## **Tumbleweed Site Council**

### **Meeting Minutes**

**Sept. 6, 2023**

#### **Call to order**

The regular meeting of the Tumbleweed Site Council began at 3:30 pm on Sept. 6, 2023.

#### **1. Roll Call**

The following members were present: Kim Gessner, Rula Prock, Traci Auten, Brian Camilli, Krystal Crown, and Erika Seeley.

#### **2. Minutes**

We discussed and approved the minutes from our last meeting.

#### **3. Public Participation**

- Fall sports will soon be in full swing. Mr. Camilli reports that there will be a 3-4 week instructional period for the boys to hone their basketball skills before try-outs. The Boys Basketball season will begin around Fall Break.
- Logan Hildebrand has agreed to coach our Cross Country Team this year. We are excited to have him on board as our new coach.

#### **4. Old Business**

- At this point, Tumbleweed is fully staffed. We just added a new 2<sup>nd</sup> Grade section and welcome Ms. Mateo to our staff taking on our fantastic 2<sup>nd</sup> Graders. Our class sizes are back to a more normal number and we couldn't be happier.
- Our Read to Succeed program is in full swing and our students who read their way through August were rewarded with a trip to the Literacy Cart to choose prizes and coupons. This year's program was tweaked a little to encourage students to show evidence of having read the books whether by drawing a picture of what they read, writing a few sentences, or sharing stories from their chapter books.
- The speed cushions have not yet been installed. We are waiting for the city to fulfill it's part of our agreement.

#### **5. New Business**

- Site Council is in need of a parent or community member to join us. We value the opinions and input that they provide. Meetings will continue to be virtual to make it easy to be a participant.
- Pre-week of school this year was productive. Teachers and staff were invited to focus on our student expectations as they return to school. We continue to focus on 'Growth' in all areas of student learning. "Be better than you were yesterday."
- Staff instruction will focus on our goals:
  - 2.3 - Teachers & Instruction - Teachers will plan and implement Tier I instruction using student evidence to plan specific small group instruction aligned to student learning goals.
  - 5.2 - Conditions, Climate, & Culture - Staff will enhance systems of the school using data that is aligned with stakeholder feedback.
  - 6.1 - Family & Community Engagement - Build and strengthen family engagement and community partnerships in order to increase opportunities for students with consistent focus on the whole child to improve student learning.

- In an effort to encourage students to be in time, parent's are now required to sign in any student who is late to school. If a student arrives late without a parent that parent will be called and notified that they need to come to school to sign their student in.

#### **6. ASA**

- Ms Yvonne Valdez is heading up ASA again this year. Selected students have already been invited to register. ASA will be focusing on academic improvement for all students attending.
- Mr. Harvy has taken on the role of Outreach Specialist and will be heading up this year's Kiwanis Fundraiser.

#### **7. PTO**

- 'Game On' fundraiser will begin soon. PTO is helping raise money to purchase enhancements to our sports equipment on campus.
- PTO is sponsoring a Back to School night at Great Skate tonight. We look forward to a fun night with Tumbleweed Staff and families.
- Kona Ice will continue to come once a month after school for students to purchase a delicious, cold Kona Ice.

**Meeting was adjourned at 4:17 pm.**
