*G. Award of Contract – Bid No. 10.006, Student Travel Agent Services to Sundance/Tzell Travel and Terra Travel

4-1 AYE

Ms. Graziano questioned why the supporting data for this agenda item states that “all out of state travel must be booked through this contract”. She stated that some teachers prefer to book their own travel arrangements and may be able to get a lower rate. Cathy Thompson responded that occurrences had happened during out of state trips where teachers had to pay for an expense. She cited one instance where a group went to Disneyland and there was a problem with the check clearing and they were at the entrance gate for 1 ½ hours before calling Ms. Thompson for assistance. It then took Ms. Thompson another 1 ½ hours to resolve the matter. The District is trying to

August 26, 2010
eliminate these types of occurrences, which cause frustration for teachers and students. If an incident should occur on a trip, the teacher would be able to call the travel agency for assistance. The mandatory use of these travel agencies was submitted for fairness and to be more equitable so all schools pay the same price.

Dr. Cook stated she has known teachers who objected to using the travel agency. However, once they did, they were much happier because it was easier for them.

Ms. Thompson advised that vendors used by the travel agencies must carry additional liability insurance for school trips. Ms. Thompson stated that some vendors have offered discounts depending on the size of the group.

Mrs. Lambert stated that one of the reasons for awarding a contract to travel agencies was because of procurement issues and going out for RFPs. This would streamline the process to provide more fairness for expenses.

A motion was made by Mr. Maza that the Governing Board award the contract regarding Bid No. 10.006, Student Travel Agent Services to Sundance/Tzell Travel and Terra Travel. The motion was seconded by Mr. Jahneke. The motion carried 4-1 Aye.

*M. Issue RFP No. 10.028 for Curriculum Audit Services UNANIMOUS

Ms. Graziano asked if this audit service was going to be only for the reading program. She also asked if this service had been utilized before and if it would be extended to other programs. Ms. Janet Sullivan responded that at this time, the service will audit the implementation of the District’s reading program, the alignment between the written/intended curriculums, the curriculum currently being taught and testing the current curriculum. Dr. Cook advised that this is the first time to propose using curriculum audit services. When ARRA money became available for this purpose, the District decided it was an opportunity to conduct a program evaluation starting with the reading program and possibly the math program at a later date.

XI. ACTION / DISCUSSION ITEMS

A. 2009-2010 Revised Expenditure Budget #3  UNANIMOUS
Dr. Cook asked the Board to approve the Revised Expenditure Budget because the District has additional capacity as a result of a Certificate of Educational Convenience (CEC) and introduced Ms. Cathy Thompson to provide further details. Ms. Thompson advised the Board that this revision is for the 2009-2010 Budget because the Arizona Department of Education (ADE) calculated the CEC in late summer which was too late

August 26, 2010
for the revision in May. Therefore, ADE has opened a window in which our District can revise its 2009-2010 Expenditure Budget to reflect the additional capacity of $23,247.00.

A motion was made by Mr. Adams that the Governing Board approve the 2009-2010 Revised Expenditure Budget #3 to include additional CEC capacity in the amount of $23,247.00 as requested by the Arizona Department of Education for a total of $116,705.00. The IBN RIF Subcommittee met several times during the summer to develop an associated Regulation and to further review the Reduction in Force Rubric, which was incorporated into the Regulation. Dr. Cook introduced Ms. Sue Snyder who reviewed the Regulation and the results of the RIF Subcommittee meetings.

Ms. Graziano asked for a breakdown of the RIF Subcommittee members. Ms. Snyder replied that there was one person representing classified personnel and there were approximately 5-6 people from each of the following groups: principals, teachers, and District Administrators.

Ms. Graziano asked what the timeline for the appeal process was. Mr. Justin Wing, Director of Human Resources, advised that the appeal process is explained in Policy GCQA. The Policy states that after an employee has been notified of a reduction in force, the employee has five working days to submit a written appeal to his/her supervisor and the supervisor has five days to write a response. If the employee is not satisfied with the supervisor’s response, the employee has five days (after receiving the supervisor’s response) to submit a written appeal to the Superintendent.

Mr. Maza asked if the inclusion of this Policy will satisfy the requirements of the law. Ms. Snyder replied that it will.
