Desert View Site Council Meetings are open to the public. This meeting is authorized and consistent with A.R.S. § 15-351 and § 38-431.02. Notices as required have been appropriately posted. Comments from visitors are welcome and can be shared during the parent/visitor portion of the agenda.

- 1) Opening Comments
 - a. Comments from the facilitator
- 2) Review minutes
 - i. One item that was not discussed at our last meeting is our office construction update. We are going to close off the office with a large wall so that there is no longer any access between the front desk and the door of Rocio's office. Anyone who comes onto campus will need to be buzzed in by our office staff. This is a good safety measure to make sure our students and staff are all safe on our campus.
- 3) Recurring Business
 - a. In-person & distance learning updates
 - i. Since our last meeting, we finished 3rd quarter. We had a fun end to the quarter, two days of field day, which was an exciting event! Honor Health has partnered with us to build a garden and that will be updated.
 - ii. We are beginning our 4th quarter now and have a lot going. Students start to get a little more stir crazy as the year goes on so we are using kindness coins to promote good behavior.
 - iii. Distance Learning- At the governing board meeting tomorrow, they will be discussing combining our DLP with 5th-8th so it would be a K-8 school. It would be an official school, not a school within a school. This would be school 33 in WESD.
 1. This school would be at Royal Palm Middle School.
 2. This provides a long-term home for our DLP teachers.
 - b. Select Employee of the Month: April
 - i. The team has unanimously voted Armenia Quintero as our February employee of the month.
 - ii. The team has also voted to nominate Joyce Brown as district employee of the month.
 - c. Review tax credit requests
 - i. There are no tax credit requests at this time.
- 4) New Business
 - a. Staffing Updates for SY22-23
 - i. Staff contracts were due yesterday. We will be hiring for quite a few positions across our school. We should know more by Monday or Tuesday, but we expect

there to be at least 4 or 5. There could be more or less but we will not know for a few more days.

- ii. Some of these positions will be hard to fill but we do have a program called the BRIDGE program that will teach candidates to be a teacher while they are teaching. They need to have a Bachelor's degree from an accredited university and will be in the program for two years.
- b. State Testing Updates
 - i. We have a lot of testing coming up. Our first test will be April 5th and the next week will be our math and reading tests on April 12th and 14th.
- c. Teacher Appreciation Week (May 2-6)
 - i. Ms. Ramirez has been working to try to bring teachers a lunch on Wednesday of that week.
 - ii. We have some other fun things mapped out involving gift cards and prizes
- d. Next Meeting: April 20
 - i. We typically do not meet in May so that meeting should be our last.

5) Parent/member/visitor comments:

- a. Ms. Ramirez- Thank you for all your hard work.
- b. Ms. Brandi- Thank you for your hard work as well Ms. Ramirez.
- c. Ms. Jarvi- Thank you Ms. Ramirez for
- d. Ms. Brown- Ms. Jarvi, you have made me really happy today with your test prep ideas, that's not always fun but you seem to be making it enjoyable and that's great! One question I do have- has it been discussed about having volunteers on campus for next year?
 - i. Mr. Mospan- Right now we are able to have visitors on campus with principal approval so that makes me feel hopeful that we will be able to have volunteers next year. However right now we can only have volunteers on campus who have already been approved. The district has been unable to process new volunteer paperwork.

6) Meeting adjourn

- a. The meeting was adjourned at 3:45pm.
