I would strongly urge that this be communicated to our population of Spanish speaking employees in their native languages. Lastly, I would like to participate in any committee that be formed to prevent any fraud or security breach. Thank you for your time."

Stella Cravens asked the Board secretary to read the following statement: “I am highly concerned about the security breach, lack of police report accessibility and a one year monitoring of my personal information is way too short.”

H. Showcase and Celebration of Departments/Programs/Schools

Superintendent Stanton introduced Mr. Daniel Fisher, Administrator of New Beginnings who provided the Board with an overview of New Beginnings Academy.

Mrs. Lambert thanked Mr. Fisher for the work that he and his staff are doing. Mrs. Lambert said that when she first began serving on the Board, WESD went through a different process on how it dealt with students who had behavior difficulties and many times decision were made that were in the best interest of the adults. Mrs. Lambert said the District made a conscious decision to do things differently and created New Beginnings because just like Mr. Fisher said, everyone makes mistakes and we need to stop blaming and teach students to make better choices and learn from their mistakes.

Mr. Herrera thanked Mr. Fisher for his service in the Air Force and all of the work he and his staff do at New Beginnings.

Mr. Herrera asked Mr. Fisher what the teacher to student ratio was at New Beginnings.

Mr. Fisher said the current ratio for eight grade is 12:1; seventh grade is 8:1, and 6th graders are 7:1. Mr. Fisher said that New Beginnings tries to keep the ratio below 12 students to one teacher.

Mr. Herrera asked Mr. Fisher to share the New Beginnings garden story with Board.

Mr. Fisher shared the story of how the New Beginnings garden started and who the students responded. Mr. Fisher said that the students have really taken responsibility, pride and ownership in caring for the garden which is great since Mr. Fisher said he is a city boy from the city of Chicago and knew nothing about gardening.

Mr. Herrera mentioned that New Beginnings is seen as a model program in handling student discipline and he has been approached by other Districts about starting similar programs.

Mr. Fisher said that he has been contacted by Glendale Union High School District and Baltz School District and looks forward to sharing best practices.

Ms. Graziano asked how students were chosen to attend New Beginning.

Mr. Fisher said that recommendations for placement come from school principals. Normally discipline is handled at the student’s home school but some cases require additional interventions. Mr. Fisher said that students who are recommended for long term suspension are placed at New Beginnings pending the hearing. Depending on
the outcome of the hearing, the student is either temporarily placed at New Beginnings or a similar program or they go back to their home school.

Ms. Graziano asked how long the placement process takes at New Beginnings.

Mr. Fisher said that depending on the situation, a student can be temporary placed at New Beginnings anywhere from one to three weeks after the infraction occurs.

Ms. Graziano asked if there was a waiting list to attend New Beginnings.

Mr. Fisher said there is no waitlist for New Beginning. Mr. Fisher said that Dr. Bailey ensures they have the resources to accommodate all students needing placement.

Ms. Graziano thanked Mr. Fisher for the work he and his staff do for students.

Superintendent Stanton introduced Mr. Harry Leon, Director of Safety and Security who provided the Board with an overview of the District’s Mentoring Program.

Mrs. Lambert said she liked the way Mr. Leon and his staff are running the mentoring program based on the seven anchors model. Mrs. Lambert said that she believes one of the reasons the program is successful is because the mentoring comes from security officers, who are seen as authority figures, and it gives students a chance to interact with them in a positive way.

Mrs. Lambert asked if the mentors reach out and work with the families.

Mr. Leon said that they make every effort to engage the parents in the mentoring program because it is key to the success of the students. Mr. Leon said that they are continuing to look at new ways to actively engage the families of the students they mentor.

Mr. Herrera thanked both Mr. Leon and Dr. Stanton for their vision in starting this program.

Mrs. Graziano asked if there were mentors other than security involved in the program.

Mr. Leon said that currently the mentoring program consist of seven security officers and Mrs. Lori Mora, Administrator of Special Services, is also assisting with the mentoring program.

Dr. Stanton asked Mr. Leon to introduce his staff involved in the mentoring program that are in the audience.

The following out-of-state travel requests has been reviewed and are recommended for approval:

1. Jared Nelson, Administrative Assistant for Business Services, is requesting to travel to Brea, California, July 12-16, 2016 to present at and attend the Davis Demographic School Planning Conference. Jared has been using Environmental Systems Research Institute’s (ESRI) ArcGIS software and Davis Demographic's SchoolSite software to analyze WESD's demographic and student information for the past two years. This data has been used to create new staffing models, enrollment projections, provide data for long-term planning, and better understand WESD's enrollment. This years’ conference will present new features in SchoolSite such as a community analyst tool, a new staffing projections module in the software, as well as ArcGIS Online (to increase WESD visibility online). Jared will present on how WESD is on the cutting edge of using these methodologies to make better decisions as a district. There is no opportunity to obtain this training locally, and there has been increased focus in recent bond and credit rating calls referring to the use of demographic information for long-range planning. Davis Demographics will waive the conference registration fee since Jared is presenting, but WESD will need to cover mileage and lodging.

2. David Velazquez, Director of Finance, is requesting to travel to Carlsbad, California, June 20 – 22, 2016 to represent WESD on a team that is working to provide statewide reports utilizing school district information from ADE. This data collection project will enable districts to compile comparison reports for use in evaluating expenditure trends in different areas between districts. WESD has been a member of this project through AASBO for several years, but they are now converting to a new software (Infosol). David has been to several trainings locally over the last few months, but AASBO has agreed to send the team to this conference to better understand the software program and how to create reports. All costs will be covered by Arizona Association of School Business Officials (AASBO)

SUMMARY AND RECOMMENDATION

It is recommended that the Governing Board approve the Out-of-State Travel request as Presented.

The Executive Director will present the application for approval at the next regularly scheduled Board meeting. If the Board votes to not authorize funding, the Executive Director will not authorize any additional expenditures.

