III. **ACTION / DISCUSSION ITEM**

A. **Employee Phased Retirement Program**

Dr. Cook advised the Board that the Interest-Based Negotiations (IBN) team had in the past recommended an employee phased retirement program. The IBN team is offering a recommendation for the 2013-2014 school year, earlier than in the past, in an effort to assist employees with making decisions about phased retirement, if they are interested in the program and if the Board approves it. Dr. Cook introduced Mr. Justin Wing who reviewed the IBN team’s interest-based process for the recommendation.

Mr. Wing reviewed the program details and the IBN straw design which had a 100% consensus by the IBN team. Mr. Wing advised the Board that the 2011-2012 phased retirement program provided a $670,000.00 savings for the District. He stated that the District experienced an approximate savings of $280,000.00 during 2012-2013.

Ms. Graziano asked the following questions:

- On page 54, Caveat #2 under New Additions to the Recommendation (Proposed), was the 75% of position base salary or hourly rate considered a new addition to the recommendation because the percentage rate was reduced from last year? Mr. Wing responded that this pertained to individuals hired by smartschoolsplus, inc. and not current WESD employees. He advised that IBN wanted to ensure that individuals hired by smartschoolsplus, inc. received the same consideration as a WESD new hire.

- If an individual worked for one year through smartschoolsplus, inc., applied for an open position and was rehired, would they start as a new hire on Step 1? Mr. Wing replied that the new hire salary placement and benefits procedures would apply, e.g., teachers would receive years of service credit whether they came from another District or were a current WESD smartschoolsplus, inc. employee. Ms. Graziano stated she would be interested in seeing the details of the new hire salary placement and benefits procedures.

Mrs. Lambert asked the following questions:

- Asked for clarification between a WESD new hire from another district versus an individual from another district hired by WESD through smartschoolsplus, inc. Mr. Wing stated that an individual who retired from another district may have a desire or need to work after being retired and may not be able to be rehired by the district from which they were previously employed. That individual may apply to smartschoolsplus, inc. for employment with another district, e.g., WESD. Mr. Wing advised that WESD’s first practice would be to post a position and interview to see if there were qualified candidates. After exhausting efforts internally, the District would contact contracted agencies, including smartschools, inc.

- Asked for confirmation that a participant would receive 75% of their pre-retirement base salary or hourly rate and the District would pay smartschoolsplus, inc. 86% of the base salary earned by the program participant during his or her final year of District employment. Mr. Wing confirmed that was correct and that the 86% paid to smartschoolsplus, inc. included its 4% fee, as well as payroll taxes.

- Asked for clarification regarding changes from the prior year recommendation. Mr. Wing advised that in addition to the proposed new additions on pages 53-55, there was an additional change on page 51 under Participant Eligibility. The eligibility requirements were changed to 1 or more years employment with WESD to provide the District with the opportunity to hire experienced personnel at a cost savings to the District. It was previously 5 or more years.

January 10, 2013
Mr. Maza thanked Mr. Wing for his presentation and thanked the IBN team members for their efforts.

A motion was made by Mr. Jahneke that the Governing Board authorize WESD to pursue a contract with smartschoolsplus, inc. for the 2013-2014 school year in accordance with the guidelines set forth in the Interest-Based Negotiations Team’s straw design proposal. The motion was seconded by Ms. Graziano. The motion carried.
