the Treasurer may reasonably determine.

Section 3. Shortage of Taxes; Use of Apportioned State Aid. The District also agrees that, if there is a shortage in the amount of ad valorem taxes collected for deposit to the District's Debt Service Fund that prevents the District from meeting a scheduled payment of the Bonds and other bonds or lawful long-term obligations of the District, the Treasurer may, pursuant to said A.R.S. § 15-973, use any amount distributed by the State of Arizona or the State Board of Education of Arizona to the District to pay the Bonds which would otherwise default.

Section 4. Federal Income Tax Status of Bonds. In consideration of the purchase and acceptance of the Bonds by the Treasurer and as an acceptance of the Treasurer's offer to purchase the Bonds as Bonds the interest on which is subject to federal income taxes, the Issuer hereby declares the interest on the Bonds is and will be subject to federal income taxes. The District hereby agrees to file the notice required by A.R.S. § 35-501 to be filed with the Department of Revenue as soon as possible after the initial issuance of the Bonds and each year, as required by such provision.

Section 5. Jurisdictional Matters. This Agreement shall commence on ____________, 2015 and terminate on ____________, 20___, if all of the Bonds are then fully paid. If all of the Bonds are not fully paid on or prior to ____________, 20___, this Agreement shall remain in full force and effect until all of the Bonds and interest thereon are fully paid.

The purpose of this Agreement is to provide for a levy and collection of taxes to pay the Bonds, and all other bonds of the District, as authorized by the Bond Resolution of the Governing Board of the District on April 23, 2015.

The manner of paying the District's obligation hereunder is through the annual levy of ad valorem taxes on all taxable property within the District.

Except as provided in Section 7, hereof, there is no method incorporated into this Agreement for its termination. Nothing in this Agreement shall relieve any public agency of any obligation or responsibility imposed upon it by law.

Section 6. Registrar and Paying Agent. To simplify the collection and payment of the Bonds, the Treasurer shall act as the registrar and paying agent for the Bonds. The Treasurer will be paid a onetime upfront fee of $ ______ comprised, of a $ ______ initial administration fee and $ ______ a year for three years. The Treasurer shall keep a registration list showing the owner of the Bonds. The Treasurer may pay the principal and interest on the Bonds by directly debiting the District's Debt Service Fund; provided, however, that the Treasurer shall not invade moneys in the Debt Service Fund that are to be used to pay other District bonds. Either the District or the Treasurer may terminate the Treasurer's registrar and paying agent status upon thirty (30) days' notice to the other party.

Section 7. Conflict of Interest. Notice is hereby given that pursuant to A.R.S. § 38-511 the State, its political subdivisions, or any department or agency of either, may within three years after its execution, cancel any contract, without penalty or further obligation, made by the State, its political subdivisions, or any of the departments or agencies of either if any person significantly involved in initiating, negotiating, securing, drafting or creating a contract on behalf of the State, its political subdivisions or any of the departments or agencies of either is, at any time while the contract or any extension of the contract is in effect, an employee or agency of any other party to the contract in any

Agenda Item IV.A.
Special Education Update

April 23, 2015

Background

The Washington Elementary School District (WESD) has long been a leader in providing high-quality special education services. WESD’s reputation for excellence in this domain is directly attributable to its special education staff, valued parent partnerships, administrative leadership and Governing Board. Although the special education program has many strong components and the District works diligently to offer a full array of services, we also recognize the ongoing need for improvement. We are continuously challenged by the changing demographics of the District, requiring ongoing review of special education trend data in identifying gaps in our service delivery model.

Special education can best be described as a local responsibility, shaped by state funding structures and federal procedural requirements and protections. Special Services is responsible for leading, supporting and monitoring the provision of special education services within a framework of complex regulatory requirements. Once a student is found to have a disability requiring special education, an Individualized Education Program (IEP) is developed that describes the educational goals, support services, and proposed placement. In summary, Individuals with Disabilities Education Act (IDEA) eligible children are entitled to:

- access to a public education;
- an education that is appropriate to their needs;
- individually determined and least restrictive environment considerations; and
- procedural protections.

As requested by the Governing Board at their February 26, 2015 meeting, this report covers the following topics:

- Special education census count
- WESD special education programs and support services
- Students served in private schools
- Special education revenue and costs compared to general education students
Students Served

The data in Table 1 profiles WESD’s special education census counts (October 1) for preschool and school age children from SY2011-2012 to SY2014-2015. The count represents a snapshot of students, by disability category, reported on October 1 of each year.