School: Maryland Elementary School

Project Number: 070406138-1010-006BRG

Project Description: Replace 100-gallon water heater - 2016

1. PURPOSE OF TERMS AND CONDITIONS

These Terms and Conditions apply to the distribution of monies by the Arizona School Facilities Board ("Board") from the Building Renewal Grant Fund ("Fund") pursuant to Arizona Revised Statutes, ("A.R.S.") §15-2032.

These monies are being awarded to a school district ("District") for the purpose of maintaining the adequacy of existing school facilities owned by school districts that are required to meet the minimum adequacy standards for student capacity and that fall below the minimum school facility guidelines ("Project"). Districts are prohibited from using monies from the Fund awarded pursuant to these Terms and Conditions on any project that is in a building, or part of a building, that is being leased to another entity, including a district-sponsored charter school. All monies used must be in compliance with the statutory requirements found in A.R.S. §15-2032 and the Building Renewal Grant Fund Policy adopted at the October 2, 2008 and as subsequently amended.

2. TERM OF TERMS AND CONDITIONS

The term of this Terms and Conditions shall begin on the date of the District’s signature and shall continue until the Completion Report pursuant to ¶ 4.2 is received by the Board and the Project is closed.

3. FINANCIAL CONDITIONS

The District will accept a grant from the Fund in accordance with all applicable state statutes and rules, and will expend the funds in compliance with all provisions of such statutes and rules, including but not limited to, the following:

c. Compliance with all applicable state, federal, and local codes and laws related to buildings and building access, including permitting requirements of the Department of Environmental Quality for any construction project;

d. Compliance with any applicable federal, state and local health or safety requirements.

3.1 UNIFORM SYSTEM OF FINANCIAL RECORDS

The District will maintain records as required by the Uniform System of Financial Records and provide access to those records to the Board as necessary to perform its duties. The District will cooperate with the Board or the Auditor General or any of their authorized representatives when audits are conducted as authorized by law. This cooperation includes access without unreasonable restrictions to the District’s records and personnel for the purpose of obtaining relevant information.

3.2 SURPLUS FUNDS

If the final cost of the Project is less than the amount awarded by the Board, the District shall return the unspent monies to the Board.

3.3 UNFORESEEN CONDITIONS

The District shall notify its School Facilities Liaison if any unforeseen conditions arise during Project implementation. The School Facilities Liaison will direct the District on how to proceed. The District must receive approval from the School
Facilities Liaison to proceed if the unforeseen condition requires any change orders or will result in any changes in the contract value or contract scope.

3.4 LOCAL FUNDS

If the District intends to supplement the Project with additional funds, the District shall provide to the Board a resolution from the District's governing board setting forth the commitment of additional funding. The District governing board's resolution shall clearly indicate the amount being committed to the Project.

3.5 SCOPE OF WORK

The Board must approve any changes in the scope of the work of the Project. If changes in the scope of work are made without the Board's approval, the Board shall determine if the new scope of work satisfies the project criteria for funding. If the Board determines that the new scope of work does not meet the criteria for funding, the Board shall consider the Project abandoned. The District shall return any unspent monies to the Board, and reimburse the Fund for monies spent without proper authorization from the Board within thirty (30) days of being notified by the Board.

4. REPORTING REQUIREMENTS

The District will make reports to the Board as requested, and will cooperate with any evaluation of the grant and/or project as required by the Board. All expenditures and projects are subject to audit. All construction and related contracts entered into by the District shall contain a clause that will permit the Board and/or the District to audit the contract.

4.1 PUBLIC RECORD

Any application, report or plan, including school designs or architectural drawings relating to the funded Project in the possession of the District or its agents or designees is deemed a public record as defined by Arizona law.

4.2 COMPLETION REPORT

The District shall provide a completion report in a format prescribed by the Board, and shall maintain records for five years following the completion of the project, which show:

a. The amounts received from the Fund;

b. How the District spent the monies received from the Fund;
c. The total cost of the Project;

d. The share of the total cost provided from other sources;

e. A list of all change orders that were approved for the Project.

5. INSURANCE REQUIREMENTS

For the Project, the District agrees to secure insurance coverage for purposes of general liability, property damage and workers' compensation and secure performance and payment bonds.

6. AUDIT OF RECORDS

Pursuant to A.R.S. §§ 35-214 and 35-215, the District shall retain and shall contractually require each subcontractor to retain all data, books and other records ("records") relating to these Terms and Conditions for a period of five years after completion of these Terms and Conditions. All records shall be subject to inspection and audit by the State for five years after the termination of these Terms and Conditions.

7. AVAILABILITY OF FUNDS

Every payment obligation of the State under these Terms and Conditions is conditioned upon the availability of funds allocated for the payment of such obligations. If funds are not allocated and available for the continuance of the Project, these Terms and Conditions may be terminated by the State at the end of the period for which funds are available. INITIATED BY: Cathy Thompson, Director of Business Services

SUBMITTED BY: Cathy Thompson, Director of Business Services

GOVERNING BOARD POLICY REFERENCE OR STATUTORY CITATION: BBA

SUPPORTING DATA

Funding Source: Bond
Budgeted: Yes

A special bond election was held on November 2, 2010 in which a majority of the qualified electors voting at the election authorized the issuance of $65,000,000 school improvement bonds for Washington Elementary School District. The bonds are classified "Class B" bonds for all purposes of Arizona Revised Statutes, Title 15, Chapter 4, Article 5, and Chapter 9, Article 7.

The District completed the issuance and sale of $10,000,000 in Class B bonds under the 2010 School Improvement Bond Authorization in February 2011, and $20,000,000 in Class B bonds in July, 2012 under a competitive process. The District sold $5,000,000 in Class B bonds in May 2014 and $4,500,000 in May 2015 to the Maricopa County Treasurer at a low interest rate to be paid in full within 5 years.

