

# WELCOME TO KINDERGARDEN!

---

DEAR PARENTS,

I hope this letter finds you well. My name is Ms. Carle and I am thrilled to be your child's kindergarten teacher for the upcoming 2025-2026 school year! As we begin this new chapter in your student's life together, I wanted to introduce myself, share some important details about our classroom, and what you may expect.

I want to highlight that I am committed to providing your students with a positive, supportive, and engaging learning environment where they will all grow academically, socially, and emotionally. In all, I am dedicated to creating open communication and collaboration between home and school to ensure overall learning of each student.

Throughout the year, I can keep you informed with class and school events, important announcements, and any other important information via Class Dojo or my email. Please feel free to reach out with any questions, concerns, or suggestions you may have. Your support and collaboration is greatly appreciated and crucial to your child's growth.

## ABOUT ME!

While I reside in Phoenix Arizona, I am originally from Southern California where most of my family still lives. Outside of teaching, I enjoy hanging out with my friends, playing pickleball and trying new games or trying new foods/restaurants. These interests often find their way into my teaching, as I strive to make learning all around both fun, engaging, and relating to student's lives. I am dedicated to my professional growth and staying updated with the latest educational practices to ensure that my students receive the best possible learning experience.

I look forward to getting to know each of you and working together to make this school year successful and memorable!

## CLASSROOM, SCHOOL, AND BEHAVIOR EXPECTATIONS

In our kindergarten classroom, we uphold respect by using kind words and caring for our school, materials, and peers. We show responsibility by listening and following directions, help clean up, and always try our best. Cooperation is key as we work together, share ideas, and support each other. Additionally, safety is a priority both in class and around school, therefore we strive to put our best effort in all tasks and communicate openly and respectfully with other peers and teachers.

## VOLUNTARY CLASS DONATIONS:

- Cleaning/Classroom Supplies
  - Tissues, Glue Sticks, Wipes, Hand Sanitizer, Expo Markers, Paper towels
- Snacks
  - Cheez-Itz, fruit snacks, granola bars, fruit strips, baked chips