As of April 15, 2015, WESD has served a total of 4,469 students, accounting for mobility. As of the same date, 3,852 special education students were enrolled in WESD, an increase of 214 special education students from the October 1 date.
Although the student counts reported in Table 1 fluctuate from year to year, the best predictor to forecast special education growth is reflected in our preschool numbers. As of April 8, 2015, 84 preschool children were awaiting screening and/or evaluation. Historically, 80 to 85 percent of the children referred for screening have been eligible for placement in special needs preschool settings.

Private School Placements

As of April 13, 2015, 163 special education students required intensive instructional supports not available within the District’s service delivery model.

When making placement decisions to place children in a more restrictive educational setting, such as special education classrooms and separate schools (in or out of District), IEP teams are required to adhere to Least Restrictive Environment (LRE) considerations. Identifying appropriate services and type of placement can, at times, be challenging for IEP teams. The Department uses a case management team approach, known as the Special Services Planning Committee, in problem-solving with IEP teams. All private school placement considerations are presented to the committee. The following format indicates the procedures that are discussed at an SSPC meeting.

The completed form is an educational record and may be disclosed to the parent and to other educators who may work with the student.

Private Schools

In addition to the tuitioned out private schools utilized to serve students with more intense service needs, the District has two in-house programs, one at Ocotillo Elementary and one at Cactus Wren School.

Cenpatico Schools- Emotional Disabled-Private (EDP) Program at Ocotillo

This program is the WESD’s in-District program for students in grades 1 through 8 that would otherwise be placed in a private special education school under the EDP category to serve up to 36 students. The program is staffed and managed by Cenpatico Schools. Next school year, a fourth classroom will be added.

Hi-Star at Cactus Wren

The Hi-Star Center for Children is a private special education day school and, at the request of the District, established a special classroom serving up to eight (8) students with severe language/communication, learning and behavioral needs at Cactus Wren School this year.

**Special Classrooms by Type and Program Supports**

WESD maintains a full continuum of special education program options, either within the District or through contractual arrangements with other agencies. The majority of special education students receive services within the regular school setting, with additional supports. A third of the District’s special population requires intensive supports in specialized classes.

Table 4 reflects WESD’s special classrooms by program type, location and number of classrooms. Table 5 identifies program support services by full time equivalent (FTE) staffing. The staffing reflected in Table 5 contributes to the increased costs to serve special education students.

**Special Education Funding**

Special education is expensive and federal and state funding structures have not kept pace with the rising costs. When the IDEA was enacted in 1975, Congress promised to fund 40 percent of the average national per pupil expenditure. In fiscal year 2012, federal dollars covered about 16 percent; in 2009, funding levels reached 33 percent with the addition of stimulus dollars.

Special education funding in Arizona is based on formula weights according to disability category. This system was established by the Arizona State Legislature in 1980 and has remained virtually the same. For funding purposes, the State separates disability categories into two groups: Group A for students with mild disabilities and Group B for students with severe disabilities.

The Legislature adjusted the support level weights a number of years ago that narrowed the funding gap for Group B costs. However, Group A categories are funded at the same level as non-disabled students, except for a nominal add-on weight ($10 per student) to offset extended school year costs. According to the cost study conducted by the Arizona Department of Education in FY 2007, the statewide Group A funding gap was over $53 million dollars. (Note: Authorized in statute as a bi-annual report, however in 2009, the cost study was suspended by the Legislature.)

As noted, the statutory funding formula provides a weighted count for additional funding. Special education funding for Group B is determined by multiplying the Base Support Level by the statutorily defined support multiplier for each disability as shown in Table 6.

Revenue and Costs

For FY15, estimated revenue specifically for students identified with special needs totaled $30,027,798, with $24,677,798 in Maintenance and Operations (M &O) including Group B above the base support, and $5,350,000 in federal funding.

The cost to educate special education students is high because of their highly complex needs. During the current year, the average cost to educate WESD’s special education students is $10,373.00. By comparison, the average cost to educate general education students is $5,445.00. These figures include direct (e.g. instruction, staff, support services), and indirect, (e.g. administration, plant, transportation) student support costs.

Considering that Congress does not fully fund the IDEA and the declining State support for public education, Arizona districts, including WESD, must cover the increasing costs. The system for funding special education is broken.