The District now proposes the issuance and sale of $25,500,000 in Class B bonds, which will be the final proceeds from the 2010 School Improvement Bond Authorization.

On April 14, 2016 the Governing Board approved a resolution that approved a Notice Inviting Proposals for the Purchase of School Improvement Bonds and the distribution of such Notice by the District’s Financial Advisor, Stifel, Nicolaus & Company, Incorporated. Attached is a bond resolution that authorizes the issuance and sale of School Improvement Bonds and delegates to the President or any member of the Board the authority to execute (i) an Award of Bonds and (ii) the closing documents and certificates to issue the Bonds.

SUMMARY AND RECOMMENDATION

It is recommended the Governing Board adopt a resolution ordering the issuance and sale of the School Improvement Bonds of the District and delegating the authority to determine the acceptable bidder to the Board President or any member of the Governing Board.

NOW, THEREFORE, IT IS RESOLVED BY THE GOVERNING BOARD OF WASHINGTON ELEMENTARY SCHOOL DISTRICT NO. 6 OF MARICOPA COUNTY, ARIZONA, as follows:

Section 1. Authorization. This Board hereby authorizes to be issued and sold a series of bonds in an aggregate principal amount of $25,500,000. The bonds so authorized shall be designated Washington Elementary School District No. 6 of Maricopa County, Arizona, School Improvement Bonds, Project of 2010, Series E (2016), and shall be issued and sold in accordance with the provisions of this resolution and applicable laws.
Section 2. Terms. The Bonds shall be dated the date of initial delivery, shall mature on July 1 in the years and amounts and shall bear interest from their date to the maturity of each of the Bonds at the interest rates set forth in the Winning Bid. The Bonds shall be classified as "Class B" bonds for all purposes of Arizona Revised Statutes, Title 15, Chapter 4, Article 5, and Chapter 9, Article 7.

The Bonds shall be issued in the denomination of $5,000 each or integral multiples thereof and shall be issued in fully registered form. Initially, the Bonds shall be issued as Book-Entry-Only Bonds as provided herein. Interest on the Bonds shall be payable semiannually on each January 1 and July 1 (each an Interest Payment Date) during the term of the Bonds, commencing January 1, 2017.

So long as the Bonds are administered under the Book-Entry-Only System described herein, interest payments and principal payments that are part of periodic principal and interest payments shall be paid to Cede & Co., as nominee of the Depository Trust Company ("DTC"), or its registered assigns in same-day funds no later than 2:30 p.m. Eastern Time on each interest or principal payment date (or in accordance with then existing arrangements between the District and DTC). The District has entered into an agreement (the "Letter of Representations") with DTC in connection with the issuance of bonds of the District including the Bonds and, while the Letter of Representations is in effect, the procedures established therein shall apply to the Bonds.

If the Book-Entry-Only System is not in effect, the principal of and premium, if any, on the Bonds shall be payable, when due, upon surrender of such Bond, at the designated corporate trust office of Zions Bank, a division of ZB, National Association (the "Bond Registrar" and "Paying Agent"). If the Book-Entry-Only System is discontinued, interest on the Bonds shall be payable by check, dated as of the interest payment date, mailed at or prior to each interest payment date to the registered owner thereof as shown on the registration books for the Bonds maintained by the Bond Registrar and Paying Agent at the address appearing therein at the close of business on the fifteenth day of a calendar month preceding an interest payment date (the "Record Date"). If the Book-Entry-Only System is discontinued, upon written request made to the Bond Registrar and Paying Agent at least twenty (20) days prior to an interest payment date by a registered owner of at least $1,000,000 in principal amount of Bonds outstanding, all payments of interest and, if adequate provision for surrender is made, principal and premium, if any, shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by such registered owner. All principal, interest and premium, if any, on Bonds held by securities depositories shall be paid by wire transfer in immediately available funds.

The Bonds shall have such other terms and provisions as are set forth in Exhibit A hereto.

Section 3. Prior Redemption.

A. Optional Redemption. Bonds maturing on or before July 1, 2026, are not subject to call for redemption prior to their stated maturity. Bonds maturing on or after July 1, 2027, are subject to call for redemption prior to their stated maturity dates, at the option of the District, in whole or in part, on July 1, 2026, or on any date thereafter by the payment of a redemption price equal
to the principal amount of each Bond called for redemption plus accrued interest to the date fixed for redemption, but without premium.

B. Notice of Redemption. So long as the Book-Entry-Only System is in effect, the Registrar shall notify DTC of redemption in the manner required by DTC. If the Book-Entry-Only System is discontinued, notice of redemption of any Bonds redeemed prior to their stated maturity date shall be mailed by first class mail to each Registered Owner not more than sixty (60) days nor less than thirty (30) days prior to the date of redemption. Notice of redemption may be sent to any securities depository by mail, facsimile transmission, wire transmission or any other means of transmission of the notice generally accepted by the respective securities depository. Failure to properly give notice of redemption shall not affect the redemption of any Bond for which notice was properly given. The Registrar also agrees to send notice of redemption to the Municipal Securities Rulemaking Board (the “MSRB”), currently through the MSRB's Electronic Municipal Market Access system in the manner required by the MSRB, but no defect in said further notice or record nor any failure to give all or a portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed above.

If money for the payment of the redemption price and accrued interest are not held in separate accounts by the District, the Maricopa County Treasurer (the "Treasurer"), or by a Paying Agent prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect.

C. Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date, and, if moneys for payment of the redemption price are held in separate accounts by the Paying Agent, interest on such Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit or security hereunder and the owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and such Bonds shall be deemed paid and no longer outstanding.

D. Redemption of Less Than All of a Bond. The District may redeem an amount which is included in a Bond in the denomination in excess of, but divisible by, $5,000. In that event, the registered owner shall submit the Bond for partial redemption and the Paying Agent shall make such partial payment and the Registrar shall cause to be issued a new Bond in a principal amount equal to the unpaid amount remaining on such Bond after the redemption to be authenticated and delivered to the registered owner thereof.

