MISSION STATEMENT

Abraham Lincoln Traditional School is committed to providing a safe and nurturing learning environment where students are engaged in their own learning. Our school promotes self-responsibility and self-discipline and a love of learning. We encourage and value active participation by parents, teachers, staff and principal in the decision making process in order to increase student achievement and student self-worth.

April 2022

Hello Abraham Lincoln families,

State testing for third through eighth grade is well underway. Students are being diligent and putting their best effort into showing what they have learned. We appreciate the support from our families and from classrooms in kindergarten, first and second grade. Our primary classrooms showed support with inspirational posters and some treats, too!

We have several events coming up in April and May. Book fair is coming soon so please look for details of book fair dates and times that have been sent home. Band will be having an in-person final concert in May.

Kindergarten promotion is coming soon and will be in-person this year! Please be looking for detailed information from our kindergarten teachers.

Eighth grade promotion will be in-person this year too! Both promotion ceremonies and band concert will be limited ticketed events. Teachers will be sure your family gets the allotted amount of tickets.

We are thrilled to be able to have events back on campus and look forward to seeing many of you very soon!

If you have any questions or concerns, feel free to contact me.

Warm regards,
Rhonda Warren

Food Wars, a combination of the can food drive and coin wars, will be returning to ALTS this May!

There will be incentives for grade level and school wide champions just like in 2020.
