

Meet Your Teacher

Ms. Harding

Welcome to second grade! I am Ms. Harding. This is my fourth year teaching second grade at Sahuaro. I received my Bachelors Degree in Early Childhood and Special Education from ASU. I am passionate about teaching and the importance of education in every child's life.

Second grade will be filled with many learning opportunities, new experiences and fun adventures! I can't wait to meet you!

Meet the Teacher & Supply List

Meet the teacher will be held at Sahuaro on Thursday, August 4th from 5:00-6:30 PM. If you cannot meet with me for any reason, please reach out to me so we can find another way to get in touch. My goal is to meet with all of my families for the 2022-2023 school year! 😊

All the supplies your student needs to be successful are already here in their desk waiting for them! The only things we need for our classroom are tissues (2-3 boxes per student) and hand sanitizer (1 bottle per student). Please know that these are donations for our classroom and not required for you to purchase. Any and all donations would be greatly appreciated!

I look forward to seeing you on Thursday the 4th!

Ms. Harding