Section 4. Security. For the purpose of paying the principal of, interest on and costs of administration of the registration and payment of the Bonds, there shall be levied on all the taxable property in the District a continuing, direct, annual, ad valorem tax sufficient to pay all such principal, interest and administration costs as the same becomes due, such taxes to be levied, assessed and collected at the same time and in the same manner as other taxes are levied, assessed and collected. The proceeds of the taxes shall be kept in a special fund entitled the Debt Service Fund of the District and shall be used only for the payment of principal, interest or costs of administration. If for any reason, the amount on deposit in the District's Debt Service Fund is insufficient to pay on the date of
payment, the principal, interest and premium (if any) due on the Bonds, the District hereby authorizes the Treasurer (as defined herein) to pay such deficiency from any District funds lawfully available therefore. This resolution shall be construed as consent to invest moneys in the Debt Service Fund, subject to the provisions of Section 16 and any restrictions imposed by any entity providing credit enhancement for the Bonds, in any of the securities allowed by A.R.S. § 15-1025. This resolution shall constitute the continuing consent of this Board to such investment and no further annual consent need be given.

Section 5. Use of Proceeds. Upon the delivery of and payment for the Bonds in accordance with the terms of their sale, the net proceeds from the sale of the Bonds, after payment of the costs of issuance, shall be set aside and deposited by the County Treasurer of Maricopa County, Arizona (the "Treasurer"), in a separate fund entitled the Bond Building Fund of the District.

The proceeds of the Bonds shall be expended only for the purpose set forth in the ballot and voter pamphlet used at the Election (except for such changes allowed by law) and to pay the costs of issuance of the Bonds and the cost of a bond insurance premium, if applicable. Any premium received from the sale of the Bonds shall be used to pay interest on the Bonds or any other costs of issuance lawfully payable from such proceeds.

Section 6. Form of Bonds. Pursuant to A.R.S. § 35-491, a fully registered bond form is adopted as an alternative to the form of bond provided in A.R.S. § 15-1023. So long as the Book-Entry-Only System is in effect, the Bonds shall be in substantially the form of Exhibit B attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby or by the Winning Bid and are approved by those officers executing the Bonds; execution thereof by such officers shall constitute conclusive evidence of such approval. If the Book-Entry-Only System is discontinued, the Bonds shall be reissued as fully registered bonds in a form which will be adopted at such time.

The Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Bond shall show both the date of the issue and the date of such Bond's authentication and registration.

The Bonds are prohibited from being converted to coupon or bearer form without the consent of the Board and approval of Bond Counsel.

Section 7. Execution of Bonds and Other Documents.

A. The Bonds. The Bonds shall be executed for and on behalf of the District by its President by manual or facsimile signature. If an officer whose signature is on a Bond no longer holds that office at the time the Bond is authenticated and registered, such Bond shall nevertheless be valid. A Bond shall not be valid or binding until authenticated by the manual signature of an authorized representative of the Registrar. The signature of the authorized representative of the Registrar shall be conclusive evidence that such Bond has been authenticated and issued pursuant to this resolution.

B. Registrar Contract. The form of Registrar's contract which is on file with the District concerning duties of the Registrar, Transfer Agent and Paying Agent for the Bonds is hereby

approved and the President, any member of this Board, the Superintendent or Director of Business Services of the District is hereby directed to execute such contract on behalf of the District with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the documents and cause such respective contract to be delivered. Execution by such officers shall constitute conclusive evidence of such approval.

C. Continuing Disclosure Certificate. In order to comply with the provisions of Section 240.15c2-12, General Rules and Regulations, Securities Exchange Act of 1934 (the "Rule"), unless an exemption from the terms and provisions of the Rule is applicable to the Bonds, the Superintendent or Director of Business Services of the District is hereby authorized and directed to prepare, execute and deliver on behalf of the District a written agreement or undertaking for the benefit of the Owners (including beneficial owners) of the Bonds, in substantially the form presented to the Board and on file with the District. The written agreement or undertaking shall contain such terms and provisions as are necessary to comply with the Rule including, but not limited to (i) an agreement to provide to the MSRB, the financial information or operating data presented in the final Official Statement (as defined herein) as determined by mutual agreement between the Superintendent or the Director of Business Services and the financial institution submitting the Winning Bid (the “Winning Bidder”) and audited financial statements of the District and (ii) an agreement to provide listed events disclosure to the MSRB.

D. Official Statement. The preparation of a preliminary official statement in a form that is approved and deemed as "final" for all purposes of the Rule, by the District's Superintendent or Director of Business Services is hereby ratified, approved and confirmed and its distribution by the Winning Bidder is hereby ratified and approved. The District will cause a final official statement (the "Official Statement") in substantially the form of the preliminary official statement referred to above to be prepared and distributed with the Bonds upon initial issuance. The President or any member of this Board are authorized to approve, execute and deliver the Official Statement on behalf of the District and the execution by the President or such other officer shall be deemed conclusive evidence of such approval. The preliminary official statement and the Official Statement may be prepared in conjunction with, and may be part of the same document, the preliminary official statement and the Official Statement for any other bonds which may be issued by the District.

Section 8. Mutilated, Lost or Destroyed Bonds. In case any Bond becomes mutilated or destroyed or lost, the Registrar shall cause to be executed and delivered a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of the mutilated Bond or in lieu of and in substitution for the Bond destroyed or lost, upon the owner's paying the reasonable expenses and charges of the District in connection therewith and, in the case of the Bond destroyed or lost, filing with the Registrar and the Treasurer of evidence satisfactory to the Registrar and the Treasurer that such Bond was destroyed or lost, and furnishing the Registrar and the Treasurer with a sufficient indemnity bond pursuant to A.R.S. § 47-8405.

