## MISSION STATEMENT

Abraham Lincoln Traditional School is committed to providing a safe and nurturing learning environment where students are engaged in their own learning. Our school promotes self-responsibility and self-discipline and a love of learning. We encourage and value active participation by parents, teachers, staff and principal in the decision making process in order to increase student achievement and student self-worth.

January 2022

Dear Abraham Lincoln families,

We are in full swing for 3rd quarter. Students came back ready to learn and teachers were ready to teach! We continue to follow safety and cleaning protocols to minimize any spread of germs. Next month you will have the opportunity to conference with your child's teacher, but if you ever have any questions or concerns, contact the teacher prior to the conference dates.

As you have seen, the parking lot is being repaired now. I had no idea how large the underground tubes/tanks would be! That is a lot of room for water to flow! Thank you for your continued patience as we get the parking lot up and running to full capacity. Hopefully, the parking lot will be back to full use the beginning of February or before.

If you have any questions or concerns, please feel free to reach out to me.

Warm regards,  
Rhonda Warren  
ALTS Principal

## Gifted Services

### Spring Testing

Washington Elementary School District provides a continuum of services for students identified as gifted. If you feel your child demonstrates the traits of a gifted learner, please complete the online screening form found on the Gifted Services website ([Gifted test referral K-8](#)) or contact your child's teacher.

A description of gifted services is provided on the district website as well. Gifted testing for spring will occur from March 1 to April 8. Each school will have their own schedule.

Feel free to call or email the Coordinator of Gifted Services, Dr. Rowe Van Meter, with any questions you may have ([rowe.vanmeter@wesdschools.org](mailto:rowe.vanmeter@wesdschools.org) /602-347-2651).

The gifted teacher on your campus can also provide testing and information on gifted services.
