MISSION STATEMENT

Abraham Lincoln Traditional School is committed to providing a safe and nurturing learning environment where students are engaged in their own learning. Our school promotes self-responsibility and self-discipline and a love of learning. We encourage and value active participation by parents, teachers, staff and principal in the decision making process in order to increase student achievement and student self-worth.

May 2022

Hello Abraham Lincoln families,

There are just a couple weeks left in the 2021-2022 school year. As we wrap up the year, teachers are preparing and teaching the final pieces of curriculum for their students. We want the students to enjoy the last couple weeks, but still stay strong in learning.

"Food Wars" continues through May 13. We are finishing the 7-8 grade basketball season with the tournament. We have an upcoming band concert, NJHS induction, 7-8 grade end-of-year dance, kindergarten promotion, and 8th grade promotion. We have a busy couple of weeks!

I want to thank all ALTS families for their support throughout this year! We worked through many of the tough guidelines given to us with COVID, and we are stronger from working together. We got back to what we are typically used to with opening up our campus to parents volunteering. I have to say how wonderful it was to be able to be back to our traditional values of having parents on campus and volunteering.

Since this is the last newsletter of the year, I want to wish you a safe and enjoyable summer! The Abraham Lincoln staff is looking forward to the 2022-2023 school year.

If you have any questions or concerns, feel free to contact me.

Warm regards,
Rhonda Warren

Food Wars is going fantastically!

Thank you to everyone who has contributed. It is wonderful to see the students having fun while learning the importance of giving back to others.

The competition has been tight, but a Food Wars Champion and a Most Generous Homeroom will be declared at 3:30 p.m. on Friday, May 13, and announced the following Monday.

The Food Bank needs many items, and we have put a premium on cereal boxes this year.

If we get enough cereal boxes donated, we hope to put our math skills to good use by constructing a dominos chain made from cereal boxes to run around the entire campus.

We will be collecting non-perishable food items and donations through Friday, May 13.

All money received will be used to purchase additional food for the food drive.

Thank you for helping us help others.