Section 9. Acceptance of Offer; Sale of Bonds. The Bonds shall be sold to the Winning Bidder, as determined by the Superintendent and the Director of Business Services in accordance with the terms of such proposal and the terms and conditions of the Notice Inviting Proposals.
The Treasurer is hereby authorized and directed to cause the Bonds to be delivered to or upon the order of the Purchaser upon receipt of payment therefor and satisfaction of the other conditions for delivery thereof in accordance with the terms of the sale. Any other provisions of this resolution to the contrary notwithstanding, the Bonds will not be sold for less than par and no premium on the Bonds shall exceed the net premium permitted by A.R.S. § 15-1024.

Section 11. Registrar. The District will maintain an office or agency where Bonds may be presented for registration or transfer and an office or agency where Bonds may be presented for payment. The District may appoint one or more co-registrars or one or more additional Paying Agents. The Registrar and Paying Agent may make reasonable rules and set reasonable requirements for their respective functions with respect to the owners of the Bonds.

Initially, Zions Bank, a division of ZB, National Association is appointed to act as Registrar and Paying Agent with respect to the Bonds. The District may change the Registrar or Paying Agent without notice to or consent of owners of the Bonds and the District may act in any such capacity.

Each Paying Agent shall be required to agree in writing that the Paying Agent will hold in trust for the benefit of the owners of the Bonds all moneys held by the Paying Agent for the payment of principal of and interest and any premium on the Bonds.

The Registrar may appoint an authenticating agent acceptable to the District to authenticate Bonds. An authenticating agent may authenticate Bonds whenever the Registrar may so do. Each reference in this resolution to authentication by the Registrar includes authentication by an authenticating agent acting on behalf and in the name of the Registrar and subject to the Registrar's direction.

The Registrar shall keep a separate register for the Bonds which will show the registered owners of the Bonds and of transfer of the Bonds. When Bonds are presented to the Registrar or a co-registrar with a request to register transfer, the Registrar shall register the transfer on the registration books if its requirements for transfer are met and shall authenticate and deliver one or more Bonds registered in the name of the transferee of the same principal amount, maturity and rate of interest as the surrendered Bonds. All transfer fees and costs shall be paid by the transferor.

The "Record Date" for the Bonds shall be the close of business of the Registrar on the fifteenth day of the month preceding an interest payment date or principal payment date, as applicable. The Registrar may, but shall not be required to, transfer or exchange any Bonds during the period commencing on the Record Date to and including the respective Interest Payment Date. If the Registrar transfers or exchanges Bonds within the period referred to above, interest on such Bonds shall be paid to the person who was the registered owner at the close of business of the Registrar on the Record Date as if such transfer or exchange had not occurred.

The Registrar shall authenticate Bonds for original issue up to $25,500,000 in aggregate principal amount upon the written request of the Treasurer. The Registrar shall keep a register of the Bonds and of their transfer. The aggregate principal amount of Bonds outstanding at any time may not exceed that amount except for replacement Bonds as to which the requirements of the Registrar and the District are met.
Section 12. Resolution a Contract. This resolution shall constitute a contract between the District and the owners of the Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the registered owners of the Bonds then outstanding. The performance by the Governing Board of the obligations in this resolution and in the Bonds is hereby authorized and approved.

Section 13. Ratification of Actions. All actions of the officers and agents of the District or the County which conform to the purposes and intent of this resolution and which further the issuance and sale of the Bonds as contemplated by this resolution whether heretofore or hereafter taken are hereby ratified, confirmed and approved. The proper officers and agents of the District and the County are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the District as may be necessary to carry out the terms and intent of this resolution.

This Board hereby certifies and readopts all covenants and conditions contained in the resolution adopted by this Board on April 14, 2016, concerning the sale of the District’s School Improvement Bonds; provided, however, the aggregate principal amount of the District’s School Improvement Bonds authorized to be sold by such resolution shall be that amount sufficient to allow the sale of the Bonds sold pursuant to this resolution.

This Board hereby acknowledges bond counsel's representation of the Financial Advisor and the Winning Bidder in matters not involving the District or the Bonds and hereby consents to the representation of the District in the matters set forth in this resolution.

Section 14. Bond Insurance or Credit Enhancement. The President, any member of the Governing Board and the Director of Business Services are hereby authorized and directed to purchase municipal bond insurance, surety bonds or other credit enhancement as may be deemed appropriate and beneficial to the District by the Director of Business Services and to enter into any obligations or agreements on behalf of the District to repay amounts paid thereon by the providers thereof and pay any delinquent interest at a rate not to exceed the yield set forth above. The Treasurer is hereby authorized to expend or cause to be expended Bond proceeds for the purchase of bond insurance or other credit enhancement for the Bonds or the Treasurer may receive an acknowledgement from the Winning Bidder that the premium or purchase price for the bond insurance or other credit enhancement has been paid from Bond proceeds as a portion of the purchase price of the Bonds.

Section 15. Qualified Tax-Exempt Obligations. The Bonds are NOT "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

Section 16. Tax Covenant. In consideration of the purchase and acceptance of the Bonds by the owners thereof and, as authorized by A.R.S., Title 35, Chapter 3, Article 7, and in consideration of retaining the exclusion of interest income on the Bonds from gross income for federal income tax purposes, the Board covenants with the owners from time to time of the Bonds to neither take nor fail to take any action which action or failure to act is within its power and authority and would result in interest income on the Bonds becoming subject to inclusion as gross income for
federal income tax purposes under either laws existing on the date of issuance of the Bonds or such laws as they may be modified or amended.

The President or any member of the Board, the District's Superintendent or Director of Business Services is authorized to execute and deliver all closing documents incorporating the District's representations necessary to exclude the interest on the Bonds from gross income for federal income tax purposes and other matters pertaining to the sale of the Bonds as required by bond counsel. The District's Superintendent or Director of Business Services, the Treasurer or a partner of Gust Rosenfeld P.L.C., bond counsel to the District ("Bond Counsel"), is authorized to execute and file on behalf of the District information reporting returns and to file or deliver such other information as may be required by Section 149(e) of the Internal Revenue Code of 1986, as amended (the "Code").

