Site Council Focus for 23/24 School Year

Our vision and purpose is to work collaboratively with the school principal, local community members including parents, and with classified and certified staff on campus. We examine school and student performance data and develop strategies and programs to support the 90-Day Plan of Continuous Improvement that will assure student performance. We communicate school and student performance to the school's stakeholders and approve the appropriate expenditure of non-designated tax credit donations.

SCHOOL VISION and MISSION

VISION: Washington Elementary exists to educate our students by providing them with secure relationships which support academic, physical, cognitive, as well as social and emotional growth.

MISSION: At Washington, we inspire learning, impact lives, and influence the future.
