### Medication:

This a reminder that all student medication must be picked up by a parent/guardian from the health office on the last day of school.

### Illness:

Do a symptom check of your students before sending them to school. Please keep your student home if they have a fever or have been vomiting. Your student must be fever free with no medication for 24 hours before they return to school. Call the health office with any questions at 602-347-2110. Thank you!