The Board further authorizes the employment of such experts and consultants to make, as necessary, any calculations in respect of rebates to be made to the United States of America in accordance with Section 148(f) of the Code. The President, any member of the Board, the Superintendent or Director of Business Services of the District are authorized to make any applicable elections necessary to avoid the rebate to the federal government of certain of the investment earnings attributable to the Bonds.

The Board agrees that it will comply with such requirements and will take any such actions as in the opinion of Bond Counsel are necessary to prevent interest income on the Bonds becoming subject to inclusion in gross income for federal income tax purposes. Such requirements may include but are not limited to making further specific covenants; making truthful certifications and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements to be prepared by Bond Counsel; to pay to the United States of America any required amounts representing yield reduction payments or rebates of arbitrage profits relating to the Bonds; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with moneys relating to the Bonds; and limiting the use of the proceeds of the Bonds and property financed thereby.

The Governing Board hereby authorize the Director of Business Services, or his or her designee, to represent and act for the District in all matters pertaining to the District's tax-exempt bonds, as may be necessary to comply, on a continuing basis, with the Internal Revenue Service, Securities Exchange Commission and other governmental entities requests, reporting requirements and post issuance compliance policies and matters.

Section 17. Investment Proceeds. Pursuant to A.R.S. §§ 15-1024 and 15-1025, subject to the provisions of Section 12 hereof, this resolution shall be construed as a request and continuing consent of this Board to invest moneys in the Debt Service Fund established for the Bonds and the proceeds of the Bonds deposited in the Bond Building Fund pending use, in (i) any of the securities allowed by A.R.S. § 15-1025 and (ii) the local government investment pool-government established under A.R.S. § 35-326, so long as the pool only invests in securities allowed by A.R.S. § 15-1025. This resolution shall constitute the continuing consent of this Board to such investment and no further annual consent need be given; provided, however, that the District, acting through its Superintendent or Director of Business Services, may at any time provide written investment instructions to the Treasurer during any fiscal year and the Treasurer, to the extent such investments
are lawful, is hereby directed to invest the moneys designated in the written instructions in the investments set forth in such instructions.

**Section 18. Representations, Warranties and Covenants of the District.** The District hereby represents, warrants and covenants as follows:

(a) The proceeds of any Class A bonds (as defined in A.R.S. Section 15-101(4)) of the District have been spent or obligated in contract;

(b) Bond proceeds shall not be expended for soft capital items or other items whose useful life is less than the average useful life of the Bonds, except as provided in paragraph (e) below;

(c) Bond proceeds shall not be expended for items whose useful life is less than five years, except as provided in paragraph (e) below;

(d) Bond proceeds shall not be used to pay the expenses of the Election; and

(e) Bond proceeds may be expended for purchasing pupil transportation vehicles.

**Section 19. Severability.** If any section, paragraph, subdivision, sentence, clause or phrase of this resolution is for any reason held to be illegal, invalid or unenforceable, such decision will not affect the validity of the remaining portions of this resolution. The Board hereby declares that it would have adopted this resolution and each and every other section, paragraph, subdivision, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this resolution may be held illegal, invalid or unenforceable.

**Section 20. Written Procedures to Comply with the Rule.** The form of Continuing Disclosure Compliance Procedures Regarding the Securities and Exchange Commission's Rule 15c2-12 in substantially the form attached hereto as Exhibit B is hereby approved, and District staff shall follow the procedures set forth therein as it relates to current and future continuing disclosure compliance procedures required by the Bonds, or any bonds of the District.

CONTINUING DISCLOSURE COMPLIANCE PROCEDURES REGARDING THE SECURITIES AND EXCHANGE COMMISSION’S RULE 15C2-12

Date of Implementation: April 28, 2016

The District is required to file audited financial statement and certain financial and operating information and operating data required by existing continuing disclosure certificates. Compliance includes ensuring that all of the tables and information required by Section 4 of the continuing disclosure certificates are included in, or filed with, the District’s Comprehensive Annual Financial Report, or filed separately in each case, no later than February 1 of each fiscal year while the District’s bonds require a February 1 filing date. When there are no District bonds requiring a February 1 filing date outstanding, then no later than April 1 or such other date, as may be required by continuing disclosure undertakings adopted after the date of these procedures.

The annual February 1 (or April 1 date, if applicable) should be put into a docket/diary/tickler system which is maintained by a minimum of two people so that it will not be overlooked. The implementation of these procedures and the follow-through are extremely important. The District will agree to file annual audited financial statements and other financial information in the current Official Statement and has agreed to similar filings in past continuing disclosure certificates. When those listed on docket/diary/tickler system leave the District’s employment new names must be added and the incoming employees who will be responsible for the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access system (“EMMA”) filings should be briefed so that consistency is maintained.

The Municipal Securities Rulemaking Board launched a tool that allows the District to schedule automated e-mail reminders for these annual filings through EMMA. The District can add up to three e-mail recipients, so multiple staff members may be included on the alert. Please see the instructions below:

To schedule the alerts, access EMMA at www.emma.msrb.org and click on the EMMA Dataport tab. Click on the “Login” button and enter your login information (User ID and password). From the Continuing Disclosure tab of the EMMA Dataport Submission Portal, click on “Schedule and manage e-mail reminders for recurring financial disclosures.” Click the “Create Reminder” link to access the scheduling form.

Note: Some districts engage auditors or a dissemination agent to actually do the EMMA filings. If the District has such an agreement, the District is still responsible if the auditor or dissemination agent fails to timely file the required annual statement. Thus, even if the auditor or dissemination agent agrees to make the required filings, the District must follow the February 1 or April 1 schedule, as applicable, and inquire of the District’s auditor or dissemination agent to determine if the filing deadline will be met. If the deadline may not be met, it is the District’s, and not the District’s auditors or dissemination agents, responsibility to file a notice with EMMA.
indicating that the deadline will not be met and an estimate as to when the audited financial statement and operating data will be filed. In lieu of audited financial statements, unaudited financial statements may be filed until audited financial statements are available.

The District is also required to file notices of “Listed Events” within ten business days of such events or occurrence. Please note: not all of the District’s existing continuing disclosure certificates may have the same Listed Events; however, as the 2016 Continuing Disclosure Certificate will most likely be the broadest; following it will also cover past certificate requirements. There can be no guarantee that the regulations concerning Listed Events (Securities and Exchange Commission Rule 15c2-12) will not change and that additional events may be added in the future. The District should check with its bond counsel at the time future bonds are issued to determine if the Listed Events have been changed and, if the later continuing disclosure certificate differs from 2016. The events are listed below (and can also be found in the District’s continuing disclosure certificates):

Section 5. Reporting of Listed Events (as in the 2016 Continuing Disclosure Certificate).

This Section 5 shall govern the giving of notices by the District of the occurrence of any of the following events with respect to the Bonds. The District shall in a timely manner, not in excess of ten business days after the occurrence of the event, provide notice of the following events with EMMA:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service (the “IRS”) of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
7. Modifications to rights of Bondholders, if material;
8. Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Bonds, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the District;
13. The consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action nor the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
14. Appointment of a successor or additional trustee or the change of name of a trustee, if material.
“Materiality” will be determined in accordance with the applicable federal securities laws.

Note to Section 5(12): For the purposes of the event identified in Section 5(12), the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the District in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court of governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District.

Below is a short description of how to file notice of occurrence of “Listed Events” with EMMA:

How to File the Notices:

On May 14, 2015, the Governing Board approved renewal of the intergovernmental agreement with the City of Phoenix for the Head Start Program. This IGA allows Washington Elementary School District No. 6 (WESD) to plan and deliver early childhood program services to 588 children and families in 19 school sites according to stipulated terms and conditions.

In compliance with Head Start Performance Standard 1304.51(d), information must be communicated periodically to a delegate’s governing body and to members of its policy groups. The intent of the annual Head Start orientation is to comply with the standard and to ensure that essential information is communicated to the WESD Governing Board.

Attached is the Head Start orientation presentation for review by the Governing Board. Diana Howsden, Director of Head Start Services, will provide a brief presentation about the WESD Head Start Program.

Based on Head Start Performance Standard 1304.51(i)(1), at least once each program year, grantee and delegate agencies must conduct a self-assessment of their effectiveness and progress in meeting program goals and objectives in implementing Federal regulations.

Attached is the WESD Head Start Self-Assessment presentation for review by the Governing Board. Michaele Pilsbury, Head Start Program Coordinator will provide a brief presentation about the WESD self-assessment process.

In accordance with the Head Start Program Performance Standard, CFR 1304.50(d)(1)(iii), (iv), and (vi), the WESD Governing Board has the obligation and responsibility to periodically review and approve program philosophy, long-range and short-range program goals, and the self-assessment process.

Stakeholders, Head Start parents and community members in partnership with WESD Head Start administrators, participated and contributed in the development, review and approval of the required Head Start documents. These documents are attached.

Approval of these documents is requested and necessary for the District to remain eligible to receive Head Start funding through the City of Phoenix and are important in the periodic audit/review process. Strengthening

Self Assessment Data can

- Identify what practices are most effective in promoting school readiness
- Identify which children and families are thriving and which are struggling
- Identify whether and how to change professional practices/program systems to improve outcomes
Curriculum to promote school readiness skills

- The Creative Curriculum for Preschool is based on theory and research with specific roles for teachers, the environment and families.
- In conjunction with families, teachers plan lessons and activities and make changes to the classroom environment to enhance children’s learning.

Additional Curriculum

- The Learning Dynamics program, help children learn letters and sounds through music and fun content lessons.
- As the children begin learning the letters and sounds, they are introduced to blending concepts and they begin reading words and books.
- Then the teachers broaden the reading experience to solidify skills and build self-confidence.
- Reading is always done one-on-one with the teacher.
- Each child progresses at his or her own appropriate pace.
Child Outcomes

- Literacy started out with the lowest score in the fall and showed significant growth in the spring. This is due to the Learning Dynamics program.
- The Cognitive domain started out the highest but also had the most gains.
- For 2014/2015 the Literacy Domain showed a level of growth of 31.2. For the same domain the previous year (2013/2014) the Literacy growth level was 13.1.
- For Phonological Awareness and Knowledge of the Alphabet, the total growth levels doubled from last year.

Head Start Philosophy

Arizona’s children reflect the broad differences in racial and cultural heritage, language, health and family situations that constitute the diversity of our great state. Each child’s level of preparation and readiness for school also varies greatly depending upon many different factors. Educators and parents recognize that education is a process that begins at birth. The potential for learning encompasses the physical, social, emotional and cognitive development of children.

To ensure that Washington Elementary School District’s children are ready for success in school, schools will implement developmentally appropriate teaching and assessment practices, strengthen efforts in parent involvement and professional development for staff, and work with community agencies to provide appropriate and effective services to children and families.

Filosofía de Head Start

Los niños de Arizona reflejan las diferencias anchas en la herencia racial y cultural, el idioma, las situaciones de la salud y la familia que constituyen la diversidad de nuestro gran estado. Cada nivel del niño de la preparación y la prontitud para la escuela varía también dependiendo mucho de muchos factores diferentes. Los educadores y los padres reconocen que la educación es un proceso que empieza al nacer. El potencial para aprender abarca el desarrollo físico, social, emocional y cognoscitivo de los niños.

Para asegurar que los niños del Distrito Escolar Washington estén listos para el éxito en la escuela, las escuelas aplicarán apropiadamente el desarrollo y las prácticas de la enseñanza, evaluación, esfuerzarán la participación de padre y desarrollo profesional para el personal, y trabajarán con agencias de la comunidad para proporcionar los servicios apropiados y efectivos a niños y familias.

MEMO TO: GOVERNING BOARD MEMBERS AND SUPERINTENDENTS
FROM: PAUL KULPINISKI, Legislative Committee Chair
DATE: April 15, 2016

SUBJECT: SUBMISSION OF PROPOSED ISSUES FOR CONSIDERATION FOR THE 2017 POLITICAL AGENDA

I look forward to serving as your Legislative Committee Chair as we prepare for the Delegate Assembly and work to create a Political Agenda for the upcoming legislative session. I’m honored to be a part of this important process and look forward to hearing your proposals.

As you know, your input to the Legislative Committee is critical. This year we ask that you take a moment to review the current 2016 Political Agenda and reaffirm your top five priorities. Furthermore, please indicate two additional priorities you would like the Legislative Committee to consider. Click here to submit the form online or here to download the pdf version. Once submitted, these proposals will be compiled by staff and provided to the ASBA Legislative Committee for consideration. The Committee will then create a draft document that will be circulated to all governing boards and superintendents. This draft agenda will be the basis for discussion and final approval at the official Delegate Assembly on Saturday, September 10th. The timeline is as follows:

- Friday, May 20th – Proposed Items Due
- Friday June 3rd – Legislative Committee meets
- Week of June 20th – Legislative Committee recommendations sent to all governing board members and superintendents
- Saturday, September 10th – Delegate Assembly (Saturday morning following the Law Conference)
- November 2016 (TBD) – ASBA/AASBO/ASA Legislative Workshop

As a reminder, you should schedule this item on an upcoming Board agenda for discussion. Please remember, only one submission per District and it must reflect the collective will of the Board. These proposals are due by the close of business on Friday, May 20, 2016.

As you are aware, the 2016 Delegate Assembly will determine the positions of the Arizona School Boards Association for any future Special Sessions of the current legislature and for the First Regular Session of the Fifty-Third Legislature. In addition to submitting proposals, your board has the opportunity to help craft ASBA’s advocacy stances by registering your district’s delegate. Your delegate will represent your district at the Delegate Assembly, a critical meeting where the views of your district can be represented and discussed. The Delegate Assembly will be held on Saturday, September 10th at The Camelback Inn.
Thank you for your active participation in ASBA. If you have any questions, please call Darbi Jenkins, Governmental Relations Analyst at 602-254-1100 or 800-238-4701. These overarching issues must be addressed for public schools to excel and provide an opportunity for every child to succeed. Providing high quality public education is the best investment to grow Arizona’s economy. The items below reflect those key issues on which we will concentrate over the next 5-10 years.

1. Strengthen the school finance formula to equitably and adequately fund public schools to:
   a. Ensure a more stable and reliable source.
   b. Maximize local school district flexibility in managing these funds.
   c. Require the same financial accountability and transparency measures of all schools.
   d. Retire any program that gives public monies for private school vouchers.

2. Uphold, preserve, and strengthen local control to reinforce the connection between the community and its elected governing board members.

3. Meet the unique educational needs of every student so that all students have the opportunity to reach their full potential.

Building toward our long-term areas of success, the following items represent critical needs to put us on that path, and will engage our energies up to the next 3-5 years.

1. Reinstate and fund formulas to comply with state school building minimum standards.
2. Provide greater equity in funding and access for special education students within the public school system.
3. Allow public school tax credits to be used as determined by local districts.
4. Establish financial transparency and academic accountability for Empowerment Scholarship Accounts.

5. Maximize income opportunities for teachers’ salaries and student support.
6. Fully restore 9th grade CTE/JTED eligibility and funding so students have the opportunity to explore career fields and/or certification completion.
7. Require comparative and consistent Auditor General Reports for public (district and charter) schools.

Building toward our long-term areas of success, the following items reflect issues that will not only move us forward, but we believe can be accomplished next year given the legislative atmosphere and current public trends.

1. Fully fund full-day kindergarten and include kindergarten students in the override calculation.
2. Fund inflation fully in the manner prescribed by statute mandated by Arizona voters.
3. Repeal CTE and JTED cuts related to take effect in Fiscal Year 2017.
4. Change “override/budget increase” language to “locally controlled funding” to better reflect what voters are being asked to support.
5. Fund the implementation costs of Arizona’s standards, assessments, and technology.
6. Restore Building Renewal funding to ensure school facilities are adequately maintained.
7. Allow districts the option to operate individual schools for 200-day school years and increase accompanying funding to 8% to improve student achievement.

8. Increase the compulsory attendance age from 18 to 18 years.
9. Eliminate the change to current year funding.
10. Advocate to lessen unfunded mandates and administrative burdens.
11. Allow school districts greater flexibility in the divestiture of property to address population and course needs.
12. Protect desegregation funding from any cuts or modifications.
13. Require charter holders and applicants to use their local entity’s most recent demographic study and enrollment demand data to justify the need for a new school.

Through working on the current bond projects and trying to identify future projects, it became apparent that it would be helpful to have a database in which staff could track age and condition of district buildings and sites as well have ready access to comprehensive facility condition reports with estimated replacement costs. The intent was to find a way to objectively review all district facilities and prioritize needs based on actual condition of buildings and the life cycles of individual building components. This would enable the District to become more efficient with the development of multi-year capital plans for budget planning.

District staff began implementation of the AssetPlanner software in late 2015. Maintenance staff walked each site to evaluate areas specific to their trade specialty such as HVAC, electrical, structural, plumbing, and grounds. The teams participated in weekly conference calls over a 4-week timeframe to record information for all buildings and sites. Ameresco staff entered all the data into the software and sent the completed data back to the district for review and verification. We will continue to refine the information that is included for each building and develop processes to ensure that the database is updated as changes or improvements are made. Several departments will collaborate to utilize this database as a long-range planning tool.

Attached is a presentation that details methodology and current analysis of the data.
